Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of AssuredPartners 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, Form 5500 Schedule H Line 4a - Schedule of Delinquent Participant Contributions, and Form 5500 Schedule H Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. **Summary Plan Description:**

The following description of the AssuredPartners 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was established on January 1, 1995, and covers all employees of AssuredPartners, Inc. (the “Company”). The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan was restated effective April 1, 2022, to comply with Internal Revenue Service (“IRS”) restatement requirements.

Effective May 1, 2023, Empower Trust Company, LLC became the custodian and third-party administrator of the Plan, succeeding Principal Trust Company, and the Plan transferred all assets of approximately \$773 million to Empower Trust Company, LLC. The Plan was restated effective May 1, 2023 upon change in custodian and in compliance with IRS restatement requirements.

Eligibility

An employee is eligible to participate in the Plan on the first entry date following the attainment of age 21 and the completion of one month of service, except union employees, nonresident aliens, interns, and residents of Puerto Rico facilities are excluded from participating. The Plan allows for entry into the Plan on the first day of each month. Eligible employees are automatically enrolled to contribute 6% of their compensation unless they opt out, with auto escalation of 1% occurring on each anniversary date up to a maximum of 10%.

The service requirement is waived for employees of a company acquired by the Company and employees are eligible to participate as of acquisition date providing all other eligibility requirements have been met.

Contributions

Each year participants may elect to contribute up to 90% of their annual compensation, as defined by the Plan up to the maximum allowable under the Internal Revenue Code (“IRC”). In addition, employees who have attained age 50 by the end of the Plan year may make catch-up contributions up to limits defined by the IRS. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company at its discretion may make an employer matching contribution and nonelective contribution on an annual basis. The employer matching contribution is limited to 6% of annual compensation. For the year ended December 31, 2023, the Company contributed 50% of the first 6% of annual compensation that a participant contributed to the Plan.

1. Summary Plan Description (Continued):

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of Company matching contributions, and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

The Plan permits every participant to direct their investments under the Plan. The Plan offers mutual funds, pooled separate accounts and common collective trusts as the primary investment options.

The Plan also allows participants to invest in the Self-Directed Brokerage Account. If elected, a participant-directed brokerage account allows a participant to direct the investment of the participant's contributions to the Plan into a full range of investment options, including publicly traded stocks and bonds, as well as over 800 mutual funds.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and must be repaid in level payments through payroll deductions over a five-year period, except for loans for the purchase of a principal residence which may be repaid over a reasonable period of time that may be longer than five years. The loans bear interest at the prime rate, as published by the Wall Street Journal, plus one percentage point.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon and rollover contributions. Participants' vesting percentage will be 100% once retirement age is reached, upon death, or upon the date a participant becomes totally disabled. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service.

Years of Service	Vesting Percentage
1 year	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

1. Summary Plan Description (Continued):

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum distribution or annual installments equal to the value of the participant's vested interest in his or her account, in accordance with Plan provisions. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan. In-service contributions are allowed by the Plan after attaining the age of 59 ½.

Account balances that are under \$5,000 may be automatically distributed upon termination of service as a lump sum without consent of the participant.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$302,731 and \$920,866, respectively. These forfeited non-vested accounts may be used to reduce employer contributions and to pay Plan expenses. During 2023, employer contributions were reduced by \$1,890,760, from forfeited non-vested accounts. Also, during 2023, Plan expenses of \$329, were paid from forfeited non-vested accounts.

Fees

Recordkeeping and other administrative services expenses are paid by the Plan and allocated to participant accounts. Plan expenses charged for transactions that are participant specific are deducted from the respective participant account. Participant forfeitures may be used to pay administrative expenses or reduce employer contributions.

Management fees and operating expenses charged to the Plan for investments in mutual funds and pooled separate accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

2. Summary of Accounting Policies:

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from those estimates.

2. Summary of Accounting Policies (Continued):

Investment Valuation and Income Recognition

The Plan's investments are presented at fair value. Shares of registered investment companies are presented at published market prices which represent the net asset value ("NAV") of shares held by the Plan at the reporting date. Non-registered pooled separate accounts managed by Principal Trust Company are valued daily based on the market value of the underlying assets in each separate account. The investment in a fully benefit-responsive contract is presented at contract value which is the aggregation of contributions, plus interest, less withdrawals, if any. Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Realized gains and losses on the sales of securities are reported on the average cost method.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans, if any, are reclassified as distributions to participants based upon the terms of the Plan document.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risk in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

3. Fair Value Measurements:

Financial Accounting Standards Board, Statement of Accounting Standards Codification Topic 820 (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

- Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

AssuredPartners 401(k) Plan
Notes to Financial Statements

3. Fair Value Measurements (Continued):

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Investments measured at fair value on a recurring basis are summarized as follows:

<i>December 31,</i>	Level	2023	2022
Mutual funds	1	\$ 20,495,885	\$ 60,541,490
Self-directed brokerage account	1	12,811,543	8,132,544
Pooled separate account	1	10,103,821	8,582,885
Total		43,411,249	77,256,919
Common collective trusts measured at NAV (a)		783,211,375	601,255,330
Total investments at fair value		<u>\$ 826,622,624</u>	<u>\$ 678,512,249</u>

(a) In accordance with ASC Subtopic 820-10, investments that were measured at net asset value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line-item Investments at fair value, in the Statement of Net Assets Available for Benefits.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Self-directed brokerage accounts: Self-directed brokerage accounts are comprised of interest-bearing cash, common stock, mutual funds, exchange-traded funds and unit investment trusts, all of which are valued at the closing price reported in the active market in which the securities are traded. Mutual funds are valued at the daily closing price as reported by the fund, which represents the NAV of shares held by the Plan. These funds are required to publish their daily NAV and to transact at that price and are deemed to be actively traded.

