To the Board of Directors
AVID Center Retirement Plan 403(b)
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of AVID Center Retirement Plan 403(b) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Auditor's Responsibilities for the Audit of the Financial Statements, continued

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AVID CENTER RETIREMENT PLAN 403(B)

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 - Description of the Plan

The following description of the AVID Center Retirement Plan 403(b) (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of The AVID Center (the Organization) except collectively bargained employees, leased employees and employees who normally work less than 20 hours per week, as defined in accordance with the universal availability standards. The Organization is the Plan's sponsor and serves as the Plan Administrator. The Plan is intended to qualify under Section 403(b) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year participants may contribute up to 100% of pretax and after-tax annual compensation, subject to limits of the tax law as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined compensation plans (rollover). Newly eligible participants are automatically enrolled into the Plan at 5% of eligible wages, unless they decline participation or select another deferral amount. The Organization may elect to contribute a matching and/or discretionary contribution, the amounts of which are determined annually. During the year ended December 31, 2023, the employer elected a discretionary contribution of 10% of eligible employee compensation.

Investment Elections

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various registered investment companies, pooled separate accounts, and guaranteed investment contracts as investment options. Participants can change their investment allocations daily.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Organization's contributions and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are made in a manner which recognizes each participant's account balance, investment selection and timing of contributions and withdrawals, as defined by the Plan. Each participant or beneficiary directs the investment of his or her account among the investment options available in accordance with the terms of the funding vehicles. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Loans to Participants and Notes Receivable from Participants

Participants may borrow from The Lincoln National Life Insurance Company and use their Plan account balance (invested in the Lincoln Fixed Account) as collateral for the loan. The collateral must be equal to or exceed 110% of the loan, and payments on the loan are made outside of the Plan. As of December 31, 2023 and 2022, approximately \$11,000 and \$12,000 of Plan assets were pledged as collateral for such loans made by the Plan's participants, respectively.

Participants may also borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The repayment terms provide for loan payments to be made directly by the employee, and for loans to be amortized over a reasonable period of time not to exceed five years, unless the loan is used to acquire a principal residence. The loans are secured by the balances in the participant's account and bear interest at a rate commensurate with rates charged by commercial lenders for loans made under similar circumstances. The interest rate was 4.25% - 9.50% for the year ended December 31, 2023.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Organization's contribution portion of their accounts is based on years of continuous service. An employee is fully vested after one year of service. Any amount not vested upon a participant's separation from service is forfeited. A participant becomes fully vested in the entire balance of his or her account upon retirement, disability, death or Plan termination.

AVID CENTER RETIREMENT PLAN 403(B)

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 - Description of the Plan, continued

Payment of Benefits

On termination of service due to any reason, participants with vested account balances of \$1,000 or less receive an automatic lump-sum distribution. Participants with vested account balances of less than \$5,000 and more than \$1,000 receive an automatic distribution to an IRA. Participants with vested account balances of \$5,000 or more may elect to receive a single lump-sum amount, installment payments, choose to rollover their balance into another qualified retirement plan or IRA, or leave their money in the Plan. Participants may also take in-service or hardship withdrawals subject to the terms of the Plan document and Internal Revenue Service (IRS) regulations.

Forfeitures

At December 31, 2023 and 2022, forfeited nonvested accounts totaled zero. During the year ended December 31, 2023, \$30,935 of forfeitures were used for employer contributions.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

Except for benefit responsive investment contracts which are reported at contract value, investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in the administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

AVID CENTER RETIREMENT PLAN 403(B)

Notes to Financial Statements

December 31, 2023 and 2022

Note 2 - Summary of Significant Accounting Policies, continued

Excluded Contracts and Accounts

The Plan Administrator has elected to exclude certain contracts and accounts from Plan assets in accordance with the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans* (DOL FAB 2009-02) due to the fact that:

- The account was issued to a current or former employee before January 1, 2009;
- The employer ceased to have any obligation to make contributions (including employee salary reduction contributions) and in fact stopped making contributions to the account before January 1, 2009;
- All the rights under the contract or account are legally enforceable against the insurer by the individual owner of the account without any involvement by the employer; and
- The individual owner of the account should be fully vested in the account.

