INDEPENDENT AUDITORS' REPORT

The Trustee
Beach Haus LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Beach Haus LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Beach Haus LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Beach Haus LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Beach Haus LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Beach Haus LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Beach Haus LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BEACH HAUS, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Beach Haus, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General

The Plan is a cash or deferred profit sharing plan and was originally established on January 1, 2016 upon adoption of the Ascensus LLC Non-standardized Defined Contribution Pre-Approval Plan. On January 1, 2022, the Plan was amended to conform with minimum distribution rules which requires a complete distribution to beneficiaries of deceased participants within 10 years after death (5 years if beneficiary is not a person). Additionally, distributions must begin by April 1 of the calendar year following the year the participant turns 70 ½ (if the participant was born before July 1, 1949) or age 72 (if the participant was born after June 30, 1949), or when the participant retires, if later. Additionally, the amendment allowed long-term part-time employees to be eligible to enter the Plan.

Employees of Beach Haus, LLC (the “Employer”) may participate in the Plan upon meeting eligibility requirements, as described below. Future Plan by Ascensus (the “TPA”) is responsible for the overall administration and operation of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and is designed to qualify under Section 401(k) of the Internal Revenue Code (the “IRC”).

Eligibility

All employees who are a minimum of 21 years of age and have completed one month of eligible service are eligible to participate in the Plan. Following satisfaction of the eligibility requirements, which include a required 30 days of employment before enrollment, employees are able to enroll in the Plan on the first day of each calendar quarter.

Participant Contributions

Tax-Deferred Contributions

A participant in the Plan may elect to have voluntary tax-deferred contributions deducted from their pay, for each pay period, up to the annual maximum allowed under the IRC, which was \$22,500 for the year ended December 31, 2023 for participants under age 50, and a total of \$30,000 for participants over age 50 (\$22,500 in normal deferrals, plus an extra \$7,500 in catch-up deferrals). For the year ended December 31, 2022, the maximum allowed under the IRC was \$20,500 for participants under age 50, and a total of \$27,000 for participants over age 50 (\$20,500 in normal deferrals, plus an extra \$6,500 in catch-up deferrals).

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Participant Contributions (Continued)

Rollover Contributions

An employee who receives a qualifying rollover distribution from an eligible retirement plan may make a rollover contribution into the Plan, even though the employee has not otherwise become eligible to participate in the Plan.

Catch-Up Contributions

In addition to the tax-deferred contributions described above, Plan participants who will be at least 50 years old by the end of the calendar year and who have contributed the maximum amount of tax-deferred contributions for the year, may make additional catch-up contributions to the Plan in accordance with, and subject to, the limitations of the IRC. The catch-up contribution limit was \$7,500 and \$6,500, respectively, for the years ended December 31, 2023 and 2022.

Employer Contributions

In accordance with the Plan Agreement, the Employer may also make discretionary matching contributions in a uniform rate equal to 25% of the participants elective deferral not to exceed 4% of the participants compensation. During the years ended December 31, 2023 and 2022 discretionary matching contributions declared in the amounts of \$84,696 and \$91,732, respectively, which were paid in March of the subsequent years.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with (a) the participant's contributions, (b) Employer discretionary matching contributions (when applicable) made to the Plan; and (c) investment earnings. Each participant's account is charged with participant specific fees, such as withdrawal fees, and allocations of investment losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

The Plan offers various investment options which are managed by outside investment managers. Upon enrollment in the Plan, the participants may direct their contributions in any of the investment funds offered at the time. Participants should refer to the investment literature provided by the Employer for a complete description of the investment options and for the detailed composition of each investment fund.

BEACH HAUS, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are fully vested in their tax-deferred, rollover contributions, and catch-up contributions.

Each participant attains a vested and nonforfeitable right in Employer discretionary matching contributions and non-elective contribution account (when applicable) in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1 year	0%
2 years	25%
3 years	50%
4 years	100%

Forfeitures

The end of year forfeitures balance at December 31, 2023 and 2022 was \$3,125 and \$3,801, respectively. Due to termination of employment, participants forfeited \$4,430 and \$3,788, respectively, during the years ended December 31, 2023 and 2022. During the year ended December 31, 2023, \$4,716 of forfeitures were allocated to the employer discretionary matching contributions. During the year ended December 31, 2022, \$6,101 of forfeitures were applied to contribution remittances and administrative fees during the year.

Benefit Payments

Upon termination of service, participants with a vested account balance of \$5,000 or less (excluding rollovers) will receive an automatic cash-out distribution while participants with a vested account balance greater than \$5,000 (excluding rollovers) can elect to receive a lump-sum distribution, or rollover their account balances into another qualified plan within a reasonable period of time following the date the participant terminates employment. Partial withdrawals or installments are only permitted for participants with vested account balances of \$5,000 or more, who also must receive required minimum distributions under IRC §401(a)(9).

In-service account withdrawals are permitted for participants who suffer certain financial hardships and meet criteria established by the Internal Revenue Service ("IRS"). In-service account withdrawals are also permitted for participants who have reached 59 1/2 years of age.

Any withdrawals by participants prior to terminating employment with the Employer and prior to age 59 1/2 are subject to ordinary personal income taxes and an early withdrawal penalty.

BEACH HAUS, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments (Continued)

Additionally, withdrawals by terminated participants, prior to the attainment of age 59 1/2, which are not rolled over into another qualified plan, are also subject to ordinary personal income taxes and an early withdrawal penalty.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Accounting Method

The Plan financial statements have been prepared on the accrual basis of accounting in accordance with Accounting Principles Generally Accepted in the United States of America ("GAAP").

