INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustees of the
Regency Pacific 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Regency Pacific 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Regency Pacific 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Regency Pacific 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Regency Pacific 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Regency Pacific 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Regency Pacific 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REGENCY PACIFIC 401(k) RETIREMENT PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 1 – ORGANIZATION AND DESCRIPTION OF THE PLAN

The provisions of the Regency Pacific 401(k) Retirement Plan (the Plan) were effective January 1, 2018. The Plan has been amended and restated to comply with current legislation. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Regency Pacific (the Company), except for employees covered by collective bargaining agreements, leased employees, and non-resident aliens. Employees are eligible to participate in the Plan who are 21 years of age or older and have completed three months of service as defined in the Plan document. Employees may begin participation in the Plan on a monthly basis. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

Participants can elect to contribute up to 100% of their annual pre-tax or Roth after-tax compensation to the Plan, as defined in the Plan document, within statutory limits. Highly compensated employees are subject to a deferral limit of 3% of eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions are paid to the Plan each pay period. Participants may also contribute amounts representing distributions from other qualified plans.

The Plan does not allow employer contributions.

Participant Accounts

Individual participant accounts are maintained by the Plan's record keeper. Each account is credited or charged with the participant's contributions, and allocations of investment income, losses, and expenses, on the individual account balances. Distribution fees are deducted from the respective participants' accounts. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct employee contributions among various mutual funds and one guaranteed investment contract.

Vesting

Participants are 100% vested in their accounts and actual earnings thereon.

NOTE 1 – ORGANIZATION AND DESCRIPTION OF THE PLAN (continued)

Notes Receivable from Participants

Loans were not permitted through November 30, 2023. Effective December 1, 2023, participants may borrow from their accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. Terms of the notes receivable may not exceed five years, except for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the third party administrator at the time of issuance. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Benefits may be distributed upon retirement, death, disability, or other termination of employment. Benefits equal to the value of the participant's vested account are paid in a lump-sum. Upon attainment of age 59 ½, participants may request a lump-sum distribution of their vested account balances prior to retirement.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants in the following Plan year.

Subsequent Events

Effective January 1, 2024, newly eligible participants are automatically enrolled in the Plan at a salary reduction rate of 3%. Participants may elect to change or stop the payroll deductions at any time.

The Plan has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are significant accounting policies used by the Plan:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor, custodian, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest and dividends reinvested in the pooled separate accounts were also reported in this category.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances, plus accrued by unpaid interest, if any. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees for individual transactions such as distributions are deducted from the respective participant's account. Investment related expenses, and revenue sharing fees or credits, are included in net appreciation or depreciation in fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Mutual funds – Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The Plan's investments reported at fair value consist solely of mutual funds which are valued as of December 31, 2023 using level one measurement.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The Plan's investments in pooled separate accounts were valued at the net asset value (NAV) of units of an insurance company pooled separate account. The NAV, as provided by the investment custodian, was used as a practical expedient to estimate fair value. The NAV was based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient was not used when it was determined to be probable that the Plan would sell the investment for an amount different than the reported NAV. The pooled separate accounts were liquidated on December 9, 2023 using NAV on the transaction date.

The following table summarizes the investments for which fair value was measured using the net asset value per share practical expedient as of December 31, 2022. There were no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

December 31, 2022				
	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Pooled separate accounts	\$ 4,101,387	None	Daily	0-90 days

The investments' objectives are to maximize total returns, achieve capital growth, and to maximize current income consistent with their comparatively low risk profile, and liquidity. The investments seek to achieve this objective by investment primarily in mutual funds with varying degrees of risk.

NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds a traditionally benefit-responsive investment contract (guaranteed investment contract) with Standard Insurance Company (Standard Insurance). The investment contract is reported at contract value. Contract value is the relevant measure for insurance contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of the insurance company traditional general account investment contract is \$491,895 at December 31, 2023.

NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (continued)

The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is established by the contract issuer and may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting. The contract permits the insurance company to terminate the agreement with 30 days advance written notice prior to the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Examples of such events include the following:

- 1) Amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan)
- 2) Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions
- 3) Bankruptcy of the Plan Sponsor or other Plan Sponsor events (i.e., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan
- 4) The failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA Act of 1974

Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. The guaranteed investment contract may be terminated by Plan management at any time with a written, 30 day notice. Standard Insurance may terminate the contract after sending a written, 30 day notice, with reasonable cause which may include any of the following circumstances:

- 1) Standard Insurance believes Plan management is not abiding by state and federal law
- 2) The Plan has not rendered performance necessary to comply with the terms of the contract
- 3) The balance of all investment funds has fallen below \$25,000
- 4) The Internal Revenue Service (IRS) disqualifies the Plan
- 5) If the Plan has not been adopted within a reasonable period of time

NOTE 5 – CERTIFIED INVESTMENTS

Certain information related to investments that is disclosed in the accompanying financial statements, including investments held at December 31, 2022, and net appreciation in fair value of investments for the period January 1, 2023 through December 8, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company U.S.A (Hancock), the custodian of the Plan.

NOTE 5 – CERTIFIED INVESTMENTS (continued)

Certain information related to investments that is disclosed in the accompanying financial statements and ERISA-required supplemental schedule on page 14, including investments held at December 31, 2023, and net appreciation in fair value of investments and interest on guaranteed investment contract for the period December 9, 2023 through December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (Reliance Trust) and Standard Insurance Company (Standard Insurance), the custodians of the Plan.

NOTE 6 – CHANGE IN SERVICE PROVIDERS

Effective December 9, 2023, the Plan Administrator elected to change the Plan's recordkeeper from Hancock to Standard Insurance and custodian from Hancock to Reliance Trust and Standard Insurance. All of the Plan's assets (approximately \$5,000,000) were liquidated and transferred to Reliance Trust and Standard Insurance and placed in participant-directed investments.

NOTE 7 – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments were units of participation in pooled separate accounts managed by Hancock, a Plan custodian. Therefore, transactions with Hancock and its affiliates qualify as party-in-interest transactions. Fees are paid by the Plan to these parties for administrative services. Additionally, these affiliates collect revenue sharing and contract charges from the Plan's investments to pay for administrative services.

Certain Plan investments are units of participation in a guaranteed investment contract managed by Standard Insurance, a Plan custodian. Standard Retirement, an affiliate of Standard Insurance, is a co-fiduciary of the Plan and contracts with Reliance Trust for custodial services. Therefore, transactions with Standard Insurance and its affiliates qualify as party-in-interest transactions. Fees are paid by the Plan to these parties for administrative services. Additionally, these affiliates collect revenue sharing from the Plan's investments to pay for administrative services.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

NOTE 9 – TAX STATUS

The Plan operates under provisions of a Pre-Approved Plan, which received an opinion letter from the IRS dated June 30, 2020, which stated that the Pre-Approved Plan, as then designed, was acceptable under the applicable sections of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

NOTE 9 – TAX STATUS (continued)

GAAP requires the Plan Administrator to evaluate the tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan allows participants to invest in investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with the investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.
