Report of Independent Auditor

To,
The Participants and the Plan Administrator,
Sundaram Clayton USA, LLC - 401(k)

Scope and nature of the ERISA Section 103(a)(3)(c) audit of financial statements for the year ended December 31, 2023

We have performed an audit of the financial statements of Sundaram Clayton USA, LLC - 401(k) ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2023 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in note 3 to the 2023 financial statements, is complete and accurate.

Opinion on the 2023 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's responsibilities for the audit of the 2023 financial statements section —

- The amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2023 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the 2023 financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2023 financial statements

Management is responsible for the preparation and fair presentation of 2023 financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2023 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2023 financial statements.

In preparing the 2023 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2023 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the 2023 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2023 financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit of financial statements for the year ended December 31, 2023, section of our report, our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2023 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2023 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2023 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2023 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they

are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2023 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters –

Supplemental schedules required by ERISA for the year ended December 31, 2023

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2023, and Schedule H, Part IV, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2023, (referred to as the “supplemental information”), are presented for purposes of additional analysis and is not a required part of the 2023 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2023 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2023 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2023 financial statements or to the 2023 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on compiled financial statements for the year ended December 31, 2022

The Plan management is responsible for the accompanying financial statements of the Plan for the year ended December 31, 2022, which comprise the statement of net assets available for benefits as of December 31, 2022, statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation

engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services committee of the American Institute of Certified Public Accountants (AICPA) for the year ended December 31, 2022. We did not audit or review the financial statements for the year ended December 31, 2022, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by the Plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statements for the year ended December 31, 2022.

NOTE 1: DESCRIPTION OF PLAN

The following description of Sundaram Clayton USA, LLC - 401(k) ("the Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Sundaram Clayton USA, LLC ("the Company/ Plan Sponsor/ Employer") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Participation in the Plan is entirely voluntary.

Contributions

Participants who have completed three months of service and are of 18 years of age may contribute up to 90% of their annual compensation, as defined in the Plan. Annual participant contribution amounts are limited to \$22,500 and \$20,500 of salary deferrals for the year ended December 31, 2023 (\$30,000 for participants aged 50 years and over), and December 31, 2022 (\$27,000 for participants aged 50 years and over) respectively. Participants may also elect to make Roth deferrals into the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees, are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their initial deferral rate set at 3% of eligible compensation and have a cap of 6% after 3 years of the initial period.

The Company will make a safe harbor matching contribution equal to 100% of a participant's employee contribution not in excess of 4% of the respective participant's Plan compensation. Matching contributions will be allocated to the safe harbor matching contribution accounts of participants as soon as administratively feasible after the end of each pay period. The Employer may also make discretionary employer match, discretionary nonelective contributions and discretionary qualified nonelective contributions to the Plan. Participants must make elective deferrals to receive discretionary employer match and safe harbor matching contributions.

Administration

Sundaram Clayton USA, LLC, serves as the Plan Administrator. The Plan Administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions, which may affect eligibility for benefits. The Company entrusted the maintenance of records and the day-to-day administration to TAG Resources, LLC (TAG), the third-party plan administrator who processes transactions through Transamerica Financial Life Insurance Company (Transamerica), the custodian.

All amounts contributed to the Plan are held by the Plan custodian in a qualified trust. The custodian is responsible for the safekeeping of the trust funds and must fulfill all custodian duties in a prudent manner and in the best interest of the beneficiaries. The trust established on behalf of the Plan will be the funding medium used for the accumulation of assets from which Plan benefits will be distributed. The custodian holds Plan assets and pays benefits to participants as directed by the Plan Sponsor.

The Plan Sponsor has engaged Longleaf Advisors, LLC, a South Carolina Limited Liability Company and registered investment advisor with the South Carolina Division of Securities, to provide investment advisory services to the Plan and assist in the selection and monitoring of Plan investments.

Sundaram Clayton USA, LLC - 401(k)

Financial Statements

December 31, 2023 (audited), and December 31, 2022 (unaudited)

Plan expenses

Some expenses incurred for administering the Plan are paid by the Company, and these amounts are excluded from the Plan's financial statements. Asset and fund fees are recorded as a reduction of investment income and charged to participant accounts. Certain distribution fees and participant note fees are paid by participants as applicable. Investment advisory/ broker and some third-party administrator fees are paid by the Plan:

	For the year ended	
	December 31, 2023	December 31, 2022
Recordkeeping fees	19,757	10,645
Total	19,757	10,645

Participant accounts

Each participant account is credited with pretax, Roth, rollover contributions made by the participant and discretionary employer match, safe harbor contribution made by the employer, and Plan earnings. Earnings, expenses and gains and losses on investments are allocated based on participant account balances, as defined in the Plan agreement. During the years ended December 31, 2023, and December 31, 2022, no liability, is recorded by the Plan for excess contribution received from the participants.

