INDEPENDENT AUDITOR'S REPORT

To the Trustees
Rosen Hyundai Enterprises, LLC 401(k) Plan
Algonquin, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of the Rosen Hyundai Enterprises, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Rosen Hyundai Enterprises, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in the *Information Prepared and Certified by the Custodian* note to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Rosen Hyundai Enterprises, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Rosen Hyundai Enterprises, LLC 401(k) Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rosen Hyundai Enterprises, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rosen Hyundai Enterprises, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held At End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified

investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROSEN HYUNDAI ENTERPRISES, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

DESCRIPTION OF PLAN

The following description of the Rosen Hyundai Enterprises, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined-contribution plan covering all eligible employees who have six months of service and are 21 years or older. For the year ended December 31, 2022 this included Four Keys, LLC, Rosen Hyundai Enterprises, LLC, Rosen Hyundai of Kenosha, LLC, Rosen Hyundai of Greenfield, LLC, and Rosen Nissan of Madison, LLC. Effective January 2023, employees of Four Keys LLC, Rosen Nissan of Madison, LLC and Rosen Hyundai of Greenfield, LLC have created their own plan and are no longer part of the Plan. Assets transferred into the Four Keys, LLC 401(k) Plan in 2023 amounted to \$10,248,036. Also effective January 2023, the Plan name was changed to Rosen Hyundai Enterprises LLC 401(k) Plan. For the year ended December 31, 2023, the Plan includes Rosen Hyundai Enterprises, LLC and Rosen Hyundai of Kenosha, LLC, (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Trustees are responsible for oversight of the Plan.
2. Contributions - Each year, participants may contribute up to 100% of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated balance fund until changed by the participant.

The Company contributes 3% of eligible compensation provided a participant contributes to the Plan. The Company also has the right to make additional contributions to be allocated to participants pro-rated based on compensation. No additional discretionary contributions were made for 2023 or 2022. Annual contributions from all sources are subject to certain limitations defined by the Internal Revenue Code (IRC).

3. Participants' Accounts - Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a

participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting - Participants are immediately vested in their employee-directed, qualified discretionary and rollover contribution accounts and earnings thereon. Vesting in the Company matching and discretionary matching contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.
5. Investment Options - Upon enrollment in the Plan, each participant directs the investment of all amounts allocated to their account based on the list of investment alternatives available under the Plan.
6. Notes Receivable from Participants - Each participant is allowed to borrow from their account a minimum of \$1,000 up to a maximum of the lesser of \$50,000 reduced by the participant's highest outstanding loan balance over the previous twelve months or 50% of their vested account balance. Loans provide for periodic repayment over a period of five years or less unless the loan is in connection with the participant's principal residence. The interest rates and types of collateral required are contained in the Plan document. Principal and interest are paid ratably through payroll deductions, unless otherwise approved by the Plan Administrator. All interest paid with respect to these loans is credited to the participant's individual account. Any loss or expense associated with the loan is borne by the participant.
7. Payment of Benefits - Upon eligibility for benefits, the participant may elect one of several methods to distribute the value of the participant's vested account balance, as defined by the Plan. Benefits are recorded when paid. As of December 31, 2023 and 2022, the vested but unpaid balances of terminated participants amounted to \$212,707 and \$887,421, respectively. Excess contributions returned to Plan participants in 2023 from the 2022 plan year amounted to \$25,981.
8. Forfeited Accounts - At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$32,138 and \$81,804, respectively. At the Plan Administrator's discretion, forfeitures may be used to reduce the Company's contributions to the Plan and/or to pay administrative expenses. During 2022, \$9,489 of forfeited non-vested accounts were used to reduce the Company contributions and pay administrative expenses.
9. Administrative Expenses - Investment management services and expenses related to the administration of the Plan are substantially paid by the Plan. The Company absorbs a portion of these expenses.

ROSEN HYUNDAI ENTERPRISES, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates and assumptions.

