INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Social Current Retirement Plan
Washington, D.C.

Opinion

We have audited the accompanying financial statements of Social Current Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the change in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SOCIAL CURRENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following description of Social Current Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document and related Summary Plan Description for more complete information.

Plan merger -

The Plan was formed on January 1, 2022, as a result of the merger of Council on Accreditation Retirement Plan (COA Plan) and Employee Benefit Plan of Alliance for Strong Families and Communities, Inc. (ASFC Plan). COA Plan's net assets available for benefits totaled \$7,823,811 as of December 31, 2021. ASFC Plan's net assets available for benefits totaled \$7,569,707 as of December 31, 2021. Therefore, the Plan's net assets available for benefits totaled \$15,393,518 as of January 1, 2022, which is the effective date of the merger.

Plan sponsor -

Social Current, Inc. (the Plan Sponsor) was formed on April 1, 2022, as a result of the merger of Council on Accreditation for Children and Family Services, Inc. (COA), a New York corporation, with and into Alliance for Strong Families and Communities, Inc. (ASFC), a Delaware corporation.

General -

The Plan is subject to the provisions of the Employee Retirement Income Security Act. The Plan's custodian is T. Rowe Price (TRP), which was also the custodian for COA Plan. Mutual of America Life Insurance Company (MOA) was the trustee for ASFC Plan. Participants in the ASFC Plan were timely notified of the Plan merger and were provided the opportunity to withdraw their account balances or rollover their account balances to another qualified plan. As a result, the assets transferred from MOA to TRP totaled \$5,508,947 on March 4, 2022.

Future Plan amendments -

The Secure 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, which become effective in 2023 and beyond. Plan management is evaluating the impact of this legislation on the Plan.

Eligibility -

In accordance with the Plan document, an eligible employee may make elective deferrals into the Plan and participate in the employer safe harbor matching contribution upon their date of hire and when they have attained age 18.

Contributions -

The Plan requires automatic pre-tax deferrals equal to 3% of participant compensation unless participants choose to opt-out. The Plan has no automatic escalation provision. Participants may also make additional voluntary pre-tax contributions and Roth contributions to the Plan. For participants who are 50 and older, the Plan allows for catch up contributions. All contributions are subject to certain limitations as described by the Internal Revenue Code.

The Plan Sponsor makes a safe harbor matching contribution equal to 4% of eligible compensation. The Plan Sponsor may also make discretionary nonelective contributions, which are determined annually. There were no discretionary nonelective contributions for the years ended December 31, 2023 and 2022.

SOCIAL CURRENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN (Continued)

Vesting -

Participants are fully vested in their elective deferral contributions, rollover contributions, and employer contributions, plus actual earnings thereon.

Participant accounts -

Each participant's account is credited with (a) the employee's contributions, (b) investment earnings and losses, and (c) the employer's contributions. Participants accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations of investment earnings and losses, and administrative expenses, are based on account balances, or specific participant transactions, as defined in the Plan document.

Investment elections -

Contributions to the Plan are invested according to participant instructions. The Plan Sponsor has selected a list of investment options and has provided participants with information describing these investment options.

Payment of benefits -

Benefits provided by the Plan are paid from net assets available for benefits. The benefit to which a Plan participant is entitled is the benefit that can be provided by the contributions and net earnings thereon allocated to such participant's account. Benefit payments are made in the form of participant directed lump sum, installment, or annuity payments upon separation, retirement, total and permanent disability, or death, as applicable. Benefits are recorded when paid whether directly to or on behalf of a participant.

If the total value of a participant's account balance is less than \$5,000 upon termination, the Plan's provisions require a distribution to the participant regardless of whether or not the participant consents to the distribution. If the total value of a participant's account balance is greater than \$5,000 upon termination, the participant must provide consent for a rollover to another qualified plan or an Individual Retirement Account.

Hardship distributions to employees are permitted if certain conditions are met.

The Plan also provides for minimum required distributions per IRS regulations by April 1 of the calendar year following the later of the calendar year in which the participant reaches age 73 or the calendar year the participant retires. In addition, participants may elect in-service withdrawals of their vested account balances after reaching age 59½.

Notes receivable from participants -

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Principal and interest is paid ratably through payroll deductions. Note terms are up to five years, except for notes to fund the purchase of a principal residence, for which the note may be repaid over a reasonable period that may exceed five years. All notes receivable from participants are secured by the balance in the participant's account. Interest rates on loans to participants range from 4.25% to 9.20% with various maturities through July 1, 2028.

Plan termination -

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

SOCIAL CURRENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting -

The financial statements are prepared on the accrual basis of accounting and in accordance with FASB ASC 962, *Plan Accounting Defined Contribution Pension Plans*.

Use of estimates -

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair value measurement -

The Plan applies the provisions of FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the quality of inputs (assumptions that market participants would use in pricing assets and liabilities, including assumptions about risk) used to measure fair value, and enhances disclosure requirements for fair value measurements. The Plan accounts for a significant portion of its financial instruments at fair value or considers fair value in their measurement.

Valuation of investments -

Investments are stated at their fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for details related to investments and fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's net losses on investments bought and sold as well as held during the year.

