INDEPENDENT AUDITOR'S REPORT

Plan Administrator
403(b) Savings Plan for Employees of
VNA Health Care
Aurora, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of the **403(b) Savings Plan for Employees of VNA Health Care** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The 403(b) Savings Plan for Employees of Visiting Nurse Association Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 9 to the financial statements, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the 403(b) Savings Plan for Employees of Visiting Nurse Association Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the 403(b) Savings Plan for Employees of Visiting Nurse Association Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

**403(b) Savings Plan for Employees of
VNA Health Care
Notes to the Financial Statements**

1. Description of Plan

The following brief description of the 403(b) Savings Plan for Employees of VNA Health Care (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a basic 403(b) Plan covering virtually all employees of VNA Health Care (VNA). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each year, participants may contribute any percentage of their pre-tax or post-tax compensation, subject to limitations imposed by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also allows employer non-elective contributions, which are based on participant's annual Plan compensation and qualified years of service. The amount of the employer contribution for the year ended December 31, 2023, was \$1,184,584.

Effective July 1, 2020, the Plan was amended to include an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2 percent of eligible compensation, and automatically increase each year by 1% up to a maximum of 10%.

Participants' Accounts – Each participant's account is credited with the participant and employer's contribution and investment earnings, net of Plan expenses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contribution plus actual earnings. Employer non-elective contributions vest based on the following graduated scale:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Notes to the Financial Statements (cont'd)**

1. Description of Plan (cont'd)

Forfeitures – There were \$5,154 in forfeited non-vested accounts as of December 31, 2023 (\$14,783 at December 31, 2022). Forfeitures can be used to pay administrative expenses or reduce certain employer contributions. In 2023, \$33,481 was used to pay administrative expenses and \$14,955 was used to reduce the employer contribution.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. There can be one loan per year and one loan at a time, with a five-year maximum repayment schedule. The loans are secured by the balance in the participant's account, and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator. The interest rates on participant notes receivable range from 4.25% - 9.50% at December 31, 2023 (4.25% - 8.00% at December 31, 2022).

Payment of Benefits – A participant's account balance may be withdrawn upon retirement, death, disability, or termination of employment as defined by the Plan. The Plan defines normal retirement age as 65. Distributions after age 59½ are also allowed by the Plan. Hardship distributions are also allowed by the Plan.

Plan Termination – Although it has not expressed any intent to do so, VNA has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements are prepared using the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the administrator of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are recorded at fair value, except for fully benefit-responsive contracts, which are reported at contract value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

VNA Health Care

2. Summary of Significant Accounting Policies (cont'd)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain administrative expenses for the Plan are paid by VNA and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Plan Amendment – On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security Act, (CARES Act). As a result, changes were made related to Plan withdrawals and loans to participants, for impacted participants, their spouse and dependent(s) who have been diagnosed with virus SARS-CoV-2 or with COVID-19, as well as participants that have experienced adverse financial consequences. The changes applicable to the Plan are summarized below:

- Impacted participants may receive up to \$100,000 in aggregate withdrawals before December 31, 2020.
- 10% penalty tax for early withdrawal is waived.
- Mandatory 20% withholding on distributions will not apply.
- No limit to the number of withdrawals an impacted participant can make.
- Repayment of withdrawal amount is permitted if repayment occurs within three years of the distribution.
- Impacted participants may borrow up to the lesser of \$100,000 or 100% of their vested balance for 180 days beginning March 27, 2020.
- Impacted participant loan payments due from March 27, 2020 through December 31, 2020, including those due following a severance from employment, may be delayed for one year.

On August 3, 2022, the IRS issued Notice 2022-33, which extends the deadlines for qualified retirement plans to adopt amendments reflecting certain optional and required changes under the SECURE, CARES, and Miners Acts. Plan sponsors of defined contribution plans generally now have until December 31, 2025, to amend their plans if they took advantage of benefit changes permitted by these laws, including changes allowed by the CARES Act as part of COVID-19 relief.

The Plan will formally adopt an amendment to address these changes at a later date in accordance with applicable law and IRS guidance.

2. Summary of Significant Accounting Policies (cont'd)

Subsequent Events – The Plan has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued.

3. Information Prepared and Certified by Custodian

VNA, acting in its capacity as the Plan administrator, has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the unaudited information regarding the Plan as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included in the Plan's financial statements and supplemental schedules, that was prepared based on or derived from information prepared by Charles Schwab Trust Bank, the custodian of the Plan, and furnished to the Company. The Company has obtained certifications from the custodian as of December 31, 2023 and December 31, 2022, and for the year ended December 31, 2023, that such information is complete and accurate.

