INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrators of
CTCI America, Inc. 401(k)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of CTCI America, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of CTCI America, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CTCI America, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CTCI America, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CTCI America, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Supplemental Schedules Required by ERISA

The supplemental schedules of CTCI America, Inc. 401(k) Plan for the plan year of 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The 2022 financial statements of CTCI America, Inc. 401(k) Plan were audited by us. The report dated October 15, 2023, indicated that based on the audit procedures performed (a) the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and (b) the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CTCI AMERICA, INC. 401(k) PLAN

Notes to Financial Statements

December 31, 2023

1. Description of Plan

The following description of the CTCI America, Inc. 401(k) Plan is provided for general information purposes only. Participants should refer to the plan agreement and its amendments for a more complete description of the Plan's provisions.

General

The CTCI America, Inc. 401(k) Plan (the "Plan") is a defined contribution plan covering all full-time employees of CTCI America, Inc. (the "Company" or "Employer") and participating employees are eligible for contribution from day one of service and are aged 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's 401(k) Committee and individually named trustees are responsible for oversight of the Plan and determining the appropriateness of the Plan's investment offerings and monitor investment performance.

The President and Business Office Manager of CTCI America, Inc. are the Plan Administrators and responsible for all Plan matters including, but not limited to, eligibility, rights to benefits, and interpreting Plan documents.

Eligibility

Under the terms of the Plan, covering all full-time employees of CTCI America, Inc. (The "Company" or "Employer") and participating employees are aged 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's 401(k) Committee and individually named trustees are responsible for oversight of the Plan and determining the appropriateness of the Plan's investment offerings and monitor investment performance.

Participant Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code (IRC) (\$22,500 for 2023).

Participants may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions (\$7,500 for 2023). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

1. Description of Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's safe harbor matching contribution, as well as allocations of the Plan's earnings. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Employer Contributions

Annually, the Company contributes a safe harbor matching contribution equal to 100% of the first 4% of base compensation that a participant contributes to the Plan. During the year ended December 31, 2023, the Company made a \$790,418 safe harbor matching contribution to the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Vesting

Participants are vested immediately in their contributions and the Company's safe harbor matching contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate between 5.25-10.50%, depending on the date the loan was granted, at December 31, 2023 and 2022. Principal and interest are paid ratably through weekly payroll deductions. Terms range from one to five years or greater for the purchase of primary residence. The notes receivable balances total \$138,120 and \$71,957 as of December 31, 2023 and December 31, 2022, respectively. No loans are in default as of December 31, 2023.

1. Description of Plan (continued)

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive a lump-sum distribution amount equal to the value of the participant's vested interest in his or her account. For termination of services due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may make unrestricted withdrawals of their employee contributions on or after age 59 ½. At the age of 72, a participant is required to receive the minimum required distributions from their account annually. Participants are able to make withdrawals from employee contributions and vested employer contributions for financial hardship and qualifying emergencies, within guidelines established by the IRS regulations.

Forfeitures

On December 31, 2023, and 2022, forfeited nonvested accounts totaled \$0 and \$0, respectively. These amounts are reported as a component of net assets available for benefits. These accounts will be used to reduce company contributions or offset Plan expenses. In 2023, no forfeited account balances were utilized.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

CTCI AMERICA, INC. 401(k) PLAN
Notes to Financial Statements (continued)
December 31, 2023

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the Plan's fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income is recorded on an accrual basis. Delinquent notes receivable from participants are reclassified as distributions based upon terms of the plan document or note policy of the Plan. Notes receivables are valued at amortized cost, which approximates fair value. No allowance for credit losses has been recorded as of December 31, 2023, and 2022.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants or benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in the net appreciation (depreciation) of fair value of investments.

CTCI AMERICA, INC. 401(k) PLAN
Notes to Financial Statements (continued)
December 31, 2023

2. Summary of Significant Accounting Policies (continued)

Administrative Expenses (continued)

Investment related expenses and fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Administrative expenses amounted to \$16,707 for the year ended December 31, 2023, and were paid from Plan assets.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodology used for assets measured at fair value; there have been no changes in the methodology used on December 31, 2023, and 2022.

CTCI AMERICA, INC. 401(k) PLAN
Notes to Financial Statements (continued)
December 31, 2023

3. Fair Value Measurement (continued)

Mutual Funds

Mutual funds of registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at cost of \$1 per unit, which represents the quoted net asset value of shares held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023, and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 6,292,173	\$ -	\$ -	\$ 6,292,173
Money Market Funds	264,086	-	-	264,086
Total Investment at Fair Value	<u>\$ 6,556,259</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,556,259</u>

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 4,444,510	\$ -	\$ -	\$ 4,444,510

4. Administration of Plan Assets

The Plan's assets are administered under a contract with Ascensus Trust Company, the trustee of the Plan. The trustee invests funds received from contributions, investment sales, interest and dividend income and makes distribution payments to participants.