Cash:

The Plan maintains its cash in bank deposit accounts, which, at times, may exceed the federally insured limit of \$250,000. The Plan has not experienced any losses in such accounts. The Plan Administrator believes it is not exposed to any significant credit risk on cash.

Investment Valuation and Income Recognition:

The Plan's investments in self-directed brokerage accounts are stated at fair value which generally are year-end closing quoted market prices.

Shares of mutual funds are valued at the daily closing price as reported by those funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on an accrual basis and dividends are recorded on the ex-dividend date.

The Plan presents, in the Statements of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized gains or losses of those investments. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Notes Receivable from Participants:

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Qualified Non-Elective Contributions:

For the 2023 and 2022 plan years, Rosen Hyundai Enterprises, LLC was determined to be top heavy. As a result, the Company was required to make additional contributions to the accounts of all non-key employees. The contributions are considered to be qualified non-elective contributions and totaled \$6,225 and \$16,709 for the years ended December 31, 2023 and 2022, respectively.

Included in the 2023 qualified non-elective contribution receivable is \$16,709 relating to the qualified non-elective contribution receivable for the year ended December 31, 2022. Included in the 2022 qualified non-elective contribution receivable is \$61,807 relating to the qualified non-elective contribution receivable for the year ended December 31, 2021.

FAIR VALUE MEASUREMENTS

Generally accepted accounting principles in the United States of America have established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- Quoted prices for similar assets in active markets;
 - Quoted prices for identical or similar assets in inactive markets;
 - Inputs other than quoted prices that are observable for the asset;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. See *Summary of Significant Accounting Policies* for a description of the

FAIR VALUE MEASUREMENTS (Continued):

valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

The valuation methods described in the *Summary of Significant Accounting Policies* may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

The self-directed investment accounts held by William Blair & Company constitute party-in-interest investments as defined by ERISA.

Empower Trust Company, LLC provides certain administrative and advisory services to the Plan pursuant to a Plan Service Agreement (PSA) between the Company and Empower Trust Company, LLC. Empower Trust Company, LLC receives revenue from mutual fund service providers for services provided to the funds. This revenue is used to offset certain amounts owed to the provider for its administrative services to the Company.

If the revenue received by Empower Trust Company, LLC from such mutual fund service providers exceeds the amount owed, Empower Trust Company, LLC remits the excess to the Plan on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2023 and 2022, \$11,358 and \$39,330, respectively, of these amounts were used to pay Plan administrative expenses. This amount is included in Other Income and Administrative Expenses on the statement of changes in net assets available for benefits. The Plan or the Company may make a payment to Empower Trust Company, LLC for administrative expenses not covered by revenue sharing.

Certain employees of the Company provide accounting and administrative services to the Plan. These employees did not receive any compensation from the Plan for their services. Also, certain administrative expenses were paid by the Company on behalf of the Plan and were excluded from these financial statements.

INCOME TAX STATUS

The Company adopted the CCH Incorporated, d/b/a FTWilliam.com Non-Standardized Pre-Approved Profit Sharing Plan and obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated the prototype plan, as then designed, was acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has been amended since the date of the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC and believes the Plan was qualified and related trust was tax-exempt as of the financial statements date.

ROSEN HYUNDAI ENTERPRISES, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

INCOME TAX STATUS (Continued):

Generally accepted accounting principles in the United States of America requires that Plan management evaluate each tax position taken by the Plan and recognize a liability (or asset) if the Plan has taken an uncertain tax position that more-likely-than-not (i.e., a likelihood of more than 50%), based on the technical merits, would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken. Accordingly, the Plan has recognized no interest and penalties associated with any liability for unrecognized tax benefits. The Plan's policy is to record such amounts, if any, as income tax expense. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

Certain investment information regarding the Plan as of December 31, 2023 and 2022 and for the years then ended included in the Plan's financial statements and supplemental schedule was prepared by or derived from information prepared by a custodian of the Plan and furnished to the Plan Administrator. The information has been certified as complete and accurate by the custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
