INDEPENDENT AUDITOR'S REPORT

October 15, 2024

To the Participants and Plan Administrator
Grede Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Grede Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, as well as the related notes to the financial statements.

The Plan's management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

The Plan's management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section:

- The amounts and disclosures in the financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Opinion (continued)

- The information in the accompanying financial statements related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that the Plan's management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

The Plan's management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

The Plan's management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the "Scope and Nature of the ERISA Section 103(a)(3)(C) Audit" section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. *Reasonable assurance* is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS:

- We exercise professional judgment and maintain professional skepticism throughout the audit.
- We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and we design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- We evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and we evaluate the overall presentation of the financial statements.
- We conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for the purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GREDE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A — DESCRIPTION OF THE PLAN

The following brief description of the Grede Savings Plan (the “Plan”) is provided for general informational purposes only. Participants should refer to the Plan document for more complete information, including information regarding vesting and benefit provisions. Copies of this document are available from the human resources department of the Plan sponsor.

General

The Plan, established November 1, 2019, is a defined contribution pension plan established to provide a tax-deferred retirement savings vehicle covering all eligible employees of Grede Holdings LLC and its qualified subsidiaries (collectively, the “Company”). The Company has the right under the Plan to amend, modify, suspend, or terminate the Plan, consistent with applicable law. No amendment, modification, suspension, or termination of the Plan shall have the effect of providing that any amounts then held under the Plan may be used or diverted to any purpose other than for the exclusive benefit of members or their beneficiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Eligibility

Participation in the plan is voluntary. All employees of the Company who have attained the age of 18 are eligible to participate in the Plan beginning on the first day of the month upon which they attain the minimum age.

Contributions

Participants are allowed to contribute on a pre-tax and/or after-tax basis. Under the Plan, and subject to limitations imposed by the Internal Revenue Code (“IRC”), participants may elect to contribute up to 75 percent of their eligible wages, except that hourly union participants employed at the Company’s Brewton, Alabama (“Brewton”) and Browntown, Wisconsin (“Browntown”) facilities may contribute up to 100 percent of their eligible wages. Hourly union participants employed at the Company’s Brewton and Browntown facilities are not permitted to make after-tax contributions.

The Plan includes a Roth 401(k) option. Participants who have attained the age of 50 are eligible to make additional pre-tax and/or Roth 401(k) catch-up contributions. Pre-tax and applicable catch-up contributions are excluded from participants’ taxable income. Participants can elect to have spillover contributions applied as after-tax contributions in the same amount as their pre-tax election.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

NOTE A — DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (continued)

For salaried participants, as well as hourly participants employed at the Company's non-union facilities, employer matching contributions are 50 percent of a participant's eligible contributions, disregarding contributions in excess of specified percentages of the participant's eligible compensation, which is defined as base compensation for salaried participants and hourly wages and bonuses for hourly non-union participants. Those specified percentages are as follows:

<u>Years of Service</u>	<u>Percentage of Eligible Compensation</u>
Less than 5	6 %
5 through 10	8
10 or more	10

For hourly union participants employed at the Company's Browntown facility, employer matching contributions are 50 percent of a participant's eligible contributions, disregarding contributions in excess of six percent of the participant's eligible compensation, which includes hourly wages and bonuses. There is no provision for employer matching contributions for hourly union participants employed at the Company's Brewton facility.

The Plan document also includes provisions that allow the Company to make nonelective employer contributions. The Company did not make any nonelective employer contributions during the years ended December 31, 2023 or 2022.

Participant Accounts

Each participant account is updated each business day to reflect any contributions, exchanges between investment options, investment earnings or losses for each investment option, and withdrawals. The distribution to which a participant is entitled is determined from the participant's vested account.

Distributions

Distributions are made upon the occurrence of any one of the following:

- In-service withdrawal of the participant beyond age 59½
- Death of the participant

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

NOTE A — DESCRIPTION OF THE PLAN (CONTINUED)

Distributions (continued)

- Hardship withdrawal
- Termination of employment for any reason

Distributions due upon death are paid in a lump-sum and are based on the vested balance in the participant's account. Distributions due upon termination or withdrawal are paid in a lump-sum or through installments payable monthly, quarterly, semi-annually, or annually and are based on vested balances in the participants' accounts. In addition, terminated participants with distributions due in excess of \$1,000 may defer such distributions until age 70½.

Vesting

Participants are immediately 100 percent vested in their contributions and earnings. Generally, participants do not become vested in their employer contributions until completing three years of service, at which time they become fully vested in their employer contributions. However, hourly union participants at the Company's Browntown facility who were employed on or before December 31, 2018 become vested in their employer contributions based on a graduated scale of 25 percent for each year of service, until 100 percent vesting is reached after completing four years of service. Also, salaried and non-union participants with accounts existing as of April 16, 2018 are fully vested in employer profit sharing contributions, if any are made.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of several investment options, as selected by the Company's Retirement Plan Committee.

Notes Receivable from Participants

Participants may borrow from the Plan a minimum of \$1,000. The maximum amount which may be borrowed is 50 percent of the participant's vested account balance, up to \$50,000. Loans incur an interest rate equal to the annual prime rate, as published by the *Wall Street Journal*. Repayment of any loan is made through employee payroll deductions not less frequently than once per calendar quarter; participants may also make additional payments on loans. A participant who is on a leave of absence may also apply for a loan.