Since the Plan Administrator elects to exclude certain contracts in accordance with DOL FAB 2009-02, the excluded contracts are not in accordance with GAAP and, accordingly, it is not intended that these financial statements be presented in accordance with GAAP.

If the identified contracts, as reported by The Lincoln National Life Insurance Company, were included, net assets available for benefits would increase by \$1,341,334 and \$1,129,186 as of December 31, 2023 and 2022, respectively. Further, investment appreciation of \$215,287, distributions of \$3,014, and expenses of \$125 related to such accounts as identified by The Lincoln National Life Insurance Company, have also been excluded in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023.

Subsequent Events

The Plan has evaluated subsequent events through October 9, 2024, the date the financial statements were available to be issued.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

Note 3 - Information Certified by Custodians

The Plan's investments are held by Principal Trust Company and The Lincoln National Life Insurance Company, the Custodians of the Plan. Investment decisions are made at the direction of participants. The investments are credited for earnings thereon and charged for withdrawals and expenses as charged by the Custodians. The Plan Administrator has obtained certifications from the Custodians as of December 31, 2023 and 2022, and for the year ended December 31, 2023, that the following information provided to the Plan Administrator by the Custodians is complete and accurate:

- Investments, at fair value
- Investments, at contract value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividends
- Other income
- Interest on notes receivable from participants

AVID CENTER RETIREMENT PLAN 403(B)

Notes to Financial Statements

December 31, 2023 and 2022

Note 4 - Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: 1) quoted prices for similar assets or liabilities in active markets; 2) quoted prices for identical or similar assets or liabilities in inactive markets; 3) inputs other than quoted prices that are observable for the asset or liability; 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Registered Investment Companies (Mutual Funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts (PSA): PSAs invest in a variety of domestic stock, international stocks, mutual funds, bonds and other securities. The majority of the underlying securities have observable level 1 quoted pricing inputs. While the underlying asset values are generally based on publicly quoted prices, the NAV of each PSA is not valued using publicly quoted prices. The NAV provided by the Custodian is used as the practical expedient to estimate fair value. PSA's can be redeemed on a daily basis and each PSA has its own investment strategy. Participants should refer to each PSA's prospectus for a description of the PSA and its investment strategy.

There have been no changes in the methodologies used at December 31, 2023 and 2022.

The following table summarizes investments for which fair value is measured using the net asset value per share practical. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts	\$1,344,902	N/A	Daily	None
December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts	\$1,110,158	N/A	Daily	None

Note 5 - Fully Benefit-Responsive Investment Contracts

The Principal Fixed Income Guaranteed Option and the Lincoln Fixed Account (collectively the Funds) are fully benefit responsive guaranteed investment contracts issued by Principal Trust Company and The Lincoln National Life Insurance Company (collectively the Issuers). The Issuers maintain the contributions in a general account. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Funds meet the criteria of a fully benefit-responsive investment contract and are therefore reported at contract value. Contract value, as reported to the Plan by the Issuers, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. There are no reserves against contract value for credit risk of the Issuers or otherwise.

Total investments at contract value	<u>\$ 6,944,106</u>	<u>\$ 6,397,176</u>

The Funds are single group annuity contracts with a fixed rate of interest. It is not a portfolio of contracts whose yields are based on changes in fair value of underlying assets as would be found in a stable value fund. Average yields earned by the Funds are calculated by dividing the annualizing earnings of all fully benefit-responsive investment contracts by the fair value of all fully benefit-responsive investment contracts. The methodologies for calculating the interest crediting rate are defined in the contract terms of the respective Funds. Under the terms of the existing contracts, the Composite Crediting Rate is currently reset on at least an annual basis and will never be less than the guaranteed minimum interest rate.

Certain events specified in the Funds' contracts may limit the ability of the Plan to transact at contract value. The events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator believes any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

Note 7 - Party-in-Interest Transactions

Plan investments include fully benefit-responsive group annuity contracts, pooled separate accounts, and registered investment company funds which were managed by Principal Trust Company and The Lincoln National Life Insurance Company. Global Retirement Partners LLC provided investment advisory services and Actuarial Benefits Corporation provided third party administrator services. Transactions with these entities qualify as party-in-interest transactions and are exempt from the prohibited transaction rules under ERISA.

Notes to Financial Statements

December 31, 2023 and 2022

Note 8 - Tax Status

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform to the sample language provided by the IRS in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
