Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of National Bulk Equipment, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of National Bulk Equipment, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Nationwide Financial Service, Inc., as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of National Bulk Equipment, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence

we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about National Bulk Equipment, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of National Bulk Equipment, Inc. 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about National Bulk Equipment, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes at December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NATIONAL BULK EQUIPMENT, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2023

DESCRIPTION OF PLAN

The following description of the National Bulk Equipment, Inc. ("Company") 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL - The Plan is a defined contribution plan covering all eligible employees of the Company. Employees are eligible to make elective deferral contributions and receive employer contributions on the first day of the calendar month, next following the date the employee becomes age 18 and completes three months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS - Each year, participants may contribute pre-tax annual compensation, as defined in the Plan. Participants may also make after-tax Roth contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make matching contributions and/or discretionary profit sharing contributions. The Company made matching contributions of 25% of participant contributions during the year ended December 31, 2023. Contributions are subject to certain limitations.

PARTICIPANT ACCOUNTS - Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution, (b) Plan earnings, and (c) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested in the fifth year of service.

PAYMENT OF BENEFITS - On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

INVESTMENT OPTIONS - The Plan provides that all contributions to the Plan will be invested in certain individual funds as directed by each participant. Participants may change their investment options at any time. The Plan currently offers 37 mutual funds as investment options for participants.

PAYMENT OF EXPENSES - Administrative expenses of the Plan are deducted from investment income of the Plan. Administrative expenses were \$97,323 for the year ended December 31, 2023.

PARTICIPANT NOTES RECEIVABLE - Active employees may apply for loans from the Plan. Loans will only be made to persons who the Plan Administrator determines have the ability to repay the loan. The minimum amount of the loan is \$1,000 and the maximum amount of the loan is the lesser of 1) \$50,000 minus the highest outstanding balances of loans in the past 12 months, or 2) one-half the present value of the Participant's Account Balance. Loans must be repaid over a period not extending beyond five years from the date of the loan, unless such loan is used to acquire a principal residence. The maximum loan term for a principal residence is 15 years. Principal and interest is paid ratably through weekly payroll deductions.

SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING - The financial statements of the Plan have been prepared in conformity with generally accepted accounting principles, using the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under terms of the plan. At December 31, 2022 and 2021, the Plan had no fully benefit-responsive investment contracts.

ESTIMATES - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION – Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investment bought and sold as well as held during the year.

FORFEITED ACCOUNTS - At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$3,870 and \$742, respectively. These accounts will be used to reduce future administrative expenses.

PAYMENT OF BENEFITS – Benefits are recorded when paid.

FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

All investments are stated at market value using Level 1 inputs. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Investment income includes unrealized gains and losses

RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Nationwide Financial Services, Inc. Nationwide Financial Services, Inc. is the trustee of the Plan and, therefore, these transactions qualify as part-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$36,621 for the year ended December 31, 2023.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

TAX STATUS

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA, with Rehmann Financial Group LLC as the Pre-Approved Plan Provider. The Non-Standardized Pre-Approved Profit Sharing Plan's most recent determination letter is dated June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

Effective January 1, 2022, the National Bulk Equipment, Inc. 401(k) Profit Sharing Plan was restated to comply with the Internal Revenue Service's mandatory "third cycle" restatement requirement.

The Plan administrator and the Plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to terminate the plan subject to the provisions set forth in ERISA. In the event of Plan termination, participant accounts will be 100% vested and nonforfeitable.

TRUSTEE CERTIFIED INFORMATION

The December 31, 2023 and 2022 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974.

The Plan's trustee has certified the following investment information:

	December 31, 2023	December 31, 2022
Assets		
Investments and notes receivable	\$ 10,781,087	\$ 8,802,690
Additions To and Deductions From Net Assets:		
Investment income (loss)	1,639,617	(1,914,320)
Benefits paid to participants	808,358	588,651
Administrative expenses	97,323	95,102

RISKS AND UNCERTAINTIES

The Plan invests in publicly traded securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

SUBSEQUENT EVENTS

Subsequent events were evaluated through October 15, 2024, which is the date the financial statements were available to be issued.
