INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
FBMC Benefits Management 401(k) Plan
Tallahassee, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of FBMC Benefits Management 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of FBMC Benefits Management 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FBMC Benefits Management 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FBMC Benefits Management 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one

resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FBMC Benefits Management 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FBMC Benefits Management 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FBMC BENEFITS MANAGEMENT 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of the FBMC Benefits Management 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan, a defined contribution plan, was established effective January 1, 1985, under the name PESCO 401(k) Employee Stock Ownership Plan and Trust. The Plan was restated effective January 1, 1989, and renamed Fringe Benefits Management Company 401(k) Employee Stock Ownership Plan and Trust. The Plan was restated again effective January 1, 2012, when the Employee Stock Ownership Plan and the 401(k) were separated. The Plan was amended and restated effective October 15, 2019, and the Plan assets were transferred from Nationwide Trust Company to Ascensus Trust Company, under a prototype non-standardized profit sharing plan document. The Plan was amended and restated effective January 1, 2021, under a prototype non-standardized profit sharing plan document as a “safe harbor 401(k) plan.” The Plan is designed as a deferred compensation plan for participating employees of FBMC Benefits Management, Inc., and its subsidiaries (the Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility – An employee shall become a participant in the Plan effective after completing one consecutive month of eligibility service beginning on the Employee’s date of hire.

Contributions – The Plan allows participants to contribute up to 100% of their compensation to the Plan (deferral contributions), not to exceed the maximum annual contribution limit allowed by the Internal Revenue Code. Deferral contributions are deferred from participants’ gross earnings for federal income tax purposes.

Effective January 1, 2021, the Plan was amended and restated under a prototype non-standardized profit sharing plan document to become a “safe harbor 401(k) plan.” Beginning January 1, 2021, the Plan Sponsor makes safe harbor matching contributions equal to 100% of the participant salary deferrals that do not exceed 4% of eligible compensation. Prior to this amendment, sponsor matching contributions were discretionary, and matching contributions equal to a uniform percentage of the participant’s deferral were determined each year by the Sponsor. Matching contributions are participant directed. The Plan Sponsor made matching contributions in the amount of \$254,006 and \$264,912 for the years ended December 31, 2023 and 2022, respectively.

Participants’ Accounts – Each participant’s account is credited with the participant’s contributions and employer matching contributions. Net earnings, gains, losses and administrative expenses are allocated to each participant’s account as appropriate. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

FBMC BENEFITS MANAGEMENT 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN (continued)

Participant Loans – Participants may borrow from the Plan an amount limited to the lesser of \$50,000 or 50% of their vested account balance. Loan balances are secured by the balance in the participant's account and are considered collectible at December 31, 2023. Loans are generally for a period not to exceed five years and bear interest at an agreed-upon percentage based on prevailing market rates. The interest rates ranged from 5.25% to 10.50% and 5.25% to 9.00% at December 31, 2023 and 2022, respectively.

Distribution of Benefits to Participants – Benefits may be paid upon death, disability, termination, or retirement to the participants or their beneficiaries, in lump-sum amounts or annuity payments. Under certain circumstances, hardship withdrawals are allowed from the Plan.

Upon termination of employment with the Sponsor, participants are entitled to a distribution of the vested portion of their account. A participant is 100% vested at all times in his or her deferral contributions. Participants ordinarily become vested in sponsor matching contributions according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage of Participant's Account</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%
Normal retirement, disability or death	100%

At the option of the participant or beneficiary, distributions under the Plan are made in either one lump-sum payment or are directly rolled over into another eligible retirement plan. Distribution of a participant's benefits may be made in cash or rolled over to an IRA or to another qualified plan. The involuntary distribution threshold is \$5,000 for the vested balance of terminated participants.

Plan Administration – The Sponsor pays administrative expenses of the Plan unless paid by the Plan. During 2023 and 2022, a portion of the administrative expenses were paid by the Plan and a portion were paid by the Sponsor.

Termination – Although they have not expressed any intent to do so, the Sponsor may, at any time, discontinue their contributions to the Plan and/or terminate the Plan. Upon permanent discontinuance of contributions or termination of the Plan, all accounts of the participants become fully vested.

