INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Clysar, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Clysar, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2023 and delinquent participant contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CLYSAR, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 — PLAN DESCRIPTION

The following brief description of the Clysar, LLC 401(k) Plan (the Plan) is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers substantially all employees of Clysar, LLC (the Company and Plan Administrator) who have completed six or twelve months of service (depending on the number of hours worked during those months) and are age eighteen or older. Entry into the Plan occurs on the first day of the month following an employee meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

The Company has contracted with Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, Empower) to hold the Plan's assets and execute investment transactions. The Company also utilizes Empower to provide recordkeeping services on behalf of the Plan.

Contributions

Each year, participants may contribute up to 92% of annual compensation, as defined in the Plan agreement, on a pre-tax or post-tax (Roth) basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes 100% of the first 4% of base compensation that a participant contributes to the Plan as a safe-harbor contribution. Additional profit sharing amounts may be contributed at the option of the Company, though additional eligibility criteria must be met by a participant to receive a portion of the profit sharing contribution. For the years ended December 31, 2023 and 2022, no profit sharing contributions were made. Contributions are subject to certain limitations set by the Internal Revenue Service (IRS).

Participant Accounts

Each participant's account is credited with the participant's contributions and Company safe-harbor contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of Plan losses and administrative expenses that are paid by the Plan. Administrative expense allocations are based on account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CLYSAR, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 — PLAN DESCRIPTION (Continued)

Vesting

Participants are immediately vested in their contributions, as well as the Company's safe-harbor contribution, plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contribution to their accounts, plus actual earnings thereon, is based on a rate of 20% for each year of service after one year of service. A participant is 100% vested after six years of credited service. Furthermore, participants will vest automatically if they turn 65 years old, die or become disabled while employed.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants have up to five years to repay the loan and may have a maximum of two loans outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at prime, plus 1%, as determined on the date of the loan. If interest rates decrease by more than 1% during the term of the loan, participants can refinance each loan once, but must keep the original maturity date. At December 31, 2023, notes receivable from participants bear interest at rates of 4.25% to 9.50% and mature between 2024 and 2028. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to retirement, death, disability or separation from service, the participant may elect to receive benefits in a single lump-sum, in periodic payments over a period of time not to exceed the participant's assumed life expectancy, or a combination of the two. If the participant's vested account balance (excluding rollover contributions) is less than \$5,000 upon termination of service, the participant is required to roll over the funds into another qualified plan or receive a lump-sum distribution.

Participants are also eligible to receive in-service distributions and hardship withdrawals from their vested account balances if certain conditions are met.

Forfeited Accounts

Forfeited accounts are used to reduce administrative expenses, restore forfeited balances of eligible rehires, and offset future Company contributions. At December 31, 2023 and 2022, there were no forfeited non-vested accounts. Furthermore, no forfeitures were used during the years ended December 31, 2023 and 2022.

NOTE 2 — SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

CLYSAR, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 2 — SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments, the participant has until the end of the calendar quarter following the quarter in which he/she initially defaulted on the loan to make up the missed payments before the loan will be deemed distributed by the Plan as a taxable disbursement to the participant.

Contributions

Contributions from the Plan participants and safe-harbor contributions from the Company are recorded in the year in which the participant's contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from the financial statements. Participants are responsible for certain transaction-related expenses, third party administrative services and asset-based recordkeeping fees. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

CLYSAR, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 2 — SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3 — INFORMATION CERTIFIED BY EMPOWER

The following is a summary of the unaudited information regarding the Plan as of and for the years ended December 31, 2023 and 2022, included in the Plan's financial statements and supplemental schedules, that was prepared from information provided by Empower, the insurance company and custodian of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that such information is complete and accurate.

	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ 24,168,071	\$ 19,947,516
Investment, at contract value	1,470,374	1,318,155
Notes receivable from participants	1,013,733	867,712
Net appreciation (depreciation) in fair value of investments	2,874,548	(4,627,965)
Interest and dividends	719,903	670,627
Interest income on notes receivable from participants	65,784	32,739

NOTE 4 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in active markets; inputs other than quoted prices that are observable for the assets or liabilities; and inputs that are derived principally from or corroborated by observable market data by correlation or other means;

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

CLYSAR, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 4 — FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Value based on quoted prices of identical assets in active markets.

The following table sets forth a summary of the Plan's investments measured at fair value on a recurring basis:

Description	Investments at Fair Value as of December 31,			
	2023		2022	
	Level 1	Total	Level 1	Total
Investments, at fair value:				
Mutual funds	<u>\$ 24,168,071</u>	<u>\$ 24,168,071</u>	<u>\$ 19,947,516</u>	<u>\$ 19,947,516</u>

NOTE 5 — FIXED ANNUITY CONTRACT WITH EMPOWER

The Plan has a group annuity contract with Empower that invests contributions in the Empower Select Guaranteed Fund (Fund). The Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly.

The contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and interest crediting rate was 2.18% and 1.88% for 2023 and 2022, respectively. The interest crediting rate is based on a formula agreed upon with the issuer but may not be less than zero percent.

Certain events limit the ability of the Plan to transact at contract value with the Fund's contract issuers. Such events include (1) premature termination of the fixed annuity contract by the Plan, (2) significant layoffs, mergers, plant closings and other significant changes in the Company's operations, and (3) termination of the Plan. The Plan Administrator does not believe that the occurrence of any such event is probable at December 31, 2023.

CLYSAR, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 6 — TAX STATUS

The Plan uses a prototype plan document sponsored by Datair Employee Benefit Systems, Inc (Datair). Datair received an opinion letter from the IRS dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2023 and 2022, no such positions exist.

NOTE 7 — PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower. Empower is the insurance company and custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan incurred recordkeeping fees of \$89,200 and \$112,531 to Empower during the years ended December 31, 2023 and 2022, respectively. The Plan also contains participant loans. These transactions are exempt and are not prohibited by ERISA.

NOTE 8 — PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 9 — PROHIBITED TRANSACTIONS

During the year ended December 31, 2022, the Company inadvertently failed to deposit participant deferrals of approximately \$15,000 within the required timeframe as stated by the Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions. The Plan is working with its service providers to make necessary corrections.

NOTE 10 — SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued.
