INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
and Board of Trustees of the
PBS ASO, LLC Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of PBS ASO, LLC Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The Supplemental Schedule of Assets Held at End of Year (Unaudited) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PBS ASO, LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the PBS ASO, LLC Retirement Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a multiple employer 401(k) defined contribution plan established by PBS ASO, LLC with an effective date of October 1, 2020, and is intended to provide participants with future retirement benefits. The Plan covers substantially all employees of the adopting employers who are at least 21 years of age and have completed 250 hours of service in a consecutive 3 month period. Generally, an employee enters the Plan on the first day of the calendar quarter coincident with or next following the completion of the service and age requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

CONTRIBUTIONS

Participants may contribute a portion of annual compensation, as defined in the Plan, up to an established Internal Revenue Service maximum of \$22,500 and \$20,500 for the years 2023 and 2022, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants in the Plan who have obtained age 59 ½ by the end of the Plan year may defer additional amounts. The additional amount of these contributions is limited to \$7,500 and \$6,500 for the years 2023 and 2022, respectively.

Certain highly compensated employees may have their contribution reduced under technical Internal Revenue Service guidelines.

Employer contributions are defined in the participation agreement of each adopting employer and may include:

- Safe-harbor match provision calculated at 100% of deferrals not in excess of 3% of eligible compensation plus 50% of deferrals between 3% - 5% of eligible compensation. The safe-harbor match contribution is 100% vested.
- Safe-harbor match provision calculated at 100% of deferrals not in excess of 5% of eligible compensation. The safe-harbor match contribution is 100% vested.
- Qualified non-elective contribution provision calculated at not less than 3% of the eligible compensation. The qualified non-elective contribution is 100% vested.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN (Continued)

CONTRIBUTIONS (Continued)

- Discretionary match provision to be determined annually.
- Discretionary profit-sharing contribution to be determined annually.

Depending on the participation agreement of each adopting employer, a participant may be required to be employed on the last day of the plan year and/or work 1,000 hours during the year in order to share in the employer contribution.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, Company contributions, and Plan earnings. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Participant accounts are charged with administrative expenses related to specific participant transactions. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their voluntary contributions and safe harbor allocations, plus actual earnings thereon. Vesting in the discretionary employer contributions, plus actual earnings thereon, is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vested Interest</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

The Plan provides that the participant's account becomes 100% vested upon the participant's death, total disability, or attainment of normal retirement age prior to termination of employment.

PBS ASO, LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

FORFEITED ACCOUNTS

Forfeiture amounts, if any, may be used to restore forfeitures, pay plan expenses, or reduce the employer contribution. Forfeitures may also be reallocated as a company contribution. At December 31, 2023 and 2022, forfeited nonvested amounts totaled \$1,166 and \$5,784, respectively.

INVESTMENT OPTIONS

Participants may direct contributions, including employer contributions, into any investment option provided by the Plan. Participants may change their investment options daily. The Plan provides for investments in registered investment companies (e.g., mutual funds) and a guaranteed investment contract.

NOTES RECEIVABLES FROM PARTICIPANTS

Active employees participating in the plan are permitted to borrow against their Plan account balances. The maximum amount that may be borrowed is the lesser of (1) 50% of the vested account balance, or (2) \$50,000 reduced by the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans from the Plan on the date the loan is made. The loan must be repaid over a five year period. Loans of \$57,458 and \$36,024, were outstanding at December 31, 2023 and 2022, respectively. The interest rate on the loans is equal to 1% above the prime rate in effect on the date of the loan issuance. Interest rates ranged from 4.5% - 9.5%, and 4.25% - 8.0%, on the loans outstanding at December 31, 2023 and 2022, respectively.

PAYMENT OF BENEFITS

The Plan provides retirement benefits for employees who have reached age sixty-five. For terminated employees, participants may elect to receive a lump sum payment equal to the value of the vested interest in the participant's account. In-service distributions are allowed for a participant who has not separated from service and has attained age 59 ½. Upon total disability or death of a participant, the Plan provides for distribution of a participant's account balance to the participant or beneficiary.

The amount of a participant's benefit is limited to the individual's account balance, which is composed of the participant's contributions to the Plan, employer contributions, and allocated income of the Plan.

HARDSHIP WITHDRAWALS

Withdrawal of a portion of a participant's account will be permitted due to an immediate and heavy financial need if Internal Revenue Service requirements are met.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accounting records of the Plan are maintained on the accrual basis for financial reporting purposes, except for benefits, which are recorded when paid.

ACCOUNTING PERIOD

The Plan Administrator has elected a calendar year ending December 31.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's dividends, interest and realized and unrealized gains and losses on the Plan's investments during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Participant notes receivable are recorded at the unpaid principal balances plus any accrued interest. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan is reduced, and a benefit is recorded.

EXEMPT PARTY-IN-INTEREST TRANSACTIONS

All of the Plan's investments are managed and valued by Transamerica Financial Life Insurance Company, Inc. Thus, all investment transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts. Such loans are secured by the vested balances in the participant accounts. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures, of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

PBS ASO, LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

ADMINISTRATIVE EXPENSES

Certain expenses of administering the Plan are paid by the plan sponsor and therefore, are not included in the Plan expenses. For the year ended December 31, 2023, the adopting employers paid administrative fees of \$24,897 on behalf of the PBS ASO, LLC Retirement Plan.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

DATE OF MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 15, 2024, which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Valuation based on quoted prices for identical assets and liabilities in active markets.

Level 2 – Valuation based on observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

(Continued)

PBS ASO, LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	2023		2022	
	Level 1	Total	Level 1	Total
Mutual Funds	\$ 9,067,756	\$ 9,067,756	\$ 4,353,952	\$ 4,353,952

NOTE 4 – GUARANTEED INVESTMENT CONTRACT

The Plan has a fully benefit-responsive guaranteed investment contract with Transamerica Financial Life Insurance Company. The guaranteed investment contract issuers were contractually obligated to repay the principal and a specified interest rate that is guaranteed to the plan. The contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Transamerica Financial Life Insurance Company, Inc., represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The crediting rate is set semi-annually on January 1st and July 1st. For 2023, the rates ranged from .75% to 1.10%. For 2022, the rates ranged from .75% to .80%.

(Continued)

NOTE 4 – GUARANTEED INVESTMENT CONTRACT (Continued)

Certain events limit the Plan's ability to transact at contract value with each individual contract. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEES

The Plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, Transamerica Financial Life Insurance Company, determined to be a qualified institution by the plan administrator, has certified to the completeness and accuracy of:

- Investments at fair value, included in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investments at contract value, included in the statements of net assets available for benefits as of December 31, 2023 and 2022.

PBS ASO, LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 – TAX STATUS

The Plan has adopted the Benefit Professionals, Inc. Pre-Approved Profit-Sharing Plan. The Internal Revenue Service informed Benefit Professionals, Inc. by letter dated June 30, 2020, that its plan is designed in accordance with the applicable sections of the IRC and is appropriate for use by employers for the benefit of their employees. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