CTCI AMERICA, INC. 401(k) PLAN
Notes to Financial Statements (continued)
December 31, 2023

4. Administration of Plan Assets (continued)

The contract does not have a maturity date. However, the issuer may terminate the contract without the application of any otherwise required market value adjustment or contract surrender charge. The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Example of such events include the following: (1) the Plan's failure to qualify under Section 401(a) of the Code, or the failure of the trust to be tax-exempt under Section 501(a) of the Code; (2) premature termination of the contracts; (3) Plan termination or merger; (4) bankruptcy of the plan sponsor or other plan sponsor events that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

5. Information Certified by the Plan Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform auditing procedures with respect to the information certified by the Custodian at December 31, 2023 and 2022 and for the year ended December 31, 2023, except for comparing the information certified by the Custodian to information included in the Plan's financial statements and supplemental schedule. The information certified by the Custodian at December 31, 2023 and 2022 is summarized as follows:

- Investments at fair value and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022 and the supplemental schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2023.
- Net appreciation in the fair value of investments and interest and dividend income from investments reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

5. Information Certified by the Plan Custodian (continued)

- a. Interest income on notes receivable from participants reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

6. Related Party and Party in Interest Transactions

The Plan issues notes to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

7. Plan Termination

Although it has not expressed intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. Tax Status

Effective October 15, 2021, the Plan adopted a non-standardized pre-approved profit-sharing plan offered by Ascensus. The pre-approved plan received an opinion letter dated June 30, 2020, that the Plan, and related trust are designed in accordance with the applicable sections of the IRC. Prior to October 15, 2021, the Plan had adopted a prototype standardized profit-sharing plan offered by Ascensus which had received an opinion letter dated June 30, 2020, that the Plan, and related trust are designed in accordance with the applicable sections of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements (continued)

9. Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2023 and December 31, 2022:

	<u>2023</u>	<u>2022</u>

11. Change in Plan Administrators

During the plan year, a significant change occurred regarding the administration of the benefit plan. Effective November 13, 2023, the administration of the plan transitioned from Ascensus to Voya Financial. The change in plan administrators was initiated to enhance the service of the account and provide a more comprehensive set of investment options to employees. The transition was planned to ensure minimal disruption to participants and to maintain the integrity of plan operations. There was a black-out period from December 19, 2023, to February 1, 2024, during which no contributions or withdrawals were able to be effected with the new administrator.

11. Subsequent Events

The Plan has evaluated subsequent events through October 15, 2024, the date the financial statements were available to be issued, and no events have occurred that require recognition or disclosure in the accompanying financial statements.

INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrators of
CTCI America, Inc. 401(k)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of CTCI America, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of CTCI America, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CTCI America, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CTCI America, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CTCI America, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Supplemental Schedules Required by ERISA

The supplemental schedules of CTCI America, Inc. 401(k) Plan for the plan year of 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The 2022 financial statements of CTCI America, Inc. 401(k) Plan were audited by us. The report dated October 15, 2023, indicated that based on the audit procedures performed (a) the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and (b) the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CTCI AMERICA, INC. 401(k) PLAN

Notes to Financial Statements

December 31, 2023

1. Description of Plan

The following description of the CTCI America, Inc. 401(k) Plan is provided for general information purposes only. Participants should refer to the plan agreement and its amendments for a more complete description of the Plan's provisions.

General

The CTCI America, Inc. 401(k) Plan (the "Plan") is a defined contribution plan covering all full-time employees of CTCI America, Inc. (the "Company" or "Employer") and participating employees are eligible for contribution from day one of service and are aged 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's 401(k) Committee and individually named trustees are responsible for oversight of the Plan and determining the appropriateness of the Plan's investment offerings and monitor investment performance.

The President and Business Office Manager of CTCI America, Inc. are the Plan Administrators and responsible for all Plan matters including, but not limited to, eligibility, rights to benefits, and interpreting Plan documents.

Eligibility

Under the terms of the Plan, covering all full-time employees of CTCI America, Inc. (The "Company" or "Employer") and participating employees are aged 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's 401(k) Committee and individually named trustees are responsible for oversight of the Plan and determining the appropriateness of the Plan's investment offerings and monitor investment performance.

Participant Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code (IRC) (\$22,500 for 2023).

Participants may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions (\$7,500 for 2023). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

CTCI AMERICA, INC. 401(k) PLAN
Notes to Financial Statements (continued)
December 31, 2023

1. Description of Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's safe harbor matching contribution, as well as allocations of the Plan's earnings. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Employer Contributions

Annually, the Company contributes a safe harbor matching contribution equal to 100% of the first 4% of base compensation that a participant contributes to the Plan. During the year ended December 31, 2023, the Company made a \$790,418 safe harbor matching contribution to the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Vesting

Participants are vested immediately in their contributions and the Company's safe harbor matching contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate between 5.25-10.50%, depending on the date the loan was granted, at December 31, 2023 and 2022. Principal and interest are paid ratably through weekly payroll deductions. Terms range from one to five years or greater for the purchase of primary residence. The notes receivable balances total \$138,120 and \$71,957 as of December 31, 2023 and December 31, 2022, respectively. No loans are in default as of December 31, 2023.

