Independent Auditor's Report

Plan Administrator
Gellert Global Group Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Gellert Global Group Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of schedule H, part IV, line 4(a)—schedule of delinquent participant contributions for the year ended December 31, 2023, and schedule H, part IV, line 4(i)—schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Gellert Global Group Retirement Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the Gellert Global Group Retirement Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution 401(k) profit-sharing plan established on January 1, 1976, covering eligible employees of Atalanta Corporation, J.F. Braun & Sons, Inc., Camerican International, Inc., Tipico Products Co., Inc., Gelfam Management Corp. and GHG Holdings LLC. The participating employers in the Plan are collectively referred to as "Gellert Global Group" or "the Company."

The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (the IRC), and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Each employee of the Company becomes eligible to participate in the Plan upon meeting all of the following requirements:

- 1) Attaining 18 years of age
- 2) Completing three months of service

Plan trustee: The trustee of Plan investments is Bank of America, N.A. (Bank of America or Trustee).

Plan custodian: Plan investments are held by Bank of America under a custodian contract.

Plan administration: The Plan is administered by Gellert Global Group. Merrill Lynch, Pierce, Fenner & Smith Incorporated (Merrill Lynch), a subsidiary of Bank of America Corporation is the Plan's third-party administrator and recordkeeper.

Contributions: Participants may direct the Plan to deposit up to 100% of their annual compensation directly into their Plan accounts on a before-tax basis, subject to IRC limitations. The Company makes safe harbor matching contributions at a rate of 100% of the first 3% of salary deferrals, plus 50% of the next 2% of salary deferral, up to 4% of an employee's eligible compensation. Participants may also designate all or any part of their salary deferral contributions to the Plan as Roth deferrals.

Participants who are age 50 or older before the close of the plan year may elect to make a catch-up contribution, subject to IRC limitations. The Company makes matching contributions on participant catch-up contributions if the participant was unable to receive the maximum match under the Plan formula because of IRC limitations on salary deferral contributions.

Participant accounts: Each participant's account is credited with the participant's contribution, a share of the Plan's matching contribution, investment earnings or losses and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. An election may be made upon retirement, death or termination to be paid in a lump sum or an annuity.

Investment choices: Upon enrollment in the Plan and anytime thereafter, a participant may elect to direct contributions or investment balances among the various investment options.

Vesting: Participants are immediately vested in all employee contributions made to their accounts, plus actual earnings thereon and employer safe harbor matching contributions.

Gellert Global Group Retirement Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Payment of benefits: The distribution to which a plan participant is entitled is the participant's vested account balance, including net realized and unrealized investment gains or losses. An election may be made upon termination, retirement, disability or death, to be paid in a lump sum or an annuity.

Notes receivable from participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 (reduced in the case of participants' prior loans outstanding) or 50% of the vested account balance from their accounts. The loans are secured by the balance in the participant's account, are withdrawn on a pro rata basis from the investments in the participant's account and bear interest at the prime rate plus 1%. The loan term, as approved by the Plan's Committee, cannot exceed five years, except for a loan for a primary residence, which can be extended. A participant may have up to two loans outstanding at a time. Pro rata repayments of principal and interest, generally through monthly payroll deductions, are credited directly to the borrower's account. Delinquent loans are treated as distributions based on the terms of the Plan document.

Administrative expenses: Administrative expenses of the Plan are paid by the Plan or the Plan Sponsor, as provided in the Plan document.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The accompanying financial statements of the Plan are prepared under the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions: Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which participant compensation is earned.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan also invests in investment contracts that are reported at contract value, as defined by the terms of the contract, at the measurement date (see Note 5 for discussion of valuation measurements).

Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date, and interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Other income: The Plan may receive revenue sharing payments from investments in which the Plan's assets are invested. The administrative services agreements between the Plan and the Trustee provides that, to the extent that revenues sharing payments received by the Trustee exceed administrative fees charged to the Plan by the Trustee, the excess will be credited to the Plan's revenue sharing accounts and used to reduce Plan expenses. These credits are included in other income in the statements of changes in net assets available for benefits. During the year ended December 31, 2023, the Company used approximately \$63,000 from these accounts to pay administrative expenses. As of December 31, 2023 and 2022, unallocated amounts in the revenue sharing accounts totaled approximately \$445,000 and \$330,000, respectively.

Gellert Global Group Retirement Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Payment of benefits: Benefits are recorded when paid.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued and unpaid interest. Delinquent loans are treated as distributions based on the terms of the Plan document.

Note 3. Insurance Company Investment

The Plan entered into a traditional insurance investment contract with New York Life Insurance Company (New York Life). With traditional investment contracts, the Plan owns only the contract itself and not the underlying assets. The insurance investment contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The contract value was \$6,191,164 and \$7,327,802 as of December 31, 2023 and 2022, respectively.

