INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
KinderCare Education Savings and Investment Plan
Portland, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of KinderCare Education Savings and Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of KinderCare Education Savings and Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is completed and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of KinderCare Education Savings and Investment Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KinderCare Education Savings and Investment Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KinderCare Education Savings and Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about KinderCare Education Savings and Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

KINDERCARE EDUCATION SAVINGS AND INVESTMENT PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of KinderCare Education Savings and Investment Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of Plan provisions. The Plan's most recent restatement is effective January 1, 2023.

General

The Plan is a 401(k) salary deferral and profit sharing plan covering substantially all employees of KinderCare Education LLC (the Company) and any adopting affiliate and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Company is the Plan's sponsor and serves as Plan Administrator. The Administrative Committee oversees the governance of the Plan.

Eligibility

Effective January 1, 2018, full and part time and substitute employees who are not a highly compensated employee as defined by the Plan for the current Plan year are eligible to participate if they are at least 18 years old, are not classified as temporary employees, and are not otherwise excluded from participation as defined by the Plan. Eligible employees may enter the Plan the first of the month following 30 days from the date hired. Temporary employees are eligible to participate if they are at least 18 years old, and may enter the Plan on the first of the month following one year of service.

Contributions

Participant contributions – Each year, participants may contribute compensation on a pre-tax or Roth (after-tax) basis, up to the limits provided by the Internal Revenue Code (IRC). Individuals who attain age 50 by the end of the Plan year are eligible to make additional pre-tax “catch-up” contributions. Participants may also contribute amounts representing rollover distributions from other qualified retirement plans. All participant contributions shall be fully vested at all times.

Employer match contributions – The Company matches 40 percent of employee contributions, up to 5 percent of eligible compensation deferred to the Plan.

Contributions are subject to regulatory limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and (b) Plan earnings, and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. Participants direct the investment of their accounts into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in Company contributions is based on years of continuous service.

Participants vest in the Company's contributions based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Notes Receivable from Participants

The Plan allows participants to borrow from their accounts at a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case the loan must be repaid within a reasonable period of time not to exceed ten years. The loans bear interest at a rate of 1 percent plus the prime rate. Principal and interest are paid ratably through payroll deductions. Effective May 1, 2015, the Plan also permits loan repayments to be made by personal check.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in equal installments over an agreed upon number of years. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

The Plan provides for hardship withdrawals in the event of an immediate and heavy financial need in an amount not to exceed the lesser of the participant's elective deferrals and rollover contributions, excluding earnings, or the amount of the financial need. There is no suspension of contributions in the event of a hardship withdrawal. In-service withdrawals are allowed at age 59½ from all accounts that are fully vested.

Forfeitures

Forfeitures are the non-vested portion of a participant's account that are lost upon termination of employment. Forfeitures are retained in the Plan and are used to pay Plan administrative expenses or to reduce future Company contributions. As of December 31, 2023, and 2022, forfeited non-vested accounts available totaled \$-0- and \$130,330, respectively.

NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Forfeitures, continued

For the years ended December 31, 2023 and 2022, no forfeitures were used to pay Plan expenses and \$162,514 and \$243,900, respectively, of forfeitures were used to reduce employer contributions.

ERISA Spending Account

The Plan holds interest-bearing cash in an ERISA Spending Account. For the years ended December 31, 2023 and 2022, this expense account is credited with an annual amount equal to 0.10 percent of participants' account balances in each of the investment options, and is accrued daily. Funds in the ERISA Spending Account are to be used to reimburse the Plan sponsor for Plan related expenses or to pay Plan service providers directly. For the years ended December 31, 2023 and 2022, expenses paid from the ERISA Spending Account of \$79,419 and \$115,529, respectively, were used for payment of Plan administrative and investment expenses. For the years ended December 31, 2023 and 2022, \$262,385 and \$-0-, respectively, were reallocated to participants. The balance in the account was \$-0- and \$176,739 for the years ended December 31, 2023 and 2022, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date.