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

In preparing financial statements in conformity with GAAP, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Investment contracts

held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits if a defined-contribution plan attributable to fully benefit-responsible investment contracts because the contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan offers the Nationwide Fixed Select Option, a fully benefit responsive fund (see Note 4).

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis of accounting. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Costs and Expenses

The costs and expenses of the Plan are shared by the Plan and the Employer. Audit fees are paid by the Employer. Participant specific fees are paid out of the assets of the Plan allocated to corresponding participant accounts. Administration expenses not directly related to specific participants, including fees for direct investment transactions, recordkeeping, and trustee services that are paid out of assets of the Plan, are allocated to participant accounts based on individual participant account balances. Investment-related expenses are included in the net appreciation in fair value of the related investment and totaled \$19,955 during the year ended December 31, 2023.

Payment of Benefits

Benefit payments to participants are recorded upon distribution. \$66,689 was disbursed to participants who elected to withdraw from the Plan during the year ended December 31, 2023.

Income Taxes

GAAP requires management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merit, to be sustained upon examination by the IRS. The Employer has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there were no uncertain positions taken or expected to be taken. The Plan has not recognized any interest or penalties related to uncertain tax positions.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 3 - INVESTMENTS AND INFORMATION CERTIFIED BY NATIONWIDE TRUST COMPANY, FSB (UNAUDITED)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by the Plan's custodian, Nationwide Trust Company, FSB (the "Custodian"), except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental schedule.

As of December 31, 2023 and 2022, the Custodian certified the completeness and accuracy of net investments as follows:

	2023	2022
Mutual funds, at contract value	\$ 2,479,495	\$ 1,445,298
Money market funds, at fair value	3,125	3,801
Fixed select contract, at contract value	22,318	12,535
	<u>\$ 2,504,938</u>	<u>\$ 1,461,634</u>

For the year ended December 31, 2023, the Custodian certified the completeness and accuracy of net investment income as follows:

	2023
Net realized gain (loss) on investments	\$ 254,631
Dividends	91,304
Interest	129
	<u>\$ 346,064</u>

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan uses Accounting Standards Codification ("ASC") 820 for fair value measurements, which defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). To measure fair value, a hierarchy has been established that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. In such cases, the lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

BEACH HAUS, LLC 401(K) PLAN

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy are as follows:

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 – Quoted prices in markets that are not considered to be active, or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable, including option pricing models, discounted cash flow models, and similar techniques.

Fair value estimates are made at a specific point in time, based on available market information and other observable inputs. In some cases, the fair value estimates cannot be substantiated by comparison to independent markets. In addition, the disclosed fair value may not be realized in the ultimate settlement of the financial asset as these values do not represent any premium or discount that could result from selling an entire holding of a particular financial asset at one time. Other expenses that would be incurred in an actual sale or settlement are not included in the amounts disclosed.

The following is a description of the valuation methodologies used for assets measured at fair value.

Money Market Funds and Mutual Funds: Valued at the closing price reported on the active market on which the individual securities are traded.

Investment Contracts with Insurance Company: The Plan offers the Nationwide Fixed Select contract, which is a traditional fully benefit-responsive group annuity contract. Nationwide Trust company, FSB maintains the contributions in its general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Certain events may allow for investments to settle at an amount different from contract value. The events include layoffs of Plan participants, early retirement windows, spin-offs, sale of a division, facility closings, full or partial Plan terminations and changes in laws or regulations. The Plan's ability to receive amounts due in accordance with fully benefit-responsive investments contracts is also dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

BEACH HAUS, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer, and that also would limit the ability of the Plan to transact at contract value with the participants.

There have been no changes in methodologies used as of, and during the year ended, December 31, 2023.

The following table shows the balances set forth by level, within the fair value hierarchy, of the Plan's assets as of December 31, 2017:

	<i>Fair Value Measurements as of December 31, 2023</i>			
	Level 1	Level 2	Level 3	Total
Fixed select contract	\$ -	\$ -	\$ 22,318	\$ 22,318
Money market funds	3,125	-	-	3,125
Mutual Funds	2,479,495	-	-	2,479,495

There were no transfers between fair value levels during the years ended December 31, 2023 and 2022.

NOTE 5 - TAX STATUS

By a letter dated May 7, 2015 and December 31, 2018, the IRS has determined that the form of the Plan Agreement and related trust are acceptable under Section 401(a) of the Internal Revenue Code ("IRC") for use by employers for the benefit of their employees. Effective January 1, 2022, the Employer adopted the Cycle 3 restatement, which included a new adoption agreement, basic plan document, and trust agreement.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 5 - TAX STATUS (CONTINUED)

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is still subject to federal and state income tax examinations by taxing authorities for the years ended December 31, 2019 through 2023.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are mutual funds and group annuity contracts managed by Nationwide Trust Company, FSB. Nationwide Trust Company, FSB is the custodian of the Plan's assets and, therefore, these transactions qualify as party-in interest transactions as defined by ERISA. Any transactions involving these investments are on the open market at fair value or contract value, as outlined in Note 2. Consequently, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in interest transactions under ERISA.

NOTE 7 - FINANCIAL STATEMENT PRESENTATION

The financial statements of the Plan contain certain classifications of assets, additions to net assets, and deductions from net assets that differ from the presentation of assets, income and expenses that are reported on Internal Revenue Service Form 5500.