Pooled separate account: The pooled separate account invests in a single mutual fund. The value of the units held in the pooled separate account is based on the net asset value ("NAV") of the units, determined by the security prices of the underlying investments which is readily available to current investors. While the underlying security prices are quoted prices, the NAV of a separate account is not publicly quoted.

Common/collective trusts: Stated at fair value as determined by the issuers of the funds on the fair market value of the underlying investments, which is valued at net asset value (NAV) as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV. There are no participant redemption restrictions for these investments; the redemption notice period is applicable to only the Plan.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

AssuredPartners 401(k) Plan
Notes to Financial Statements

4. Fully Benefit Responsive Contract:

During 2023 and 2022, the Plan held an interest in the New York Life Anchor Account (the Anchor Account), a stable value fund that is a pooled account with New York Life Insurance Company (New York Life), made available to participating plans through a group annuity contract. New York Life is contractually obligated to repay the principal and a specified interest rate that is guaranteed to not be less than 0%.

The Anchor Account is a fully benefit-responsive investment contract and is reported at contract value. Benefit responsiveness is defined as the extent to which a contract's terms permit participant-initiated withdrawals at contract value. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. Generally, participants may direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan document (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

5. Information Certified by the Plan Trustee:

The investments included in the statements of net assets available for benefits as of December 31, 2023 and 2022, and the interest and net appreciation in fair value of investments included in the statement of changes in net assets available for benefits for the year ended December 31, 2023 have been certified as complete and accurate by Empower Trust Company, LLC ("Empower"), trustee of the Plan for the period May 1, 2023 through December 31, 2023, and by Principal Trust Company ("Principal"), trustee of the Plan prior to May 1, 2023.

<i>December 31,</i>	2023	2022
Mutual funds	\$ 20,495,885	\$ 60,541,490
Common collective trusts	783,211,375	601,255,330

6. Party-in-Interest Transactions:

Certain Plan investments were managed by Empower and Principal during 2023 therefore transactions with Empower and Principal have been identified as party-in-interest transactions. For Plan year 2023, the Plan paid fees for administrative expenses totaling \$507,335 to Empower and Principal. For Plan year 2023, participant transaction fees of \$99,040 were paid to Empower and Principal.

Included in the Plan assets are notes receivable from participants. At December 31, 2023 and 2022, notes receivable from participants amounted to \$10,035,918 and \$9,105,503, respectively. For the year ended December 31, 2023, interest income related to notes receivable from participants amounted to \$511,812. These transactions qualify as party-in-interest transactions permitted under provisions of ERISA.

7. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become 100 percent vested in their accounts.

8. Tax Status:

The Plan obtained a determination letter on November 14, 2022, in which the Internal Revenue Service stated that the Plan was designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and tax counsel believe the Plan is currently being operated in compliance with the applicable requirements of the Internal Revenue Service.

Management has evaluated the Plan's tax positions and concluded that the Plan has taken no uncertain tax positions that require recognition of liability (or asset) in the accompanying financial statements. With few exceptions, the Plan is no longer subject to income tax examination by the U.S. federal, state or local tax authorities for years before 2020.

9. Reconciliation of Financial Statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2023 and 2022:

<i>December 31,</i>	2023	2022
Net assets reflected on Form 5500	\$ 878,383,641	\$ 737,708,272

2022 employer receivable	(110,895)
2023 employer receivable	1,040,213
Net increase per the financial statements	<u>\$ 141,596,236</u>

10. Acquisitions:

As a result of certain Company acquisitions, the Plan received \$18,090,401 in rollover contributions during the year ended December 31, 2023. Also due to acquisitions, the Plan received \$30,165 and \$233,303 in loan transfers from other plans during the years ended December 31, 2023 and 2022, respectively.

11. Nonexempt Transactions:

During the Plan year ended December 31, 2023, employee deferrals of \$9,899 relating to the 2023 Plan year were not remitted to the Plan within the appropriate time frame specified by the Department of Labor, of which \$9,800 were corrected under the Voluntary Fiduciary Correction Program (VFCP) during the year ended December 31, 2023. During the Plan year ended December 31, 2023, employee deferrals of \$370 relating to the Plan year ended December 31, 2022, were identified as being not remitted to the Plan within the appropriate time frame specified by the Department of Labor and were corrected under the VFCP during 2023. During the Plan year ended December 31, 2021, employee deferrals of \$114 were not remitted to the Plan within the appropriate time frame specified by the Department of Labor and were corrected under the VFCP during 2023. Late remittances constitute prohibited transactions as defined by ERISA and are included in the accompanying supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions.

12. Subsequent Events:

The Securing a Strong Retirement Act (“SECURE 2.0 Act”) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2023 and later. The Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly.

Management has evaluated subsequent events through October 15, 2024, the date the financial statements were available to be filed, and has determined, except as disclosed above, that there were no material events requiring recognition or disclosure.