Forfeitures

The Plan permits the Company to use assets forfeited by participants to pay plan administrative expenses. To the extent that forfeited assets are not available to pay certain administrative expenses, the Company pays such expenses.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

NOTE A — DESCRIPTION OF THE PLAN (CONTINUED)

Forfeitures (continued)

As of December 31, 2023 and 2022, forfeited nonvested accounts available to offset future administrative expenses totaled \$116,931 and \$44,946, respectively.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Investments

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price).

The Plan's investments are valued as follows:

- Shares of registered investment companies are valued at quoted market prices that represent the asset value of the shares held by the Plan at the end of the year.
- Units of money market funds are valued at closing quoted prices reported in active markets.
- Life insurance policies are valued at fair value based on the cash surrender value of the policies.
- Units of collective trust funds are valued at their estimated net asset value, which is based on the values provided by independent pricing sources, or other methods approved by the trustee of the collective trust funds, for the underlying investments held by the collective trust funds.
- Fully benefit-responsive investment contracts are stated at contract value, as described in Note D.

Purchases and sales of securities are recorded on a trade-date basis. Gains and losses on sales of securities are based on average costs. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include gains and losses on investments bought and sold, as well as held, during the year.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are recorded at cost plus accrued interest. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant note receivable balance is reduced and a distribution is recorded. A valuation allowance for credit losses is not considered necessary as of December 31, 2023 or 2022.

Fair Value Measurements

The Plan uses fair value measurements in the preparation of its financial statements, which utilize various inputs, including those that can be readily observable, corroborated, or are generally unobservable. The Plan utilizes market-based data and valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Additionally, the Plan applies assumptions that market participants would use in pricing an asset or liability, including assumptions about risk.

The measurement of fair value includes a hierarchy based on the quality of inputs used to measure fair value. Financial assets and liabilities are categorized into this three-level fair value hierarchy based on the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable inputs.

The various levels of the fair value hierarchy are described as follows:

- Level 1 — Financial assets and liabilities whose values are based on unadjusted quoted market prices for identical assets and liabilities in an active market that the Plan has the ability to access
- Level 2 — Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable for substantially the full term of the asset or liability
- Level 3 — Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (continued)

The use of observable market data, when available, is required in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement.

Contributions

Participant and employer contributions are recorded in the period that payroll deductions are made from participants. Participants' pre-tax and after-tax contributions are paid to the Plan when amounts can be reasonably segregated.

Payment of Distributions

Distributions to Plan participants are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, as well as disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various securities, including registered investment companies, money market funds, and collective trust funds. Investment securities in general are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, changes in the value of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the financial statements.

Subsequent Events

The Plan's management has evaluated subsequent events through October 15, 2024, the date that the accompanying financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)**December 31, 2023 and 2022****NOTE C — INVESTMENTS AND FAIR VALUE**

NOTE D — INVESTMENT CONTRACTS

The Plan entered into a benefit-responsive investment contract with Massachusetts Mutual Life Insurance Company (“Mass Mutual”). Mass Mutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the insurance company and the financial institution issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provision, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) which cause a withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan’s ability to transact at contract value with participants, is probable.

The life insurance contracts are individual life insurance contracts issued by Metropolitan Life Insurance Company (“MetLife”). MetLife maintains the contributions in a general account for the benefit of the participants named by the contracts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. MetLife is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

NOTE D — INVESTMENT CONTRACTS (CONTINUED)

Interest has been credited on contract balances using a single “portfolio rate” approach. Under this methodology, a single interest rate has been applied to all contributions made to the product, regardless of the timing of those contributions. Interest crediting rates have been reviewed on a semi-annual basis for resetting. When establishing interest credit rates for this product, MetLife has considered many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer’s general account. The minimum guaranteed rate under the contract as of December 31, 2023 and 2022 was one percent.

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in rare circumstances, contract value paid over time. There are no events that allow the issuer to terminate the contract and which require the Plan sponsor to settle an amount different than contract value paid either within 90 days or over time.

Contract value, as reported to the Plan by Mass Mutual and MetLife, represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

NOTE E — TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain investments held by the Plan as of December 31, 2023 and 2022 are managed by the Plan’s trustee. Such investments fall within the investment guidelines of the Plan and are considered parties-in-interest. See Note C for investments held by the Plan with various parties-in-interest.

Fees for recordkeeping and trustee services were paid by participants through revenue sharing, and certain participant fees were deducted directly from the participants’ accounts after the end of each quarter and deposited into the Plan’s suspense account, which can be used to offset certain Plan expenses. The Company pays Plan expenses that exceed or cannot be offset by amounts contributed by participants through revenue sharing. The Company refunds fees contributed by participants that are in excess of Plan expenses. The fees paid by the Company and participants for services rendered by parties-in-interest were based on customary and reasonable rates for such services.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

NOTE F — INCOME TAX STATUS

The Plan adopted a volume submitter plan sponsored by Fidelity. The volume submitter plan has received an opinion letter from the Internal Revenue Service as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by the Plan. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. In addition, the Plan administrator is not aware of any uncertain tax positions or unrecognized tax benefits as of December 31, 2023 or 2022. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE G — PLAN TERMINATION

Although it has expressed no intention to do so, the Company has the right to terminate the Plan, subject to the requirements of ERISA. In the event the Plan is terminated, the net assets available to provide benefits would be distributed to the participants in proportion to their respective account balances after payment of expenses properly charged against the Plan.
