Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **ADKF, P.C.**

(2) EIN: **74-2606559**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees and Committee
Peripheral Vascular Associates 401(k) Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Peripheral Vascular Associates 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 (in liquidation) and 2022, and the related statements of changes in net assets in liquidation available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Peripheral Vascular Associates 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, John Hancock Life Insurance Company, the Custodian, as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

As further discussed in Note B to the financial statements, the Plan Trustees terminated the Plan on June 28, 2024, and management determined that liquidation is imminent. As a result, the Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2022 financial statements to the liquidation basis of accounting used in presenting the 2023 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the liquidation basis of accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements - continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedules Required by ERISA - continued

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PERIPHERAL VASCULAR ASSOCIATES 401(k) PLAN
Notes to Audited Financial Statements
December 31, 2023 and 2022

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The audited financial statements of the Peripheral Vascular Associates 401(k) Plan are maintained on the liquidation basis of accounting for year end December 31, 2023 and the accrual basis of account for the year end December 31, 2022 in accordance with U.S. generally accepted accounting principles.

Recognition of Income: The basis of investments held by the Plan is adjusted daily to closing market value and unrealized gains and losses are recorded as part of this adjustment. Realized and unrealized gains and losses on investments are computed using this adjusted basis. Security transaction expenses are considered in computing realized gains and losses on investments.

Investments: Investments in self-directed brokerage accounts are reported at quoted prices at year end (net asset value). Self-directed brokerage accounts include cash, certificates of deposit, common stocks, mutual funds, exchange trade funds, government and corporate bonds and alternative investments. Pooled separate accounts invested in mutual funds are valued based on the underlying investment. Purchases and sales of securities are recorded on a trade-date basis. Dividends on mutual funds are considered when the fair value is determined. Gains and losses (realized and unrealized) are reported in net appreciation (depreciation) in fair value of investments in the statement of changes in net assets available for benefits.

Participants' Notes Receivable: Participants' notes receivables are stated at their unpaid principal balance plus any accrued interest. Interest is recognized as accrued. An allowance was not required at either year end. If a participant ceases to make a note repayment and the Plan administrator deems the participant note to be in default, the note balance is reduced and a benefit payment to the participant is recorded.

Benefit Payments: Benefits are recorded when paid.

Subsequent Events: Subsequent events have been evaluated by management through the date of the independent auditor's report. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements. See Note B.

Use of Estimates: The preparation of financial statements in conformity with the liquidation basis of accounting requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from these estimates.

NOTE B – PLAN TERMINATION AND LIQUIDATION BASIS OF ACCOUNTING

The Plan Sponsor ceased operations and trustees elected to terminate the plan effective June 28, 2024. Accordingly, the Plan's financial statements as of December 31, 2023 have been prepared on the liquidation basis of accounting. The liquidation basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable, and the net realizable value of assets are reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value and liabilities are stated at their anticipated settlement accounts. The estimated net realizable value for investments as of December 31, 2023 is fair value.

Notes to Audited Financial Statements
December 31, 2023 and 2022

NOTE B – PLAN TERMINATION AND LIQUIDATION BASIS OF ACCOUNTING – continued

Plan assets will continue to be held on behalf of participants and their beneficiaries until distributed in accordance with the Plan terms. Contributions under the Plan are permanently discontinued. Participants as of June 28, 2024, are 100% vested in their accounts.

NOTE C - DESCRIPTION OF THE PLAN

The following description provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan, established September 1, 1975, covering virtually all employees of Peripheral Vascular Associates (the Plan Sponsor) who have one year of employment and 1,000 hours of service within 12 consecutive months. The Plan is for the exclusive benefit of its participants and their beneficiaries. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan Restatement: The Plan was restated effective January 1, 2022, and has been amended with required regulatory changes including the most recent hardship distribution provisions and the SECURE 1.0 Act, and CARES act of 2020.

SECURE 2.0 Act: The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2024 and later.

Contributions: Participants may contribute pretax from their annual compensation, as defined in the Plan. Participants direct the investments of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions ("rollovers") from other qualified defined benefit or contribution plans. The Plan Sponsor may contribute a matching contribution as determined each year by its Board of Directors up to 5% of annual compensation. The Plan Sponsor, at its discretion, may also make a profit-sharing match.

Participant Accounts: Investments are participant directed. Each participant's account is allocated a percentage of a) the Plan Sponsor contributions, b) Plan earnings, and c) charged administrative expenses. Allocations are based on the participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are 100% vested at all times in their voluntary contributions and actual earnings thereon. A participant's interest in the discretionary contributions the employer makes to the Plan becomes 100% vested upon attaining the Plan's normal retirement age or if employment is terminated due to death or disability. If employment is terminated prior to normal retirement age for any reason other than death or disability, then the employee's interest in employer contributions becomes 100% vested following six years of employment in accordance with specific vesting schedules based on years of service as required by the Department of Labor Rules and Regulations.

