INDEPENDENT AUDITOR'S REPORT

Participants and Trustees
Independent Pet Partners 401(k) Plan
Woodbury, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Independent Pet Partners 401(k) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H item 4a – Schedule of Delinquent Participant Contributions and Schedule H item 4i – Schedule of Assets Held at End of Year, as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT PET PARTNERS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

1. Summary description of Plan:

The following description of Independent Pet Partners 401(k) Plan (the Plan), established by Independent Pet Partners Intermediate Holdings II, LLC (IPP Buyer Acquisition, LLC post restructuring) (the Plan Sponsor), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering substantially all employees of Independent Pet Partner's Intermediate Holdings II, LCC, and the affiliated entities under the controlled group, who have completed two months of service and are at least 21 years of age, provided they are not covered by a collective bargaining agreement, a leased employee, or a nonresident alien who receives no earned income that constitutes income from services performed within the United States. The Plan was established January 1, 2011 and was most recently restated to the Cycle-3 restatement cycle effective March 1, 2022 on February 9, 2022. Prior to March 1, 2022, the eligibility requirements were 60 days of service and at least 21 years of age.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor serves as the Plan Administrator. The Plan Sponsor has appointed Great-West Trust Company LLC to be the custodian and invest the assets of the Plan. The Plan's Retirement Committee is responsible for the oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions:

Each year, participants may contribute up to 85% of pretax or after-tax (Roth) annual compensation to the Plan under the provisions of the Internal Revenue Code (the Code) or up to the maximum permitted by the Internal Revenue Service (IRS). The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. In the absence of a deferral election, automatically enrolled participants have their deferral rate set at 5% of eligible compensation for all employees hired on or after March 1, 2022, and their contributions are invested in a designated balanced fund until changed by the participant. Prior to March 1, 2022, the automatically enrolled participants had their deferred rate set at 3%. The Plan Sponsor may elect to make discretionary contributions as determined by the Plan Sponsor's Board of Directors. Plan Sponsor discretionary contributions are invested based on each individual participant's investment elections.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Participant accounts:

Each participant's account is credited with the participant's contributions, the Plan Sponsor's discretionary contributions, if any, and an allocation of Plan investment results and administrative expenses that are paid by the Plan. Allocations are based on participants' eligible compensation, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

INDEPENDENT PET PARTNERS 401(K) PLANNOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022**1. Summary description of Plan (continued):****Vesting:**

Prior to March 1, 2022, participants vested in their balances based on years of continuous service as follows: less than one year, 0%; less than two years, 25%; less than three years, 50%; less than four years, 75%; four years or more, 100%. Participants who terminate employment due to retirement, disability or death become 100% vested in their account balance. On March 1, 2022, the Plan changed its vesting to be based on years of continuous service as follows:

<u>Service</u>	<u>Vested Percentage</u>
0 to <1 year	0%
1 to <2 years	50%
>2 years	100%

Participants who terminate employment due to retirement, disability or death become 100% vested in their account balance.

Investment options:

Upon enrollment in the Plan, a participant may direct contributions into various investment options. Each option varies in type of investment, rate of return, and investment risk. Participants may change their contribution election and investment option elections on a daily basis.

Notes receivable from participants:

Participants are permitted to borrow from their account a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of the total vested account balance. See Note 2 below regarding the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act increased the loan limit. The repayment period is not to exceed 60 months, unless it is for a principal residence, in which case the term can be for a reasonable period of time, as determined by the Plan Administrator. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. The interest rate on outstanding notes was between 4.25% and 9.00% at December 31, 2023. Principal and interest are paid ratably through after-tax payroll deductions over the terms of the notes.

Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

INDEPENDENT PET PARTNERS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

1. Summary description of Plan (continued):

Benefits paid to participants:

Upon retirement at age 59 ½ or older, death, disability or Plan termination, participants, or their beneficiary, may elect to roll over their balance to another qualified plan or individual retirement account (IRA) or receive the value of the vested interest in their accounts in the form of a lump-sum distribution or installments at least equal to the required minimum distribution amount. For termination of service for other reasons, participants may receive the value of the vested interest in their accounts as a lump-sum distribution or roll over the balance to another qualified plan or IRA. Upon termination of service, participants with vested account balances of \$200 or less will be cashed out, and balances between \$200 and \$5,000 will be distributed by either a lump-sum payment or directly rolled into an IRA.

Forfeited accounts:

As of December 31, 2023 and 2022, forfeited nonvested accounts were not material. At the Plan Sponsor's discretion, forfeited accounts may be used to fund future Plan Sponsor contributions and/or to pay Plan expenses. During the year ended December 31, 2023, the Plan used an immaterial amount of forfeitures to pay Plan expenses.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors, custodian and other third parties. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation and appreciation include the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balances plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments, and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

2. Summary of significant accounting policies (continued):**Payment of benefits:**

Benefits are recorded when paid.

Administrative expenses:

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. The remaining administrative costs are paid by the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included as an offset to net appreciation in fair value of investments.

Excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. For amounts related to 2022, the Plan distributed the excess contributions to the applicable participants in 2023.

