INDEPENDENT AUDITORS' REPORT

To the Plan Trustee
Succession Capital, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Succession Capital, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by (See Note 6) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Each year, participants may contribute up to 100% of pre-tax annual or after-tax compensation, as defined in the Plan, not to exceed the limit permitted under the Internal Revenue Service (“IRS”) regulations each year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants.

Effective January 1, 2022, the Company has elected a Traditional Safe Harbor 401(k) Plan and will make a Safe Harbor Matching Contribution equal to 100% of the Matched Employee Contributions that are not in excess of 4% of the participant’s Plan Compensation. For those participants electing less than a 4% contribution, the recalculation was adjusted accordingly. During the year ended December 31, 2023, the Company made matching contributions of \$887,451. Contributions are subject to certain IRS limitations.

In addition, non-elective discretionary contributions may be made at the option of the Company. No non-elective contributions were made for 2023.

The SECURE Act 2.0 increases the limit for catch-up contributions for individuals ages 60 to 63, effective for taxable years beginning after December 31, 2024. In addition, the SECURE Act 2.0 requires that participants whose prior-year wages from their current employer that exceeded \$145,000 make any catch-up contributions as Roth (post-tax) beginning January 1, 2024. The IRS granted a two-year administrative transition period in the provision’s effective date to January 1, 2026.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s matching contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant’s earnings, account balances, or specific participant

transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Rollovers

Rollover contributions are permitted into the Plan in accordance with IRS regulations and Plan provisions. Employees may rollover eligible amounts from other qualified plans to the Plan except for rollovers of certain designated Roth IRA contributions.

Vesting

Participants are 100% vested in their Elective Contribution, Qualified Nonelective Employer Contribution and Roth Contribution Account plus actual earnings thereon at all times. The Nonelective Employer Contribution and Matching Contribution Accounts of a Participant shall vest as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% - 9.5%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator and are generally payable in installments over periods ranging from one to five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be longer). Principal and interest are paid ratably through monthly payroll deductions. A loan that is considered in default is reported as a deemed distribution, which may be a taxable event for the participant.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant (or their beneficiary in the case of death) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a periodic basis. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Under the SECURE Act, participants may defer receipt of their required minimum distribution until age 72 from the previous age of 70½. The SECURE Act 2.0 increased the age at which individuals must begin taking required minimum distributions to age 73 from 72, beginning January 1, 2023, as well as other increases starting in 2030.

For a terminated participant with a balance of \$5,000 or less, the participant will receive the value of the vested interest as a lump-sum distribution. The SECURE Act 2.0 increased that limit to \$7,000 effective for distributions in 2024.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits (continued)

In-service distributions may be made from a participant's account at any time upon or after the occurrence of the following events:

- due to hardships, as defined in the Plan agreement,
- participant's attainment of age 59½.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Investments held by defined contribution plans are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment advisor, and Principal Trust Company, the trustee of the Plan ("Principal"). See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Administrative expenses of \$109,931 were paid by the Plan for the year ended December 31, 2023. Other expenses of the Plan are paid directly by the Company at the election of the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There were no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

The Collective Investment funds and Pooled Separate accounts are direct filing entities.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values ("NAV") of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily NAV and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

<u>Assets at Fair Value as of December 31, 2023</u>			<u>Assets at Fair Value as of December 31, 2022</u>		
	<u>Level 1</u>	<u>Total</u>		<u>Level 1</u>	<u>Total</u>

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (FBRICs)

The Plan holds an investment in the Principal Fixed Income Guaranteed Option ("PFIGO"), which is a fully benefit-responsive investment contract issued by Principal Life Insurance Company and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants when they initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less withdrawals.