PERIPHERAL VASCULAR ASSOCIATES 401(k) PLAN
Notes to Audited Financial Statements
December 31, 2023 and 2022

NOTE C - DESCRIPTION OF THE PLAN - continued

Forfeitures: At the election of the Plan Sponsor, forfeitures may be used to pay administrative expenses of the Plan or allocated to participants. Forfeited non-vested accounts totaled \$0 at December 31, 2023 and 2022. The Plan used approximately \$102,800 in 2023 and \$31,100 in 2022 in forfeitures.

Participants' Notes Receivable: Participants may borrow from their fund accounts a minimum of \$500, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Interest rates are established daily by the Trustee. Principal and interest is repaid at least quarterly by payroll deduction.

Investment Options: Upon enrollment in the Plan, a participant may change their investment options daily and direct employee contributions in several investment options.

Payment of Benefits: Payment of the vested account balance is immediate when the participant reaches normal retirement age, dies or terminates employment. If the total vested account balance is less than \$5,000, the participant may receive a single lump sum payment. If the vested account balance is equal to or greater than \$5,000, various payment options are available and are described more fully in the Plan agreement. Hardship withdrawals are available to the Plan participants upon approval by the Plan Committee.

Tax Status: Peripheral Vascular Associates 401(k) Plan has adopted a volume submitter profit sharing plan with CODA. The volume submitter profit sharing plan has been approved by the Internal Revenue Service as qualifying under Section 401(a) of the Internal Revenue Code (IRC). The Plan has been amended since it was adopted; however, the Plan administrator believes the Plan is appropriately designed and is currently being operated in compliance with applicable requirements of the IRC. Management is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination.

GAAP requires Plan management to evaluate tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the statute of limitations for the IRS to assess taxes on a plan expires three years from the due date of the return or the date on which it was filed, whichever is later.

NOTE D – INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)

As permitted by Department of Labor CFR 2520.103-8, the following information was certified and held by John Hancock Life Insurance Company, the Custodian, and was not audited by the independent auditor.

	<u>2023</u>	<u>2022</u>
Interest-bearing cash	\$ 24,224	\$ 14,274
Investments, at fair value	12,601,925	11,102,556

Net appreciation (depreciation) in fair value of investments	1,827,591	(2,024,843)
Interest on participant notes	22,493	15,294

The remaining investments and participant notes receivable totaling \$15,577,669 at December 31, 2023 and \$20,551,912 at December 31, 2022 are held in self-directed brokerage accounts and were not certified by the custodian. Income (loss) on these investments and participant notes receivable totaled \$3,468,345 in 2023 and (\$4,369,605) in 2022. Auditing procedures applied to these investments were in accordance with U.S. generally accepted auditing standards (*non-section 103(a)(3)(C) procedures*).

NOTE E - TRANSACTIONS WITH PARTIES-IN-INTEREST

A related party is any party who can control or significantly influence Plan management or operating policies. Parties-in-interest are defined under DOL regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

During the year ended December 31, 2023 and 2022, the Plan made direct payments to certain parties-in-interest for administration and investment advisory fees, as allowed by ERISA. The Plan sponsor pays directly any other fees related to the operation of the Plan.

Fees incurred by the Plan for the investment management services are included in the net appreciation (depreciation) in fair value of the related investment, as they are paid using investment earnings rather than a direct payment.

NOTE F - FAIR VALUE MEASUREMENTS

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets
 - quoted prices for identical or similar assets or liabilities in inactive markets
 - inputs other than quoted prices that are observable for the asset or liability
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means
 - if the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Following is a description of the valuation methodologies used for various types of assets measured at fair value:

Pooled separate accounts: Valued at the underlying fair value of investments (mutual funds) held.

Self-directed brokerage accounts:

Cash and certificates of deposit: Valued at the contribution plus applicable interest.

Common stocks, mutual and exchange trade funds: Valued at the closing prices reported on the active market on which the individual securities are traded.

Government and Corporate bonds: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

Alternative investments: Estimated based on appraisals or similar valuation techniques.

NOTE F - FAIR VALUE MEASUREMENTS – continued

There have been no changes in methodologies used for valuation of investments, nor transfers between levels. Changes in level 3 investments were unrealized gains (losses). The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value:

	Fair Value Measurements Using			
	Level 1	Level 2	Level 3	Total
<i><u>December 31, 2023:</u></i>				
Self directed brokerage accounts	\$ 14,833,750	\$ 618,377	\$ 96,426	\$ 15,548,553
Pooled separate accounts	-	12,601,925	-	12,601,925
Investments, at fair value	<u>\$ 14,833,750</u>	<u>\$ 13,220,302</u>	<u>\$ 96,426</u>	<u>\$ 28,150,478</u>
<i><u>December 31, 2022:</u></i>				
Self directed brokerage accounts	\$ 19,602,829	\$ 737,544	\$ 173,786	\$ 20,514,159
Pooled separate accounts	-	11,102,556	-	11,102,556
Investments, at fair value	<u>\$ 19,602,829</u>	<u>\$ 11,840,100</u>	<u>\$ 173,786</u>	<u>\$ 31,616,715</u>

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