The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's trustee and investment advisor. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income and earnings on the collective trust are recorded on the accrual basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus accrued interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administrative Expenses and Fees

General Plan administrative expenses may be paid out of the forfeiture account or the ERISA Spending Account. Administrative expenses may also be paid by the Company and are therefore excluded from these financial statements. Investment management, distribution, and loan transaction fees are paid directly from participant accounts. Investment related expenses are included in net change in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Recent Accounting Standard Adopted

On January 1, 2023, the Plan adopted Accounting Standards Update (ASU) 2016-13 Financial Instruments - Credit Losses (Topic 326): *Measurement of Credit Losses on Financial Instruments, and all related amendments* (ASC 326), which replaced the incurred loss methodology for recognizing credit losses with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. CECL requires an estimate of lifetime expected credit losses to be recognized for financial assets based on historical experience, current conditions, and reasonable and supportable forecasts, and for the financial assets to be presented at the net amount expected to be collected on the statements of net assets available for benefits. The financial assets held by the Plan that are subject to ASC 326 are participant and employer contributions receivable.

3. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

KINDERCARE EDUCATION SAVINGS AND INVESTMENT PLAN
NOTES TO FINANCIAL STATEMENTS

3. Fair Value Measurements, continued

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered investment companies: Quoted market prices are used to value each fund based on the net asset value (NAV) of shares held by the Plan at year-end. All mutual funds held by the Plan are open-end mutual funds that are registered with the SEC and are deemed to be actively traded and have a readily determinable fair value.

Common/collective trusts: Units held in the common/collective trusts are valued using the NAV of the fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. All common/collective trusts investments held by the Plan have no unfunded commitments and participant transactions (purchases and sales) may occur daily at NAV. The common/collective trust funds measured at NAV have not been classified in the fair value hierarchy.

A portion of the Plan assets are invested in the Putnam Stable Value Fund which is considered to not be fully-benefit responsive and is therefore carried at fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022. There were no assets held for investment as of December 31, 2023 due to Plan merger discussed in Note 5.

Investments measured at NAV practical expedient:				
Common/collective trusts				<u>7,316,531</u>
Total investments, at fair value				<u>\$195,823,696</u>

4. Tax Status

The Plan has adopted a Prototype Non-Standardized Profit Sharing Plan through execution of an adoption agreement. The prototype plan adopted by Empower Retirement LLC, the sponsor of the prototype plan, has received an opinion letter from the IRS dated November 14, 2022, that the adoption agreement and basic Plan document satisfy Internal Revenue Code (IRC) Section 401. The Plan has been amended and restated since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

5. Plan Termination

The Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

On December 21, 2023, the Plan sponsor entered into an Agreement of Plan Merger with SuccessWise Pooled Employer Plan. All Plan assets were transferred out of the Plan on December 29, 2023, at which point participants in the Plan became participants in the SuccessWise Pooled Employer Plan. This amount is presented as "Transfer of assets from this plan" on the statements of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC (formerly Great-West Trust Company), acting as the trustee of the Plan, has certified the following information included in the accompanying financial statements as complete and accurate as of and for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Investments, at fair value:		
Registered investment companies	\$ -	\$ 188,507,165
Common/collective trusts	-	7,316,531
Notes receivable from participants	-	2,907,677
Investment income:		
Dividends and interest	5,633,433	8,183,660
Net change in fair value of investments	28,941,331	(44,557,163)
Interest income on notes receivable from participants	174,117	146,154

8. Party in Interest Transactions

Plan investments include shares of registered investment company funds managed by Empower Annuity Insurance Company (formerly Great-West Life & Annuity Insurance), the record-keeper. Total fees paid by the Plan for the years ended December 31, 2023 and 2022, were \$493,889 and \$670,093, respectively. These party in interest transactions are exempt from the prohibited transaction rules of ERISA.

9. Transfer of Plan Assets

Effective January 1, 2023, Crème de la Crème Inc. 401(k) Plan officially merged with KinderCare Education Savings and Investment Plan (the Plan). All participant account balances were transferred into the Plan by March 31, 2023. This amount is presented as "Transfer of assets to this plan" on the statements of changes in net assets available for benefits.

10. Subsequent Events

Management evaluates events and transactions that occur after the statements of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report