	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ 16,619,140	\$ 12,527,105
Investments, at contract value	3,155,361	3,301,821
Notes receivable from participants	205,417	164,043
Net appreciation in fair value of investments	1,626,331	
Dividends and interest	578,970	
Interest on notes receivable from participants	11,831	

4. Fair Value of Financial Instruments

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, "Fair Value Measurements and Disclosures," provides the framework for measuring fair value. That framework provides a three-level valuation hierarchy that prioritizes the inputs to valuation techniques used to measure fair value as follows:

Level 1 – Valuations are based on unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 – Valuations are based on quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose significant inputs are observable.

Level 3 – Valuations are based on unobservable inputs for the asset or liability that reflect the reporting entity's own data and assumptions that market participants would use in pricing the asset or liability. These unobservable inputs are significant to the fair value measurement.

**403(b) Savings Plan for Employees of
VNA Health Care
Notes to the Financial Statements (cont'd)**

4. Fair Value of Financial Instruments (cont'd)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of valuation methodologies used for investments measured at fair value on the Statement of Net Assets Available for Plan Benefits, and the classification of such investments pursuant to the valuation hierarchy.

The carrying amount of cash approximates fair value. These assets are categorized in Level 1 of the fair value hierarchy.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. These assets are categorized in Level 1 of the fair value hierarchy.

At December 31, 2023, the Plan's financial instruments measured at fair value on a recurring basis were categorized as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,618,696	\$ -	\$ -	\$ 16,618,696
Non-interest-bearing cash	444	-	-	444
	<u>\$ 16,619,140</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,619,140</u>

At December 31, 2022, the Plan's financial instruments measured at fair value on a recurring basis were categorized as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,389,474	\$ -	\$ -	\$ 12,389,474
Non-interest-bearing cash	137,631	-	-	137,631
	<u>\$ 12,527,105</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,527,105</u>

**403(b) Savings Plan for Employees of
VNA Health Care
Notes to the Financial Statements (cont'd)**

5. Group Annuity Contract

In 2017, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Standard Insurance Company (Standard) which totaled \$3,155,361 at December 31, 2023 (\$3,301,821 at December 31, 2022). Standard maintains the contributions in a general account. Standard's general account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. Standard is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate of the contract is based on an agreed-upon formula with Standard, as defined in the contract, but may not be less than 1.00%. Such interest rates are reviewed on a quarterly basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria; therefore, is reported at contract value. Contract value, as reported to the Plan by Standard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value, but they may not transfer their investment directly into a competing fund.

The Plan's investment contract specifies certain conditions under which distributions from the contract would be payable at amounts below contract value. Such circumstances include Plan termination, Plan merger, premature contract termination initiated by VNA, and certain other Company-initiated events that result in distributions exceeding a set amount. The contract limits the circumstances under which Standard may terminate the contract. Examples of circumstances which would allow Standard to terminate the contract include the Plan's loss of its qualified status, uncured material breaches of responsibilities, or material and adverse changes to the provisions of the Plan. If one of these events were to occur, Standard could terminate the contract at an amount less than contract value. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with Standard, and that also would limit the ability of the Plan to transact at contract value with the participants.

6. Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). VNA has adopted a volume submitter plan provided by Alliance Benefit Group (now part of EPIC Retirement Plan Services). The terms of the plan document have been prepared to conform with the sample language provided by the Internal Revenue Service. The Plan administrator will apply (or EPIC will apply for a determination letter on the volume submitter plan) for a determination letter on the Plan once the IRS opens such a program. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under 403(b).

**403(b) Savings Plan for Employees of
VNA Health Care
Notes to the Financial Statements (cont'd)**

6. Tax Status (cont'd)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Related Party Transactions and Party-In-Interest Transactions

The Plan has investments in non-interest-bearing cash managed by Charles Schwab Trust Bank. As Charles Schwab Trust Bank serves as the custodian as defined by the Plan, these transactions are party-in-interest transactions.

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Plan incurred direct administrative expenses to EPIC Retirement Plan Services, the Plan's recordkeeper, of \$72,210 and \$50,504 to HighTower Advisors, the Plan's investment advisor. These expenses were not covered by revenue sharing.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for Plan benefits.

9. Excluded Contracts

The Plan's financial statements do not present information regarding certain investments in annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as this was not a requirement at that time. The Plan Administrator has elected to exclude those contracts and accounts and the related activity from the plan's financial statements for purposes of the annual reporting requirements of the Employee Retirement Income Security Act of 1974 (ERISA) in accordance with the transition relief provided by Department of Labor Field Assistance Bulletin 2009-02, *Annual Reporting Requirements for 403(b) Plans*. Presentation of this information is required by accounting principles generally accepted in the United States of America. The effects of this departure from generally accepted accounting principles on these financial statements are not reasonably determinable.