FBMC BENEFITS MANAGEMENT 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN (continued)

Forfeitures – Forfeitures arise from accounts of participants who have terminated but were not fully vested in the Plan. Forfeitures may be utilized to reduce administrative expenses of the Plan. Any remaining forfeitures are then utilized to reduce employer contributions in the following manner. Forfeitures attributable to discretionary Sponsor contributions are allocated to participants' accounts in the same proportion that each participant's compensation for the year of the forfeiture bears to the total compensation of all participants for the year. Forfeitures attributable to discretionary Sponsor matching contributions are used to reduce the Sponsor contributions for the Plan year in which such forfeitures occur. For the years ended December 31, 2023 and 2022, forfeitures were \$13,547 and \$12,895, respectively. For the years ended December 31, 2023 and 2022, the Sponsor transferred \$0 from forfeitures to offset Sponsor contributions. At December 31, 2023 and 2022, there was \$17,022 and \$28,333 in forfeitures available to pay administrative expenses of the Plan or reduce future sponsor contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The purpose of the Plan is to accumulate employer contributions and earnings on Plan assets for the payment of benefits to participants. Significant accounting policies of the Plan are as follows:

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Management Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments – All assets of the Plan are reported at fair value as of December 31, 2023 and 2022. Fair values are based on quoted market prices at December 31, 2023 and 2022, respectively. These fair values include interest and dividends and are net of fees and other expenses. See Note 4 for discussion of fair value measurements. All Plan investments are managed by Ascensus Trust Company (See Note 1).

The Plan provides for investments in various mutual funds, money market funds and common stock (See Note 1). Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with such investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Net Appreciation (Depreciation) in Fair Value of Investments – Net appreciation (depreciation) in fair value of investments includes both realized gains and losses on dispositions of investments and unrealized gains and losses reflecting adjustments to fair value.

NOTE 3 – INCOME TAX STATUS

Effective January 1, 2021, the Plan was amended and restated under a prototype non-standardized profit sharing plan document that has been approved by the IRS in a letter dated June 30, 2020. The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the *Internal Revenue Code* (IRC) and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the U.S. require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE 4 – INVESTMENTS AND FAIR VALUE MEASUREMENTS

Fair Value Measurement and Disclosures Topic of the FASB Accounting Standards Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the Fair Value Measurement and Disclosures Topic are described as follows:

FBMC BENEFITS MANAGEMENT 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 – INVESTMENTS AND FAIR VALUE MEASUREMENTS (continued)

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs. The Plan has no Level 2 investments.

Level 3: Inputs that are unobservable inputs for the asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances. The Plan has no Level 3 investments.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

During 2023 and 2022, the Plan's investments, including gains and losses on investments bought and sold, as well as held during the year, appreciated (depreciated) as follows:

	2023	2022
Mutual Funds – Level 1	\$ 1,171,828	\$ (1,701,476)

At December 31, 2023 and 2022, assets measured at fair value on a recurring basis were as follows:

	Fair Value	Level 1 Inputs
2023		
Mutual Funds	\$ 7,241,385	\$ 7,241,385
Money Market Funds	542,472	542,472
Total	\$ 7,783,857	\$ 7,783,857
2022		
Mutual Funds	\$ 6,080,397	\$ 6,080,397
Money Market Funds	442,240	442,240
Total	\$ 6,522,637	\$ 6,522,637

NOTE 5 – PARTIES-IN-INTEREST

The Plan invests in a cash contribution account managed by Ascensus Trust Company. Ascensus Trust Company acts as trustee and custodian for those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions.

During each of the Plan years ended December 31, 2023 and 2022, the Plan Sponsor absorbed the following fees:

	2023	2022
Plan Administrative Fees	\$ 11,986	\$ 8,860
Audit Fees	\$ 14,200	\$ 12,800
Legal Fees	\$ 1,599	\$ -

NOTE 6 – INFORMATION CERTIFICATION

The Plan's investments are held by Ascensus Trust Company as trustee and custodian. All information on Plan investment assets and related investment income transactions has been prepared and certified as both complete and accurate by Ascensus Trust Company as trustee and custodian for the years ended December 31, 2023 and 2022.

NOTE 7 – EVALUATION OF SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 15, 2024, the date which the financial statements were available to be issued.