New York Life Insurance maintains the contributions under the investment contract in a pooled separate account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contributions to the contract are invested in New York Life's Pooled Separate Account No. 25 (Separate Account). The Separate Account is invested primarily in a diversified and conservative array of fixed income securities and cash equivalent investments. The investments in the Separate Account are intended to provide a stable crediting rate consistent with preservation of principal. The assets in this account are owned by New York Life and maintained solely for the benefit of participating retirement plans. The Separate Account is not chargeable with any other liabilities arising out of any other business of New York Life.

The insurance investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer and is reviewed periodically for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Note 4. Information Certified and Provided by Plan Trustee

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and ERISA-required supplemental schedules, that was prepared by or derived from information provided by the Trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that the information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information, that appears throughout the financial statements and ERISA-required supplemental schedules, related to the following assets at December 31, 2023 and 2022:

	2023	2022
Cash	\$ 913	\$ 669
Investments:		
Mutual funds, at fair value	\$ 57,914,632	\$ 46,370,091
Common collective trust fund, at fair value	6,741,182	6,479,832
Insurance company investment contract, at contract value	6,191,164	7,327,802
	<u>\$ 70,846,978</u>	<u>\$ 60,177,725</u>
Notes receivable from participants	<u>\$ 945,706</u>	<u>\$ 637,038</u>

The Trustee also certified to the completeness and accuracy of \$10,102,007 of net appreciation in fair value of investments, \$1,466,485 of interest and dividend income, \$180,070 of other income and \$48,809 of interest income on notes receivable from participants for the year ended December 31, 2023.

The Plan's life insurance contract investments are not certified.

Note 5. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability

Gellert Global Group Retirement Plan

Notes to Financial Statements

Note 5. Fair Value Measurements (Continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Fair values are based on the daily price as reported by the fund. The mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded, and are classified as Level 1 investments.

Common collective trust fund: Stable value fund that is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transaction (purchases and sales) may occur daily. If the Plan initiates a full redemption from the fund, the issuer reserves the right to defer payments for up to one year in order to ensure that securities liquidations will be carried out in an orderly business manner.

Life insurance contracts: Valued at the cash surrender value of the policies as reported by the insurer, which is deemed reasonable to fair value, and which are classified as Level 3 investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes that its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 57,914,632	\$ -	\$ -	\$ 57,914,632

Note 5. Fair Value Measurements (Continued)

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 46,370,091	\$ -	\$ -	\$ 46,370,091

Investments measured at NAV (a)				6,479,832
Total investments				<u>\$ 53,520,105</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent), have not been classified in the fair value hierarchy. The amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share as of December 31, 2023 and 2022:

Investment	2023 Fair Value	2022 Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Columbia Trust Dividend Income Fund I (b)	<u>\$ 6,741,182</u>	<u>\$ 6,479,832</u>	<u>\$ -</u>	Daily	12 months

(b) The Columbia Trust Dividend Income Fund I invests in the Columbia Trust Dividend Income Fund (Underlying Fund). The Underlying Fund is sponsored by Ameriprise Financial, which principally invests in a diversified portfolio of income-producing equity securities, including common stocks, preferred stocks and convertible securities. The Underlying Fund's primary objective is to provide total return, consisting of current income and capital appreciation.

The following table sets forth the activity in the Plans Level 3 investments for the years ended December 31, 2023 and 2022:

	Life Insurance Contracts	
	2023	2022
Balance, beginning of year	\$ 670,182	\$ 677,956
(Losses) earnings	(7,592)	(7,774)
Transfer out of the Plan	(103,701)	-
Balance, end of year	<u>\$ 558,889</u>	<u>\$ 670,182</u>

The Plan's life insurance contracts, which are reported as Level 3 assets, may be subject to certain liquidity restrictions. No unobservable inputs have been utilized in the valuation of these investments. During 2023, a life insurance annuity contract owned by the Plan and for the benefit of an individual participant/annuitant was transferred out of the Plan and into a separate account owned directly by the annuitant. This amount is included in benefits paid to participants in the statement of changes in net assets available for benefits.

Gellert Global Group Retirement Plan

Notes to Financial Statements

Note 6. Exempt Party-in-Interest Transactions

Certain administrative expenses of the Plan were paid by the Company during the year ended December 31, 2023. These transactions qualify as exempt party-in-interest transactions.

Note 7. Risks and Uncertainties

The Plan provides for various investment options in combinations of mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are entitled to the entire amount of their accounts.

Note 9. Tax Status

The Plan Sponsor has adopted a non-standardized pre-approved plan sponsored by Merrill Lynch Pierce Fenner & Smith Inc. Merrill Lynch has received an opinion letter from the IRS as to the pre-approved plan's qualified status. The pre-approved plan's opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10. Prohibited Transactions

During 2023 and 2022, the Plan Sponsor inadvertently failed to deposit approximately \$92,734 and \$96,247, respectively, of participant contributions and loan repayments within the required timeframe as stated by DOL regulations. The Plan Sponsor intends to deposit the lost earnings to correct these failures in 2024. The correction will be made from Plan Sponsor's assets and not from assets of the Plan.

Note 11. Subsequent Events

The Plan has evaluated subsequent events for potential recognition and or disclosure through October 15, 2024, the date the financial statements were available to be issued.
