INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Allegiance Fundraising LLC 401(k) Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Allegiance Fundraising LLC 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Plan Benefits as of December 31, 2023 and 2022, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALLEGIANCE FUNDRAISING LLC 401(K) RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

1. Description of the Plan

The following description of the Allegiance Fundraising LLC 401(k) Retirement Savings Plan (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed, defined contribution plan, covering the eligible employees of Allegiance Fundraising LLC (the Employer). The Plan covers all employees of the Employer who have attained the age of 21 and completed 90 days of eligible service, except those covered by a collective bargaining agreement, nonresident aliens, and reclassified employees. Effective March 31, 2023, the Plan was amended to waive the eligibility conditions for participants entering the Plan who were previously employed by The Pursuant Group, Inc. Participation in the Plan is voluntary. Employees are eligible to enter the Plan on the first day of the month coinciding with, or next following, the date of satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Employer is also the administrator of the Plan (Plan Administrator). As Plan Administrator, the Employer has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Empower Trust Company, LLC (formerly Great-West Trust Company, LLC) is the appointed trustee of the Plan, and acts at the direction of the Plan Administrator. The Plan's custodian is collectively Empower Annuity Insurance Company of America and Empower Trust Company, LLC (Empower). Empower was formerly known as Great-West Life & Annuity Insurance Company, LLC and Great-West Trust Company, LLC (Great-West). The broker for the self-directed brokerage account offered by the Plan was TD Ameritrade, Inc. through September 5, 2023. TD Ameritrade Holding Corporation, including TD Ameritrade, Inc., was acquired by Charles Schwab Corporation during October 2020, and the integration process was completed in 2023.

Effective March 3, 2020, the Beaconfire Consulting Inc. 401(k) Plan was merged into the Plan, with an amendment whereby Beaconfire Consulting Inc., an entity under common ownership of the Employer, was made an eligible employer of the Plan.

Contributions

Participants may elect to contribute up to 100% of their eligible compensation to the Plan, on a pre-tax and after-tax Roth basis, so long as those contributions do not exceed annual limitations set by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions (Rollover) from other qualified retirement plans.

ALLEGIANCE FUNDRAISING LLC 401(K) RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

The Employer makes a safe-harbor matching contribution to the Plan in an amount equal to 100% of the first 3% of eligible compensation that a participant contributes to the Plan, and 50% of each participant's eligible compensation that a participant contributes to the Plan in excess of 3% but not in excess of 5% of the participant's compensation. For the year ended December 31, 2023, the Employer contributed safe-harbor matching contributions in the amount of approximately \$631,400.

The Employer may make a discretionary matching contribution which will not apply to elective deferrals exceeding 6% of compensation. The total amount of the discretionary matching contribution will not exceed 4% of compensation. No employer discretionary matching contributions were made to the Plan for the year ended December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contribution and Employer matching contributions thereon, and allocations of Plan earnings (losses) and administrative revenue (expenses). Plan earnings (losses) and administrative revenue (expenses) are allocated to participant accounts based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, Employer safe-harbor contributions and accrued earnings thereon. A participant becomes fully vested in the Employer's discretionary matching contributions and the annual allocation of Plan earnings on those contributions after three (3) years of service. A year of vesting service is equal to at least 1,000 hours of service in a Plan year. An employee who incurs a break in service of less than five years and returns to employment retains credit for pre-break years of service subject to certain rules.

Participants who participated in the Beaconfire Consulting Inc. 401(k) Plan whose employment commencement dates are prior to January 10, 2019 will be 100% vested in their nonelective contributions. Matching and nonelective contributions attributable to the Beaconfire Consulting Inc. 401(k) Plan will vest as follows: 25% after 1 years of service, 50% after 2 years of service, 75% after 3 years of service and 100% after 4 years of service.

Each participant shall be 100% vested in their Employer contribution accounts upon attainment of normal retirement age of 62.

ALLEGIANCE FUNDRAISING LLC 401(K) RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Participant Notes Receivable

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The \$50,000 maximum loan amount is reduced by the highest loan balance during the past 12 months minus the loan balance on the date a new loan is made. Terms range from one to five years, or up to 15 years for the purchase of a principal residence. A participant may have no more than two loans outstanding at any one time. The notes are secured by the vested balance in the participant's account and bear interest at a rate of prime plus 1%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

The Plan allows for in-service distributions of the participant's elected deferral accounts upon reaching the age of 59½ or due to hardship or disability, as defined by the Plan document. In-service withdrawals are also permitted for Rollover and Roth Rollover account balances at any time. Upon termination of employment for any reason, a participant or beneficiary will be entitled to the value in their vested account balance.

If a participant's vested balance is equal to or less than \$1,000, the participant will receive an immediate cash-out of their vested account balance, and the non-vested portion shall be treated as a forfeiture. If a participant's vested balance exceeds \$1,000 and is equal to or less than \$5,000, the amount will be rolled over to an individual retirement plan designated by the custodian, unless otherwise directed by the participant.

Hardship Withdrawals

Hardship withdrawals are allowed under the provisions of the Plan document and cannot exceed the amount required to meet the immediate financial need created by the hardship. The participant will be suspended from making contributions for six months after the hardship withdrawal.

