INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
BOUDREAU PIPELINE CORPORATION 401(k) PLAN
Corona, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Boudreau Pipeline Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Boudreau Pipeline Corporation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boudreau Pipeline Corporation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boudreau Pipeline Corporation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boudreau Pipeline Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boudreau Pipeline Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The following description of the Boudreau Pipeline Corporation 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

Eligibility and Coverage – The Plan was established on January 1, 2006 and was amended and restated as of January 2022. The Plan is a defined 401(k) profit sharing plan covering all eligible employees of Boudreau Pipeline Corporation (the “Company” and “Plan Sponsor”) at the date of hire. Participants may begin deferring a portion of their compensation into the Plan on the first day of the satisfaction of eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(a) of the Internal Revenue Code (IRC). The Administration Committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions – Participants – Participants can contribute up to 100% of their eligible salaries, in 2023, not to exceed \$22,500. Participants ages 50 or older may elect to defer additional amounts (called “catch-up” contributions) to the Plan. The maximum catch-up contribution that could be made in 2023 was \$7,500. The additional amount can be deferred regardless of any other limitations on the amounts that can be contributed to the Plan. Participants also have the option to make elective after-tax contributions to a Roth 401(k). Total Roth contributions for the year ended December 31, 2023 was approximately \$44,000. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“rollover”).

Employer – The Plan Sponsor has elected to provide a safe harbor contribution to each participant who has a deferral election on file. Participants will receive an allocation based upon eligible compensation as defined in the Plan agreement.

The Company permits participants to contribute to a Roth 401(k). Roth 401(k) contributions are not tax deductible for the participants. The Roth 401(k) has the same provisions for maximum deferral amount and employer match as mentioned above.

All contributions made on a participant’s behalf are deposited in the trust and allocated among the investment funds in accordance with the participant’s investment elections. A participant may elect to transfer investments from any investment fund to any other investment fund on a daily basis.

Participant Accounts – Each participant’s account is credited with the participant’s contributions and allocations of the Plan Sponsor’s contributions and plan earnings (losses), and is charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – Participants are immediately vested in Plan Sponsor safe harbor contributions and their elective contributions and related investment activity thereon. Participants vest in discretionary Plan Sponsor profit sharing contributions in annual ratable installments of 20% after the second year of service. Participants are fully vested upon attaining normal retirement age of 65.

Notes to the Financial Statements
December 31, 2023 and 2022

Note 1 – Plan Description and Basis of Presentation (Continued)

Forfeitures – If a participant terminates prior to vesting 100% in the employer contributions, the forfeited balance will be used to reduce administrative expenses and future employer contributions. In 2023, employer contributions and administrative expenses were reduced by \$4,178. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$2,882 and \$4,178 respectively.

Payment of Benefits – The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, disability, death, financial hardship, or termination of employment. In-service distributions are also available to those participants who are disabled or are age 59½ or older. Participants who qualify for retirement benefits and withdrawals will receive their benefits as a lump sum in cash, installment payments, or partial withdrawals. The benefit to which a participant is entitled is the benefit that can be provided solely from the participant's vested account balance. Participants who separate from service and have vested account balances of \$5,000 or less are subject to an administrative lump sum distribution.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan repayment terms shall be no greater than five years except when loan proceeds are used for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at variable rates. At December 31, 2023, all outstanding loans had an interest rate ranging from 4.25% to 9.50%. Principal and interest are paid over the term of the loan through payroll deductions.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting under accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are stated at fair value as determined by John Hancock Life Insurance Company (U.S.A.). The carrying value of interest bearing money market accounts equal their fair value. Increases or decreases in fair value are recognized currently. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians.

Notes to the Financial Statements
December 31, 2023 and 2022

Note 2 – Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition (Continued) – Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits – Benefits are recorded when paid.

Risk and Uncertainties – The Plan provides for various investment securities. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these securities and the level of uncertainty related to changes in value, it is at least reasonably possible that changes in the various risk factors in the near term would materially affect participants' account balances and the amounts reported in the accompanying financial statements.

Note 3 – Custodian Certification

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.) (the custodian of the Plan).

Note 4 – Fair Value Measurements

The accounting standards regarding fair value measurements define fair value, establish a framework for measuring fair value, and provide for enhanced disclosures about fair value measurements. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

BOUDREAU PIPELINE CORPORATION 401(k) PLAN

Notes to the Financial Statements
December 31, 2023 and 2022

Note 4 – Fair Value Measurements (Continued)

The standard describes three levels of inputs that may be used to measure fair value:

Level 1 Valuation is based upon quoted prices in active markets for identical securities.

Level 2 Valuation is based upon other observable inputs (including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, etc.).

Level 3 Valuation is based upon unobservable inputs significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts

These investments are privately managed accounts valued using the net asset value ("NAV") provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. As the investments can be redeemed at NAV as of the measurement date, the administrator of the fund believes the investments have a "Readily Determinable Fair Value".

Pooled Separate Accounts - Collective Investment Trusts

These investments invest in collective trust funds as well as a variety of pooled separate accounts and mutual funds. The fair value of all these investments are used in determining the net asset value ("NAV"), which is not publicly quoted but is available to current investors. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. As the investments can be redeemed at NAV as of the measurement date, the administrator of the fund believes the investments have a "Readily Determinable Fair Value".

Below are the Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels established in current accounting standards.

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total

Note 5 – Related Party Transactions

Certain Plan investments are shares of pooled separate accounts managed by John Hancock Life Insurance Company (U.S.A.). John Hancock Life Insurance Company (U.S.A.) is the custodian as defined by the Plan. Fees are also incurred by the Plan for investment management and administrative services. These transactions qualify as party-in-interest transactions. Fees paid by the Plan to the custodian for administrative expenses and other fees related to the Plan's operations totaled approximately \$86,000 for the year ended December 31, 2023.

Transactions involving participant loans also qualify as party-in-interest transactions.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants' rights to their accrued benefits are non-forfeitable.

Note 7 – Income Tax Status

The Plan has adopted the provisions of a volume submitter 401(k) Plan. The Plan obtained its latest opinion letter from the Internal Revenue Service dated June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2023.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Subsequent Events

The Plan Sponsor has evaluated subsequent events through October 14, 2024, the date which the financial statements were available to be issued. Management's evaluation of subsequent events has determined that there were no events that require additional disclosures.
