INDEPENDENT AUDITORS' REPORT

Plan Administrator and Plan Participants
Elim Christian Services Defined Contribution Retirement Plan
Crestwood, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Elim Christian Services Defined Contribution Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institutions in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Plan Administrator and Plan Participants
Elim Christian Services Defined Contribution Retirement Plan
Crestwood, Illinois

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter —Supplemental Schedule(s) Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at End of Year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by or certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ELIM CHRISTIAN SERVICES DEFINED CONTRIBUTION RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN:

The following brief description of the Elim Christian Services Defined Contribution Retirement Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a 403(b) retirement plan established September 1, 1985, covering all eligible employees of Elim Christian Services (the Organization). Employees are eligible to make contributions upon hire. Employees who are 21 years old and have attained one year of service are eligible to receive employer matching contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Participants may make elective deferral contributions up to limits prescribed by law. Participants who have attained age 50 and/or have 15 years of service before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Effective October 25, 2021, a Roth option was made available for employee contributions. The Organization made discretionary contributions to the Plan of a dollar for dollar match up to 4% of compensation for 2023.

Contributions are subject to certain limitations prescribed by law. Participants direct the investment of all contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the Organization's contribution and (b) Plan earnings; and charged with an allocation of investment expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are vested immediately in their contributions plus actual earnings thereon as well as employer matching contributions and earnings thereon.

PLAN LOANS

Participants may borrow from TIAA a minimum of \$5,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans, totaling \$13,822 and \$26,788 at December 31, 2023 and 2022, respectively, are secured by the balance in the participant's account and bear interest at rates from 4.00% to 5.05%. The loans are not considered assets of the Plan and therefore are not included on the statements of net assets available for benefits.

Notes to the Financial Statements

December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN, continued:

PARTICIPANT LOANS

Participants may borrow from their accounts held by AdvisorTrust, Inc. a minimum \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%. Principal and interest are paid ratably through monthly payroll deductions. Participant loans are disclosed on the statements of net assets available for benefits as notes receivable from participants.

PAYMENT OF BENEFITS

Upon termination of service, disability, or attaining age 65, participants with vested account balances greater than \$1,000 generally receive payments in the form of a lump sum, partial payment, installment payments or purchase of annuity contracts. Participants with vested account balances of \$1,000 or less will receive a single lump-sum payment. Participants may also withdraw amounts from employee deferrals and related earnings upon reaching age 59 1/2, or in the event of a hardship.

ADMINISTRATIVE EXPENSES

Substantially all administrative expenses are paid by the Plan.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants represent participant loans and are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans from participants are recorded as a distribution based upon the terms of the Plan document.

ELIM CHRISTIAN SERVICES DEFINED CONTRIBUTION RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2023 and 2022

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements and Note 5 for a discussion on fully benefit-responsive investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

3. INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTIONS:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Teachers Insurance and Annuity Association of America and College Retirement Equities Fund (TIAA-CREF) and AdvisorTrust, Inc., the qualified institutions of the Plan:

4. FAIR VALUE MEASUREMENTS:

The Plan uses appropriate valuation techniques to determine fair value based on inputs available. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31.

4. FAIR VALUE MEASUREMENTS, continued:

	Fair Value	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments at December 31, 2023:				
Mutual funds	\$ 16,553,315	\$ 16,553,315	\$ -	\$ -
Non benefit-responsive				
fixed annuity contracts	1,299,386	-	-	1,299,386
Variable annuity contracts	2,134,616	1,926,248	208,368	-

	<u>\$ 18,339,615</u>	<u>\$ 16,542,762</u>	<u>\$ 185,445</u>	<u>\$ 1,611,408</u>

Mutual funds and some variable annuity contracts are primarily valued using market quotations or prices obtained from independent pricing sources. Some variable annuity contract funds are valued at fair value using fair value of other data values or market prices that are similar to these funds. Non-benefit-responsive fixed annuity contracts are reported at contract value, which represents fair value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals. Crediting rates are a combination of a guaranteed rate and an annually established discretionary rate. Additionally, the discretionary rate applied to contributions received during a reporting period may vary from the discretionary rate applied to account balances at the end of the prior reporting period. The fair value of the pooled separate account units is principally derived from the market value of the underlying mutual funds, real estate holdings, or other real estate-related investments.

DEFINED CONTRIBUTION RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2023 and 2022

5. **GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY:**

The Plan has benefit-responsive guaranteed investment contracts with TIAA. TIAA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by TIAA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investments at December 31, 2023 and 2022, was \$106,389 and \$123,319, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than three percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

6. **PLAN TERMINATION:**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

ELIM CHRISTIAN SERVICES DEFINED CONTRIBUTION RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2023 and 2022

7. **TAX STATUS:**

The Plan has adopted a Plan document sponsored by TIAA. The Plan document has obtained an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan has not received a determination letter from the IRS; however the Plan administrator and the Plan's counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

8. **PARTIES-IN-INTEREST:**

Certain investments for the Plan are units of funds managed by TIAA and CREF. TIAA and CREF performs recordkeeping services for the Plan; therefore, these transactions qualify as party-in-interest transactions. Total assets under recordkeeping services with TIAA and CREF were \$3,752,517 and \$3,979,854, for the years ended December 31, 2023 and 2022, respectively.

Certain investments of the Plan are managed by AdvisorTrust, Inc., and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are paid directly by the Plan and are shown as administrative expenses on the statement of changes in net assets available for benefits. The Plan paid \$126,205 for the year ended December 31, 2023, for investment management fees provided. Certain administrative functions of the Plan are performed by officers or employees of the Organization. No such officer or employee receives compensation from the Plan.

9. **RISKS AND UNCERTAINTIES:**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. **SUBSEQUENT EVENTS:**

Effective January 1, 2024, non-elective contributions are permitted under new comparability provision, and employees are eligible for these upon hire. The amount of the contributions will be determined at the discretion of the employer each year.

Additionally, effective October 14, 2024, the Plan adopted an automatic enrollment of 1% elected on either October 14, 2024, or 30 days after the date of hire.

Subsequent events have been evaluated through October 15, 2024, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