Plan amendments:

In 2020 the Plan chose to adopt the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) which provided retirement plans the option to allow COVID-19 related distributions, increase loan amounts, and waive 2020 required minimum distributions. The Plan was amended to reflect these changes in February of 2022.

In February 2022, the Plan adopted the Setting Every Community Up for Retirement Enhancement (SECURE) Act. The SECURE Act requires employers to allow long-term part-time employees the ability to make elective deferrals into their current 401(k) plans, except in the case of collectively bargained plans. Long-term part-time employees are defined as employees who are age 21 or older and who have completed 500 - 999 hours of service for three consecutive years. These employees will be eligible to participate in the elective deferral portion of the plan as of January 1, 2024, but they are not required to receive employer nonelective or matching contributions.

Concentrations:

A total of approximately 32% and 24% of investments were held in three funds as of December 31, 2023 and 2022, respectively.

Subsequent events:

Management has evaluated for subsequent events through October 15, 2024 the date the financial statements were available for issuance.

INDEPENDENT PET PARTNERS 401(K) PLANNOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022**3. Certification of investment information:**

The Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedules, Schedule H, Line 4a—Schedule of delinquent participant contributions and Schedule H, Line 4i—Schedule of assets (held at end of year), was prepared by or derived from information provided by Great-West Trust Company LLC, the custodian of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that the information provided to the Plan Administrator by the custodian related to the assets is complete and accurate. Accordingly, as permitted by ERISA Section 103(a)(3)(c) as of and for the year ended December 31, 2023 and 2022, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information related to the following assets:

	<u>2023</u>	<u>2022</u>
Mutual funds	\$ 6,119,859	\$ 5,987,886
Collective investment trust	40,561	121,348
Notes receivable from participants	<u>39,238</u>	<u>66,113</u>
	<u>\$ 6,199,658</u>	<u>\$ 6,175,347</u>

Great-West Trust Company LLC, the current custodian, also certified as to the completeness and accuracy of \$806,229 and \$(1,473,508) of net appreciation (depreciation) in fair value of investments, \$165,708 and \$285,983 of dividends and interest related to the aforementioned investments and \$2,391 and \$1,942 of interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, respectively.

4. Fair value of investments:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

INDEPENDENT PET PARTNERS 401(K) PLANNOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022**4. Fair value of investments (continued):**

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust:

The collective investment trust is valued at the net asset value (NAV) as reported by the custodian at year-end based upon the fund's audited financial statements. The fund's underlying assets consist of investment contracts and security-backed contracts. The NAV, as provided by the custodian, is used as a practical expedient to estimate the fair value. The practical expedient is not used when it is determined to be probable that the trust will sell its investments for amounts different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	2023			
	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Mutual funds	\$ 6,119,859	\$ -	\$ -	\$ 6,119,859
Investments, measured at net asset value, collective investment trust (a)				40,561
Total investments at fair value				\$ 6,160,420

INDEPENDENT PET PARTNERS 401(K) PLANNOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 20224. Fair value of investments (continued):

	2022			Total
	Level 1	Level 2	Level 3	
Investments at fair value:				
Mutual funds	\$ 5,987,886	\$ -	\$ -	5,987,886
Investments, measured at net asset value, collective investment trust (a)				<u>121,348</u>
Total investments at fair value				<u>\$ 6,109,234</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV or its equivalent have not been classified in the fair value hierarchy. The fair value amounts in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The Plan follows guidance on how entities should estimate fair value of certain alternative investments. The fair value of investments within the scope of the guidance can be determined by NAV per share as a practical expedient, when fair value is not readily determinable, unless it is probable the investment will be sold at something other than NAV.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022:

Investment	2023	2022	Unfunded commitments	Redemption frequency	Redemption notice period
Collective investment trust:					
GWI Fixed Account, Series					
Class VI Fund	\$ 40,561	\$ 121,348	None	Daily	12 months

The redemption notice period disclosed in the table above reflects the notice period required if the Plan withdraws from the investment. For individual participants who choose to withdraw from the investment, there is no redemption notice period required.

5. Related party transactions and party-in-interest transactions:

The Plan's investments are managed by the custodian; therefore, these transactions qualify as party-in-interest transactions.

6. Plan termination:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. Tax status:

The Plan document used by the Plan obtained its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Nonexempt prohibited transactions:

The Plan Sponsor inadvertently failed to remit certain 2021, 2020 and 2019 participant contributions to the Plan totaling \$113,779,192, and \$23,349, respectively, within the required time frame as stated by the United States Department of Labor regulations. The Plan Sponsor intends to deposit lost earnings, which are immaterial, and correct these failures in 2024. The Plan Sponsor will file Form 5330 and pay applicable excise tax to the IRS. The correction and any excise taxes, if applicable, will be made from the Plan Sponsor's assets and not from assets of the Plan.

9. Plan sponsor Chapter 11 filing:

On February 5, 2023 the Plan Sponsor filed for Chapter 11. The Plan Sponsor intends to continue to provide employees with salaries and benefits, including the Plan, during the reorganization. Plan management has not expressed any intent to terminate the Plan and does not believe the Plan Sponsor reorganization constitutes a going concern consideration for the Plan.