Notes receivable from participants -

Notes receivable from participants are measured at their unpaid principal balance, plus accrued interest. Delinquent loans are treated as distributions based upon the terms of the Plan document. Delinquent loans are loans for which any scheduled repayment remains unpaid at the end of the period specified in the loan documents and any loans for which there is an outstanding principal balance existing after the last scheduled repayment date.

Benefit payments -

Benefits are recorded when paid.

Administrative fees -

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and some are paid by the Plan, which are included in these financial statements. Investment-related expenses are included as a reduction in the net depreciation of fair value of investments presented in the accompanying Statement of Change in Net Assets Available for Benefits. Expenses that are paid by the Plan Sponsor are excluded from these financial statements.

SOCIAL CURRENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

3. INCOME TAX STATUS

The Plan has a volume submitter opinion letter dated June 30, 2020, in which the Internal Revenue Service (the IRS) indicated that the prototype Plan document, as then designed, was in compliance with the applicable requirements of the IRC and was qualified and tax-exempt.

As described in Note 1, the Plan merger was effective on January 1, 2022, when the Plan adopted its most recent Plan amendment. Management of the Plan, in consultation with its legal counsel, believes that the Plan continues to meet the requirements of Section 401 of the IRC. Therefore, the Plan Administrator believes that the Plan was qualified and tax-exempt as of December 31, 2023 and 2022.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's administrative fees include costs related to fees paid to custodians, investment advisors, and third party administrators. Administrative fees totaled \$45,056 and \$46,147 for the years ended December 31, 2023 and 2022, respectively. Accordingly, these transactions are considered party-in-interest transactions.

5. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which are exposed to various risks such as interest rates, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

6. INVESTMENTS AND FAIR VALUE MEASUREMENTS

In accordance with FASB ASC 820, *Fair Value Measurement*, the Plan has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

6. INVESTMENTS AND FAIR VALUE MEASUREMENTS (Continued)

Investments recorded in the Statements of Net Assets Available for Benefits are categorized based on the inputs to valuation techniques as follows:

Level 1. These are investments where values are based on unadjusted quoted prices for identical assets in an active market the Plan has the ability to access.

Level 2. These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full-term of the investments.

Level 3. These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodology used for investments measured at fair value.

Registered Investment Companies - Valued at the daily closing price as reported by the fund. Registered investment companies (mutual funds) held by the Plan are open-end mutual funds that are registered with the SEC. The mutual funds are required to publish their daily value and to transact at that price and are deemed to be actively traded.

The table below summarizes the Plan's investments, which are measured on a recurring basis by level within the fair value hierarchy, as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments, at fair value				
Registered Investment Companies	<u>\$ 12,520,488</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,520,488</u>

The table below summarizes the Plan's investments, which are measured on a recurring basis by level within the fair value hierarchy, as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments, at Fair Value				
Registered Investment Companies	<u>\$ 10,622,611</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,622,611</u>

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciling items between the Plan's Form 5500 and the Plan's financial statements as of and for the year ended December 31, 2023. Furthermore, there were no reconciling items between the Plan's Form 5500 and the Plan's Statement of Net Assets Available for Benefits as of December 31, 2022.

However, because the pre-merger ASFC Plan did not file a final Form 5500 for the year ended December 31, 2021, the activity reported in the MOA trust reports for the period from January 1, 2022 through March 4, 2022, was included in a final Form 5500 for ASFC Plan rather than being included in the Plan's 2022 Form 5500. As a result, the reconciling items summarized below relate entirely to the MOA activity, which has been included in the Plan's 2022 financial statements, that was reported on ASFC Plan's final Form 5500 for the period ended March 4, 2022.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (Continued)

The following is a reconciliation of the Plan's change in net assets available for benefits per the financial statements to the Plan's Form 5500 for the year ended December 31, 2022:

Net decrease in net assets available for benefits per the financial statements	\$ (4,675,245)
Net depreciation in fair value of investments	325,046
Benefits paid to participants	1,735,566
Administrative expenses	<u>148</u>
CHANGE IN NET ASSETS AVAILABLE FOR BENEFITS PER THE FORM 5500	<u>\$ (2,614,485)</u>

8. COMPLIANCE MATTERS

ASFC Plan's final Form 5500 related to the period from January 1, 2022 through March 4, 2022, was not timely filed. Management participated in the Department of Labor's Delinquent Filer Voluntary Compliance (DFVC) program. When the final Form 5500 was filed, management used the online calculator provided by the DFVC program to determine the penalty that should be paid for nonfiling. ASFC Plan's Form 5500 for the period ended March 4, 2022, was filed along with the Plan's audited financial statements on May 23, 2024.

The Plan's Form 5500 related to the year ended December 31, 2022, was filed on the extended due date of October 16, 2023. However, the Plan's Form 5500 was originally filed without including the Plan's audited financial statements. Therefore, management amended the Plan's Form 5500 and attached the audited financial statements. The Plan's amended Form 5500 for the year ended December 31, 2022, was filed along with the Plan's audited financial statements on May 14, 2024.

9. SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 15, 2024, the date the financial statements were issued.