CTCI AMERICA, INC. 401(k) PLAN
Notes to Financial Statements (continued)
December 31, 2023

1. Description of Plan (continued)

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive a lump-sum distribution amount equal to the value of the participant's vested interest in his or her account. For termination of services due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may make unrestricted withdrawals of their employee contributions on or after age 59 ½. At the age of 72, a participant is required to receive the minimum required distributions from their account annually. Participants are able to make withdrawals from employee contributions and vested employer contributions for financial hardship and qualifying emergencies, within guidelines established by the IRS regulations.

Forfeitures

On December 31, 2023, and 2022, forfeited nonvested accounts totaled \$0 and \$0, respectively. These amounts are reported as a component of net assets available for benefits. These accounts will be used to reduce company contributions or offset Plan expenses. In 2023, no forfeited account balances were utilized.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

CTCI AMERICA, INC. 401(k) PLAN
Notes to Financial Statements (continued)
December 31, 2023

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the Plan's fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income is recorded on an accrual basis. Delinquent notes receivable from participants are reclassified as distributions based upon terms of the plan document or note policy of the Plan. Notes receivables are valued at amortized cost, which approximates fair value. No allowance for credit losses has been recorded as of December 31, 2023, and 2022.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants or benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in the net appreciation (depreciation) of fair value of investments.

CTCI AMERICA, INC. 401(k) PLAN
Notes to Financial Statements (continued)
December 31, 2023

2. Summary of Significant Accounting Policies (continued)

Administrative Expenses (continued)

Investment related expenses and fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Administrative expenses amounted to \$16,707 for the year ended December 31, 2023, and were paid from Plan assets.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodology used for assets measured at fair value; there have been no changes in the methodology used on December 31, 2023, and 2022.

CTCI AMERICA, INC. 401(k) PLAN
Notes to Financial Statements (continued)
December 31, 2023

3. Fair Value Measurement (continued)

Mutual Funds

Mutual funds of registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at cost of \$1 per unit, which represents the quoted net asset value of shares held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023, and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 6,292,173	\$ -	\$ -	\$ 6,292,173
Money Market Funds	264,086	-	-	264,086
Total Investment at Fair Value	<u>\$ 6,556,259</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,556,259</u>

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 4,444,510	\$ -	\$ -	\$ 4,444,510

4. Administration of Plan Assets

The Plan's assets are administered under a contract with Ascensus Trust Company, the trustee of the Plan. The trustee invests funds received from contributions, investment sales, interest and dividend income and makes distribution payments to participants.

CTCI AMERICA, INC. 401(k) PLAN
Notes to Financial Statements (continued)
December 31, 2023

4. Administration of Plan Assets (continued)

The contract does not have a maturity date. However, the issuer may terminate the contract without the application of any otherwise required market value adjustment or contract surrender charge. The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Example of such events include the following: (1) the Plan's failure to qualify under Section 401(a) of the Code, or the failure of the trust to be tax-exempt under Section 501(a) of the Code; (2) premature termination of the contracts; (3) Plan termination or merger; (4) bankruptcy of the plan sponsor or other plan sponsor events that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

5. Information Certified by the Plan Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform auditing procedures with respect to the information certified by the Custodian at December 31, 2023 and 2022 and for the year ended December 31, 2023, except for comparing the information certified by the Custodian to information included in the Plan's financial statements and supplemental schedule. The information certified by the Custodian at December 31, 2023 and 2022 is summarized as follows:

- Investments at fair value and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022 and the supplemental schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2023.
- Net appreciation in the fair value of investments and interest and dividend income from investments reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

5. Information Certified by the Plan Custodian (continued)

- a. Interest income on notes receivable from participants reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

6. Related Party and Party in Interest Transactions

The Plan issues notes to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

7. Plan Termination

Although it has not expressed intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. Tax Status

Effective October 15, 2021, the Plan adopted a non-standardized pre-approved profit-sharing plan offered by Ascensus. The pre-approved plan received an opinion letter dated June 30, 2020, that the Plan, and related trust are designed in accordance with the applicable sections of the IRC. Prior to October 15, 2021, the Plan had adopted a prototype standardized profit-sharing plan offered by Ascensus which had received an opinion letter dated June 30, 2020, that the Plan, and related trust are designed in accordance with the applicable sections of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2023 and December 31, 2022:

11. Change in Plan Administrators

During the plan year, a significant change occurred regarding the administration of the benefit plan. Effective November 13, 2023, the administration of the plan transitioned from Ascensus to Voya Financial. The change in plan administrators was initiated to enhance the service of the account and provide a more comprehensive set of investment options to employees. The transition was planned to ensure minimal disruption to participants and to maintain the integrity of plan operations. There was a black-out period from December 19, 2023, to February 1, 2024, during which no contributions or withdrawals were able to be effected with the new administrator.

11. Subsequent Events

The Plan has evaluated subsequent events through October 15, 2024, the date the financial statements were available to be issued, and no events have occurred that require recognition or disclosure in the accompanying financial statements.