Guaranteed investment contracts are backed by the general account of the contract issuer. The Plan deposits a lump sum with the issuer and receives a guaranteed crediting rate for a specified period. Interest is accrued on either a simple or fully compounded basis and is paid either periodically or at the end of the contract term. The issuer guarantees that all qualified participant withdrawals will be at contract value (principal plus accrued interest). The contract cannot be terminated before the scheduled maturity date. The Plan's ability to receive amounts due is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

The issuer guarantees that all qualified participant withdrawals will be at contract value and that the credit rate applied will not be less than 1% or greater than 3%. Crediting rates are typically reset quarterly to account for the difference between the contract value and the fair value of the underlying portfolio. The contract had a crediting interest rate of 1.55% and 1.75% for the years ended December 31, 2023 and 2022, respectively.

The contracts also generally provide for withdrawals associated with certain events which are not in the ordinary course of Plan operations. These withdrawals are paid with a market value adjustment applied to the withdrawal as defined in the investment contract. Each contract issuer specifies the events which may trigger a market value adjustment; however, such events may include, but not be limited to, the following:

- Material amendments to the Plan's structure or administration;
- Complete or partial termination of the Plan, including a merger with another plan;
- The failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA;
- The redemption of all or a portion of the interests in the Plan at the direction of the Plan sponsor, including withdrawals due to the removal of a specifically identifiable group of employees from coverage under the Plan (such as a group layoff or early retirement incentive program), the closing or sale of a subsidiary, employing unit, or affiliate, the bankruptcy or insolvency of the Plan sponsor, the merger of the Plan with another plan, or the Plan sponsor's establishment of another tax qualified defined contribution plan;
- Any change in law, regulation, ruling, administrative or judicial position, or accounting requirement, applicable to the Plan;

Notes to Financial Statements

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (FBRICs) (CONTINUED)

- Changes to competing investment options;
- The delivery of any communication to Plan participants designated to influence a participant not to invest in the stable value option.

At this time, the occurrence of any such market value adjustment event is not probable.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in any employer contributions.

NOTE 6 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY PRINCIPAL AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by the Plan's trustee and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information included in the Plan's financial statements.

The Plan's trustee has certified to the completeness and accuracy of the investments included in the financial statements as of December 31, 2023 and 2022, and the investment activity included in the financial statements for the year ended December 31, 2023, as summarized below:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	<u>\$ 15,699,618</u>	<u>\$ 10,731,631</u>
Investments, at contract value	<u>\$ 602,583</u>	<u>\$ 509,033</u>
Net appreciation in fair value of investments	<u>\$ 2,011,088</u>	
Dividends and interest income	<u>\$ 99,836</u>	

NOTE 7 – TAX STATUS

On June 30, 2020, the IRS stated that the non-standardized pre-approved profit sharing plan adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401 (a). The Plan has not received a determination letter specified to the Plan itself; however, the Plan administrator (and the Plan's tax counsel) believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal or state taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

SUCCESSION CAPITAL, INC. 401(K) PLAN

Notes to Financial Statements

NOTE 7 – TAX STATUS (CONTINUED)

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments that are shares of mutual funds and common trust funds managed by Principal qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. Notes receivable from participants are also considered party-in-interest transactions.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities including mutual funds and pooled separate accounts designated by participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of benefits paid to participants per the financial statements to Form 5500 for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Increase/(Decrease) in net assets per the financial statements	\$ 3,827,455	\$ (491,784)
Add: Current year excess contributions payable	-	-
Less: Prior year excess contributions payable	<u>-</u>	<u>(79,699)</u>
Increase/(Decrease) in net assets as reported on Form 5500	<u>\$ 3,827,455</u>	<u>\$ (571,483)</u>

NOTE 11 – DELINQUENT EMPLOYEE DEFERRAL REMITTANCES

In accordance with the Department of Labor's Regulation 2510.3102, an employer is required to segregate participants' contributions from its general assets as soon as practical, but in no event more than the 15th business day following the end of the month in which amounts are contributed by participants or withheld from their wages for a pension benefit plan such as the 401(k) Plan. The Employer failed to remit participants' contributions withheld during the year ended December 31, 2023. The Employer has agreed to absorb any costs incurred by the Plan as a result of the untimely remittance of the participants' accounts.

NOTE 12 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 15, 2024, the date the financial statements were available to be issued.