Vesting

Participants are immediately vested in their voluntary contributions, and discretionary qualified nonelective contributions plus actual earnings on these contributions. However, participant vesting with respect to the safe harbor matching, employer matching contribution, and non-elective contribution is based on years of vesting service.

Vesting is determined according to the following schedule for safe harbor matching:

Years of vesting service	Vested percentage
0-2	0%
2 or more	100%

Vesting is determined according to the following schedule for employer matching contribution and non-elective contribution:

Years of vesting service	Vested percentage
0-2	0%
2-3	20%
3-4	40%
4-5	60%
5-6	80%
6 or more	100%

Participants also become 100% vested upon reaching the normal retirement age, or upon disability or upon death.

Investment options

Participants are required to make participant-directed allocations of their accounts among various investment options offered by the custodian.

Sundaram Clayton USA, LLC - 401(k)

Financial Statements

December 31, 2023 (audited), and December 31, 2022 (unaudited)

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 9.25% to 9.50%. The loan interest rate is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

Benefit payments

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant on incurring a hardship or after reaching age fifty-nine and half years (early retirement age). Upon normal retirement at age sixty-five years, disability, or death, the participant or beneficiary may receive the value of the account through a lump sum distribution.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability, or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or through a lump sum distribution.

Distributions from the Plan will normally be subject to income taxes and, in certain circumstances, may also be subject to Internal Revenue Service ("IRS") penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

Forfeitures

Non-vested account balances of terminated employees are forfeited after five consecutive one-year breaks in service, as defined in the Plan agreement. Forfeitures of terminated employees' non-vested accounts are first used to pay administrative expenses, and the remaining forfeitures are used to reduce employers' contributions, as defined in the Plan agreement. As of December 31, 2023, and December 31, 2022, non-vested forfeited accounts totaled \$37,816 and \$11,484, respectively. During the years ended December 31, 2023, and December 31, 2022, forfeitures amounting to \$48 and \$NIL, respectively, were utilized to pay Plan expenses. During the years ended December 31, 2023, and December 31, 2022, forfeitures amounting to \$NIL and \$17,532, respectively, were utilized to employers' contributions. Forfeitures of terminated employees' non-vested accounts totaled \$25,878 during the year ended December 31, 2023, and \$17,984 during the year ended December 31, 2022.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of estimates in financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan provided various investment options in pooled separate accounts and stable value funds. The Plan's exposure to credit losses in the event of nonperformance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Net appreciation (depreciation) in the value of investments during the year ended December 31, 2023, and for the year ended December 31, 2022, totaled \$124,936 and (\$85,765), respectively. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment

Sundaram Clayton USA, LLC - 401(k)

Financial Statements

December 31, 2023 (audited), and December 31, 2022 (unaudited)

securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statement of changes in net assets available for benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023, and December 31, 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. There were no deemed distributions as at December 31, 2023, and December 31, 2022.

Investment valuation and income recognition

Investments in pooled separate accounts are valued at quoted market prices, as provided by the custodian. Net appreciation (depreciation) in the fair value of pooled separate accounts represents the change in fair value, during the year, including realized and unrealized gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for a discussion of fair value measurements.

Investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 3: INFORMATION CERTIFIED BY TRANSAMERICA LIFE INSURANCE COMPANY ("CUSTODIAN") (UNAUDITED)

The following is a summary of the Plan's asset information as of December 31, 2023, and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedules as of and for the year ended December 31, 2023, that was prepared by or derived from information provided by Transamerica Life Insurance Company, the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certification from the custodian as of and for the year ended December 31, 2023, that the information provided to the Plan administrator by the custodian is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedules:

NOTE 5: FAIR VALUE MEASUREMENTS

The fair value measurements standard establishes a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Sundaram Clayton USA, LLC - 401(k)

Financial Statements

December 31, 2023 (audited), and December 31, 2022 (unaudited)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as at December 31, 2023, and December 31, 2022.

