INDEPENDENT AUDITOR' REPORT

To the Participants and Administrator of
Plan de Pensiones de Contribuciones Definidas del Programa
Head Start del Municipio de Guayama
Guayama, Puerto Rico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

I have performed an audit of the accompanying financial statements of **Plan de Pensiones de Contribuciones Definidas del Programa Head Start del Municipio de Guayama (the Plan)**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C) ..

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of **Plan** and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Plan's** ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing

procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of the **Plan de Pensiones de Contribuciones Definidas del Programa Head Start del Municipio de Guayama** (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's information.

General - The Plan was established effective on January 1, 2007. The Plan is a defined contribution plan covering substantially all employees of the Programa Head Start del Municipio de Guayama. The Mayor of Guayama has appointed the Retirement Plan Administration Committee to control and manage the operation and administration of the Plan, including the plan Trustees.

The Plan is designed and operates in accordance with regulations under the Puerto Rico Internal Revenue Code, as amended, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan investments are held in separate accounts administered on a non-discretionary basis by Nationwide Financial Retirement Services group annuity contract.

Contributions - Contributions to the Plan include (i) after-tax contributions authorized by participants, (ii) participant rollovers from another plans; and (iii) profit sharing contribution made by the Plan Sponsor.

Participants may elect to contribute a percentage from 1% to 10% of their eligible compensation as defined by the Plan, to the Plan each year, subject to the limitations, as defined in the plan document. The Plan includes a designated default fund based on the participant age until changed by the participant.

The Plan Sponsor makes a profit-sharing contribution of \$50 per month to each's participant account based on participant being eligible as defined by the plan.

Participant Accounts - Individual accounts are maintained for each participant of the Plan. Each participant's account is credited with the participant's contribution and related matching and on elective contributions and Plan earnings. Participant accounts are also charged with withdrawals and an allocation of plan losses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments - Participants may direct the investment of their contributions and/or account balances into various investment options offered by the Plan and may change investments and transfer amounts between funds daily. The Plan offers several mutual funds and a money market fund.

**PLAN DE PENSIONES DE CONTRIBUCIONES DEFINIDAS DEL
PROGRAMA HEAD START DEL MUNICIPIO DE GUAYAMA
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023 AND 2022**

1. DESCRIPTION OF THE PLAN - CONTINUED

Vesting - Participants are vested immediately in their contributions, plus actual earnings thereon. A participant is 100% vested employer contributions plus earnings once they are eligible to participate on the plan.

Notes Receivable from Participants – the Plan provide for participants' loans. The applicant may not have more than one (1) loan outstanding under the Plan. Loans can be renewed after twelve months of payments made. Participants may borrow from their fund accounts a minimum of \$1,000 up to maximum of half their vested amount or \$50,000, whichever is less. The loans are secured by the balance in the participant's account. The loan interest shall be charged at the "Prime" rate. Loan shall be made for terms not to exceed five (5) years unless the loan is for the purpose of acquiring a principal residence for the participant. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits - On termination of service with the Companies (including termination of service due to death, disability, or retirement), a participant may generally elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or payments in monthly, quarterly, semiannual or annual installments over a period does not exceed participant life expectancy or the joint life expectancy of participant and its beneficiary.

Participants are also eligible to make hardship withdrawals from their vested contributions in the event of certain financial hardships. Following a hardship withdrawal, participants are not allowed to contribute to the Plan for a period of twelve months.

Forfeited Accounts - When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account as defined by the Plan, represents a forfeiture. The plan document permits the use of forfeitures to either reduce future employer matching contributions or to pay administrative expenses for the plan year. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$0.

Plan Termination - In the event the Plan terminates, the net assets of the Plan will be allocated as prescribed by ERISA and its related regulations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates - The preparation of financial statements in conformity with GAAP accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan provides various investment options to its participants. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the value of the participants' account balances and the amounts reported in the financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value and contract value for that portion of the assets attributable to fully benefit-responsive investment contracts. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4, 5 and 6 for discussion on value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses - Administrative expenses of the Plan are paid by the Plan as provided in the plan document. All investment management and transaction fees directly related to the Plan investments are paid by the Plan. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Payment of Benefits – Upon death, disability, retirement, or termination a participant may receive a distribution in an amount equal to the vested value of his or her account.

Excess Contributions Payable - The Plan is required to return contributions received during the Plan year in excess of the PR Internal Revenue Code limits. As of December 31, 2023, there are no such amounts to be returned.

3. DATE OF MANAGEMENT'S REVIEW

The Plan has evaluated events subsequent to December 31, 2023 to assess the need for potential recognition or disclosure in the accompanying financial statements. Such events were evaluated through October 8, 2024, the date these financial statements were available to be issued. Based upon this evaluation it was determined that no subsequent events occurred that required recognition or disclosure in the financial statements.

6. FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are based upon observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources while unobservable inputs reflect the Plan's view of market assumptions in the absence of observable market information. The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. In determining fair value, the Plan uses various methods including market, income and cost approaches. A variable return group annuity contract consisting of nearly 60 investment options with a range of investment objectives. The investment options in the Manager contract are fully benefit responsive and is reported at fair market value. Due to the valuation process used, this contract is within Level 2 of the Fair Value Hierarchy under FASB Statement No. 157.

The Plan categorizes its fair value measurements into a three-level hierarchy based on the priority of the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure fair value fall within different levels of the hierarchy, the category level is based on the lowest priority level input that is significant to the fair value measurement of the instrument in its entirety.

6. FAIR VALUE MEASUREMENTS - CONTINUED

The Plan categorizes assets and liabilities carried at fair value in the accompanying statement of net assets available for benefits as follows:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly; and

Level 3 - Prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no charges in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts - The underlying securities in pooled separate accounts are listed on national securities exchanges and valued on a daily basis. The Plan has concluded that the net asset value as adjusted (for mutual fund dividends, capital gains, and administrative maintenance charges and other items) and reported by the insurance company denotes readily determinable fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2023 and 2022.

7. ADMINISTRATIVE EXPENSES

Administrative expenses consist of Nationwide Financial deduction charges, including the following: assets charge, participant fee and TPA service fee. The amount paid for administrative expenses for the year ended December 31, 2023 and 2022, amounted to approximately \$30,377 and \$36,325, respectively.

8. RELATED PARTY TRANSACTION AND EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Nationwide Financial as separate pooled accounts. Nationwide is the investment custodian and recordkeeper as defined by the plan and, therefore, these transactions qualifies as party in interest transactions. Also, during the year ended December 31, 2023, Nationwide Planning Associates received broker commissions and The 401k Company of Puerto Rico received third party-administrator fees and commissions. Such transactions also qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services, TPA services and custodial and record keeping services are reported on as administrative expenses for the plan.

9. PLAN TERMINATION

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

10. INCOME TAX STATUS

Originally qualified by Puerto Rico Treasury Department on May 18, 2006, under the Puerto Rico Internal Revenue Code of 1994, effective August 23, 2016, the Plan was qualified as exempted from income taxes under the provisions of the Internal Revenue Code of 2011 for a New Puerto Rico, which states that the document and amendment satisfies the applicable provisions of the IRC. The Plan Sponsor and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Puerto Rico Internal Revenue Code, as amended, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan's Retirement Committee is not aware of any course of action or series of events that have occurred that might affect the Plan's qualified status.