Forfeitures

Participants in the Plan who terminate employment before completing the applicable vesting requirements forfeit the non-vested portion of their accounts. Forfeited non-vested accounts may be used to reduce future Employer contributions or pay administrative expenses. At December 31, 2023, there was no balance in the forfeited non-vested account. At December 31, 2022, the forfeited non-vested account totaled \$9,450. Forfeited non-vested accounts of \$9,510 were used to reduce Employer contributions during the year ended December 31, 2023.

Plan Termination

The Employer expects to continue the Plan indefinitely. However, the Employer reserves the right to amend the Plan at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Contract value represents investments at cost plus accrued interest income, less amounts withdrawn to pay benefits. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodian and insurance company (Notes 3 and 4).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balances plus any accrued but unpaid interest and are secured by the balance in the participant's account. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income on participant notes receivable is recorded when it is earned. A receivable is considered past due if payment has not been received within the stated terms. Delinquent participant notes receivable is reclassified as distributions based on terms of the Plan document. Management believes that all participant notes receivable are fully collectible and, therefore, there is no allowance for doubtful accounts at December 31, 2023 and 2022.

Contributions

Participant and Employer matching contributions are recorded bi-monthly when the Employer remits the payroll deductions for investment into the Plan.

Payment of Benefits

Benefits are recorded when paid to participants or their designated beneficiaries.

ALLEGIANCE FUNDRAISING LLC 401(K) RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Administrative Revenue (Expenses)

Expenses incurred in the administration of the Plan are paid by the Employer unless the Employer directs that such expenses shall be paid by the Plan. Expenses that are paid by the Employer are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Investment management fees for certain investments are included as a reduction of investment return (net appreciation or depreciation) and not reflected separately in the statement of changes in net assets available for plan benefits.

Administrative revenue arises when investment managers return a portion of the investment fees to the record keeper to offset the administrative expenses. Any excess resulting from this revenue credit remains in an unallocated account from which future Plan expenses can be paid or allocated to participant accounts. The Plan held unallocated administrative revenues of \$111 and \$113 at December 31, 2023 and 2022, respectively.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options with a variety of investment objectives. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by a single custodian. The Plan's exposure to credit risk is associated with the outside entity's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

Subsequent Events

Management has evaluated subsequent events through October 15, 2024, which is the date these financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations would be carried out in an orderly business manner. Unit values are determined by dividing the fund's net assets at fair value by its units outstanding at the valuation dates.

ALLEGIANCE FUNDRAISING LLC 401(K) RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Self-directed Brokerage Accounts: Valued at the closing price reported on the active market on which the individual securities are traded. This account consists of unit investment trusts, common stock and cash and cash equivalents.

As of December 31, 2023 and 2022, the Plan's level 1 investments are reported at fair value in the accompanying Statements of Net Assets Available for Plan Benefits as follows:

	2023	2022
Mutual funds	\$ 11,062,107	\$ 5,286,279
Self-directed brokerage accounts	1,009,923	811,589
Total assets in the fair value hierarchy	12,072,030	6,097,868
Collective trust funds measured at NAV (a)	5,401,719	4,185,852
Investments at fair value	<u>\$ 17,473,749</u>	<u>\$ 10,283,720</u>

- (a) In accordance with Subtopic 820-10, the collective trust funds were measured at NAV per share (or its equivalent) and has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the line items presented in the Statements of Net Assets Available for Plan Benefits.

4. Fully Benefit-responsive Investment Contract

The Plan's investment in the Empower Guaranteed Portfolio Fund is a fully benefit-responsive investment contract. The crediting interest rate was 1.23% and 0.93% as of December 31, 2023 and 2022, respectively. The crediting interest rate is based on a formula agreed upon with the issuer and is reviewed on a quarterly basis for resetting.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. Participants may ordinarily direct the withdrawal or transfer all or a portion of their investment at contract value. Certain events limit the Plan's ability to transact with Empower. Such events include the following: amendments to the Plan documents, changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Employer or other Employer events that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA. The Plan Administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with Plan participants is not probable.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

5. Income Tax Status

The Plan is an adoption of a non-standardized pre-approved plan sponsored by Empower who received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022. The Plan has been amended since receiving the opinion letter in order to comply with the latest applicable tax laws and regulations. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Summary of Information Certified by the Custodian

The following is a summary of financial information and data certified by the custodian, Empower:

Statements of Net Assets Available for Plan Benefits as of December 31, 2023 and 2022, except for participant and Employer contributions receivable, if any;

Investment income and interest income from participant notes receivable on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2023; and

Investment information provided on the Supplemental Schedule, Schedule of Assets (Held at End of Year) at December 31, 2023.

7. Differences from Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items. Total Plan assets are in agreement.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

8. Related Party Transactions and Party-in-Interest Transactions

Plan investments are held and managed by Empower, the custodian of the Plan, and Charles Schwab & Co., Inc. is the broker for the self-directed brokerage account. Therefore, these transactions qualify as party-in-interest transactions. The Plan made direct payments to Empower for recordkeeping fees totaling \$761 for the year ended December 31, 2023. The Plan also made payments to an unrelated party for investment advisory services of \$6,451 for the year ended December 31, 2023. Participant notes receivable also qualify as party-in interest transactions.

Empower provides certain administrative services to the Plan and receives revenue from mutual fund service providers for services Empower provides to the funds. This revenue is used to offset certain amounts owed to Empower for its administrative services to the Plan. If revenue received by Empower from such mutual fund service providers exceeds the amount owed under the agreement, Empower remits the excess to the Plan's trust on a monthly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants.
