INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
The Tri-State Community Health Center Tax Sheltered Savings Plan
Hancock, MD

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Tri-State Community Health Center Tax Sheltered Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Tri-State Community Health Center Tax Sheltered Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Nationwide Trust Company, FSB, a division of Nationwide bank, a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of Tri-State Community Health Center Tax Sheltered Savings Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Tri-State Community Health Center Tax Sheltered Savings Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 12 to the financial statements, the Tri-State Community Health Center Tax Sheltered Savings Plan has excluded from investments in the accompanying statements of net assets available for plan benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for plan benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tri-State Community Health Center Tax Sheltered Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Tri-State Community Health Center Tax Sheltered Savings Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Tri-State Community Health Center Tax Sheltered Savings Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV, line 4i – Schedule of Assets (Held at Year End) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

TRI-STATE COMMUNITY HEALTH CENTER TAX SHELTERED SAVINGS PLAN

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value includes the Plan's gains and (losses) on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the Company matching and non-elective contributions are recorded in the year in which the employee contributions are withheld from compensation and on compensation paid during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid.

TRI-STATE COMMUNITY HEALTH CENTER TAX SHELTERED SAVINGS PLAN

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid directly to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

NOTE 2 DESCRIPTION OF PLAN

The following description of the Tri-State Community Health Center Tax Sheltered Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan covering all eligible employees of Tri-State Community Health Center (the Company). Employees are eligible to participate once they satisfy the Plan's eligibility conditions described in the Plan's agreement and are not an excluded employee. Employees become eligible to participate in the Plan and receive employer contributions on their date of hire. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

Asset Custodians

Assets of the Plan held by Nationwide Trust Company, FSB, a division of Nationwide bank totaled \$8,751,907 and \$7,102,311, respectively, as of December 31, 2023 and 2022. Assets held by American Century Investments totaled \$0 and \$845,864, respectively, as of December 31, 2023 and 2022. Investments held at American Century Investments were not covered by a certification.

Contributions

Participants may elect to defer the lesser of 100 percent of their annual compensation or the amount allowed by law on a pre-tax or after-tax basis. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. Each year, the Company may contribute a non-elective and/or matching contribution equal to a percentage of the employee compensation. For 2023, the Company contributed a 4 percent non-elective contribution for all active participants and an additional matching contribution of 25 percent of the first 4 percent of the participant's elective salary deferral. The employer makes bi-weekly contributions as the year progresses. The contributions are subject to certain IRS limitations.

TRI-STATE COMMUNITY HEALTH CENTER TAX SHELTERED SAVINGS PLAN

Notes to Financial Statements

NOTE 2 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and Company contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and non-elective contribution portion of their accounts is based on years of continuous service. Participants become vested in the Company matching and non-elective contributions as follows:

Years of Service	Vested Interest
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Participants automatically become fully vested upon reaching normal retirement age (65 years old), or in the event of disability or death.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 1 percent above the prime rate, as defined. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payments of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the vested balance of his or her account, or annual installments over a specified period of time not to exceed a participant's life expectancy or the joint life expectancy of the participant and the participant's designated beneficiary. Distributions of vested balances of less than \$5,000 but greater than \$1,000 that meet the provisions for a mandatory distribution will be paid as a direct rollover into an individual retirement account designated by the Plan Administrator if the participant does not elect the distribution method. Distributions of a vested account balance less than \$1,000 that meet the provisions for a mandatory distribution will automatically be paid directly to the participant if the participant does not elect the distribution method. In addition, hardship and in-service distributions are permitted if certain criteria are met.

NOTE 3 INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The financial statements as of December 31, 2023 and 2022, and for the year ended December 31, 2023, were prepared from information provided by Nationwide Trust Company, FSB and American Century Investments. Following is a summary of the unaudited information included in the Plan's financial statements and supplemental schedule that was prepared by Nationwide Trust Company, FSB, the asset custodian of the Plan and furnished to the Plan Administrator.

	2023	2022
Investments, at Fair Value	<u>\$ 8,751,907</u>	<u>\$ 7,102,311</u>
Net Appreciation in Fair Value of Investments (including realized gains and losses)	<u>\$ 1,058,808</u>	
Interest	<u>\$ 204</u>	
Dividends	<u>\$ 207,057</u>	
Interest on Notes Receivable from Participants	<u>\$ 10,790</u>	

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

TRI-STATE COMMUNITY HEALTH CENTER TAX SHELTERED SAVINGS PLAN

Notes to Financial Statements

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Money Market Fund and Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

NOTE 5 RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Nationwide Trust Company, FSB and American Century Investments. Nationwide Trust Company, FSB and American Century Investments are custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan made a direct payment to the third-party administrator (CBIZ Retirement Plan Services) of \$27,873, a direct payment to the custodian (Nationwide Trust Company, FSB) of \$66,445, and a direct payment to the investment advisor (Wilshire) of \$1,378. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7 TAX STATUS OF THE PLAN

The Plan adopted the FIS Business Systems LLC Volume Submitter 403(b) Plan as the base for the Tri-State Community Health Center Tax Sheltered Savings Plan. An IRS opinion letter dated March 31, 2017, has been obtained for this prototype plan as it was restated to incorporate technical changes in pension law provisions to remain in compliance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the government authority. The Plan is subject to routine audits by taxing jurisdictions, generally for a period of three years after the returns are filed; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 12 BEGINNING PARTICIPANT BALANCES

The Tri-State Community Health Center Tax Sheltered Savings Plan was originally effective on January 1, 1996. As of January 1, 2009, there were significant participant balances that originated years ago that could not be effectively tested due to the fact that the current Plan administrator did not have sufficient accounting records and supporting documents related to beginning participant balances, annuity contracts and custodial accounts. The Plan Administrator has concluded that all contracts that they have knowledge of have been reported in the accompanying financial statements. However, the Plan administrator was unable to provide the auditor with the information necessary to apply auditing procedures sufficiently to determine that all contracts which existed at January 1, 2009 are included in the financial statements.