Pooled separate accounts: Valued at the daily closing price as reported by the fund. Pooled separate accounts held by the Plan are open-end pooled separate accounts that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The pooled separate accounts held by the Plan are deemed to be actively traded.

Stable value funds: The stable value funds consist of the Transamerica Stable Value Advantage Account and is reported at contract value. Contract value represents the aggregation of contributions, plus interest, less withdrawals, if any.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023, and December 31, 2022:

Description	<u>December 31, 2023</u>				Total amount \$
	Quoted in active markets for identical assets. (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Others

Stable value fund**	-	-	-	37,872	37,872
Total investments	-	-	-	902,235	902,235

*Assets measured at NAV and therefore excluded from the fair value hierarchy.

NOTE 6: GROUP ANNUITY CONTRACT

The Plan invests in a fully benefit-responsive investment contract with Transamerica totaling \$37,872 and \$11,484 as of December 31, 2023, and December 31, 2022, respectively. Transamerica maintains the contributions in a general unallocated account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The effective rate of interest is established every January

Sundaram Clayton USA, LLC - 401(k)

Financial Statements

December 31, 2023 (audited), and December 31, 2022 (unaudited)

1 and July 1 and is based on the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period. There is no guaranteed minimum or maximum interest rate under this contract, no unfunded commitments, and redemption frequency and notice period can occur daily.

The contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts, because it is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include amendments to the Plan documents (including complete or partial plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Employer, or other events that cause a significant withdrawal from the Plan, the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or premature termination of the contract. No events are probable to occur that might limit the ability of the Plan to transact at contract value with the contract issuers, and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, or a material amendment to the agreement without the issuer's consent.

NOTE 8: INCOME TAX STATUS

For the year ended December 31, 2023, and December 31, 2022, the Plan sponsor entered into a non-standardized plan agreement with TAG Resources LLC, a *Non-Standardized Pre-Approved Profit-Sharing Plan with CODA*. The Plan has received an opinion letter from the IRS dated August 17, 2021, which stated that the form of the non-standardized pre-approved plan and related trust was designed in accordance with applicable sections of the Internal Revenue Code (IRC). It is the opinion of the Plan custodian and the Plan's attorney that the Plan is in compliance with all applicable laws and regulations.

U.S. generally accepted accounting principles require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, and December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however,

there are currently no audits for any tax periods in progress.

NOTE 9: PARTY-IN-INTEREST TRANSACTIONS

Transamerica Life Insurance Company serves as custodian and recordkeeper and has performed services for and sold products to and managed and maintained certain investments of the Plan for which fees are paid by the Plan. The Plan invests in pooled separate accounts and a fully benefit-responsive investment contract managed by Transamerica. Transactions in such investments qualify as party-in-interest transactions. Participant loans also qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$19,757 and \$10,645 for the year ended December 31, 2023, and December 31, 2022, respectively.

Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 10: PLAN TERMINATION AND/ OR MODIFICATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 11: DELINQUENT CONTRIBUTIONS

During the Plan year 2023, due to unintentional delays, employee withholdings (including loan repayments) totaling \$263,965 were remitted to the Plan after the time frame deemed to be within DOL regulations for timely remittances. During the year 2023, the Company corrected a total of \$85,795 of delinquent contributions by calculating and remitting lost earnings using DOL guidelines for late deposits. During the year 2024, the Company corrected a total of \$174,442 of delinquent contributions by calculating and remitting lost earnings using DOL guidelines for late deposits. The Company will be calculating and remitting lost earnings, on the remaining \$3,728 delinquent contributions using DOL guidelines for late deposits during the Plan year 2024

During the Plan year 2022, due to unintentional delays, employee withholdings (including loan repayments) totaling \$132,688, were remitted to the Plan after the time frame deemed to be within DOL regulations for timely remittances. During the year 2023, the Company corrected delinquent contributions, by calculating and remitting lost earnings using DOL guidelines for late deposits.

Plan year	Total delayed contributions	Delays corrected	Delays not corrected
2023	\$263,965	\$260,237	\$3,728
2022	\$132,688	\$132,688	-

NOTE 12: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2023, through the date the financial statements were available to be issued. Based on the evaluation, the Plan states that the delinquent participant contributions identified during Plan year 2023 were corrected in Plan year 2024 as per note 11.
