To the Plan Administrator and Trustees of

Orthopaedic & Neurosurgery Specialists, P.C.

We have audited the financial statements of Orthopaedic & Neurosurgery Specialists, P.C., (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the years ended December 31, 2023 and 2022 and we will issue our report thereon dated October 11, 2024. As permitted by ERISA Section 103(a)(3)(C), our audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audits. We have communicated such information in our letter to you dated February 1, 2024.

Professional standards also require that we provide you with certain information related to our audits. Part I of this letter relays this required information. Part II details our comments and recommendations, all of which have been discussed with appropriate members of management, that are intended to improve the internal control or result in other operating efficiencies. Part III details new auditing standards and law changes. We will be pleased to discuss this letter as well as the comments in further detail at your convenience, perform any additional study of these matters, or assist you in implementing the recommendations. We will review the status of these comments during our next audit engagement.

This letter does not affect our report on the above referenced financial statements of the Plan.

PART I COMMUNICATION OF INFORMATION AS REQUIRED BY PROFESSIONAL STANDARDS

A. Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The most sensitive estimates affecting the financial statements were:

Your estimate of the fair value of financial instruments is based upon the following:

Mutual funds and money market mutual funds: unadjusted quoted prices in active markets for identical assets.

Self-directed brokerage account: closing price quoted in the active market on which the individual securities are traded.

Cash and cash equivalents: Cash and cash equivalents have readily determinable fair values and are reported at fair value. All highly liquid instruments with a maturity date of 90 days or less when purchased are considered to be cash equivalents.

We evaluated the key factors and assumptions used to develop the fair value of financial instruments in determining that it is reasonable in relation to the financial statements taken as a whole.

There were no sensitive disclosures affecting the financial statements in the current year.

The financial statement disclosures are neutral, consistent, and clear.

B. Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audits.

C. Difficulties Encountered in Performing the Audits

We encountered no significant difficulties in performing and completing our audits.

D. Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audits, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

E. Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audits.

F. Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PART II COMMENTS AND RECOMMENDATIONS**A. Forfeiture Account**

During our audits, we noted that forfeited funds are not being utilized. The Department of Labor recommends that the account be reduced to a zero balance at least once per year. We recommend that the Company utilize available forfeitures to reduce future employer contributions or Plan fees, as permitted by the Plan document.

PART III NEW AUDITING STANDARDS AND LAW CHANGES FOR YOUR INFORMATION

A. The SECURE 2.0 Act of 2022

The SECURE Act 2.0 (Setting Every Community Up for Retirement Enhancement Act) ("Act 2.0") became law on December 29, 2022, and builds upon the SECURE Act of 2019. Plan amendments will be required for the Plan to be in compliance with the Act and must be made by December 31, 2025. However, the Plan must be operating in accordance with the effective date of each new provision provided by the Act, regardless of the date Plan amendments are adopted. Some of the key provisions currently impacting Plan are:

- Required minimum distributions age increase,
- Option for employer matching contributions on employee student loan payments,
- Withdrawals for certain emergency expenses without penalty, and
- Increased dollar threshold for mandatory distributions.

We recommend the Plan Sponsor work with the TPA to identify all related provisions, effective dates, Plan amendments required, and impact on Plan administration to ensure compliance with the Act.

This information is intended solely for the use of the Trustees and management of the Plan and is not intended to be and should not be used by anyone other than those specified parties.

We would like to thank all management and Plan officials for the cooperation and courtesy extended to us during our audits.

Very truly yours,

A handwritten signature in black ink, appearing to read "Wilkin & Guttenplan", with a stylized flourish at the end.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audits. We have communicated such information in our letter to you dated February 1, 2024.

Professional standards also require that we provide you with certain information related to our audits. Part I of this letter relays this required information. Part II details our comments and recommendations, all of which have been discussed with appropriate members of management, that are intended to improve the internal control or result in other operating efficiencies. Part III details new auditing standards and law changes. We will be pleased to discuss this letter as well as the comments in further detail at your convenience, perform any additional study of these matters, or assist you in implementing the recommendations. We will review the status of these comments during our next audit engagement.

This letter does not affect our report on the above referenced financial statements of the Plan.

PART I COMMUNICATION OF INFORMATION AS REQUIRED BY PROFESSIONAL STANDARDS

A. Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The most sensitive estimates affecting the financial statements were:

Your estimate of the fair value of financial instruments is based upon the following:

Mutual funds and money market mutual funds: unadjusted quoted prices in active markets for identical assets.

Self-directed brokerage account: closing price quoted in the active market on which the individual securities are traded.

Cash and cash equivalents: Cash and cash equivalents have readily determinable fair values and are reported at fair value. All highly liquid instruments with a maturity date of 90 days or less when purchased are considered to be cash equivalents.

We evaluated the key factors and assumptions used to develop the fair value of financial instruments in determining that it is reasonable in relation to the financial statements taken as a whole.

There were no sensitive disclosures affecting the financial statements in the current year.

The financial statement disclosures are neutral, consistent, and clear.

B. Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audits.

C. Difficulties Encountered in Performing the Audits

We encountered no significant difficulties in performing and completing our audits.

D. Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audits, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

E. Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audits.

F. Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PART II COMMENTS AND RECOMMENDATIONS**A. Forfeiture Account**

During our audits, we noted that forfeited funds are not being utilized. The Department of Labor recommends that the account be reduced to a zero balance at least once per year. We recommend that the Company utilize available forfeitures to reduce future employer contributions or Plan fees, as permitted by the Plan document.

PART III NEW AUDITING STANDARDS AND LAW CHANGES FOR YOUR INFORMATION

A. The SECURE 2.0 Act of 2022

The SECURE Act 2.0 (Setting Every Community Up for Retirement Enhancement Act) ("Act 2.0") became law on December 29, 2022, and builds upon the SECURE Act of 2019. Plan amendments will be required for the Plan to be in compliance with the Act and must be made by December 31, 2025. However, the Plan must be operating in accordance with the effective date of each new provision provided by the Act, regardless of the date Plan amendments are adopted. Some of the key provisions currently impacting Plan are:

- Required minimum distributions age increase,
- Option for employer matching contributions on employee student loan payments,
- Withdrawals for certain emergency expenses without penalty, and
- Increased dollar threshold for mandatory distributions.

We recommend the Plan Sponsor work with the TPA to identify all related provisions, effective dates, Plan amendments required, and impact on Plan administration to ensure compliance with the Act.

This information is intended solely for the use of the Trustees and management of the Plan and is not intended to be and should not be used by anyone other than those specified parties.

We would like to thank all management and Plan officials for the cooperation and courtesy extended to us during our audits.

Very truly yours,
