Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of Evolve Bancorp 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Evolve Bancorp 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Evolve Bancorp 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Evolve Bancorp 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Evolve Bancorp 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter —Supplementary Schedules Required by ERISA

The supplementary schedules of assets held at end of year and delinquent participant contributions as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EVOLVE BANCORP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Evolve Bancorp 401(k) Plan, (the Plan), provides only general information. The latest modification/restatement was effective on January 1, 2021. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a salary deferral plan covering substantially all employees of Evolve Bancorp, Inc. and all subsidiaries, (collectively Employers) who have reached the age of 20 ½ and have completed six months of service. An eligible employee shall become a participant as of the first of the next month coinciding with or next month following the date on which the requirements were met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to a dollar amount set by law of pretax eligible compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). The Employers may make discretionary matching contributions based upon a percentage of the amount of participant deferrals and may make a discretionary profit-sharing contribution.

Upon enrollment in the Plan, a participant may direct employee contributions in any the available investment options. The participant's choices are invested in a pooled separate account and mutual funds with Principal Life Insurance Company.

Participant Accounts

Each participant's account is credited with the amount of their deferred salary, rollovers from other qualified plans, an amount equal to the Employers' discretionary matching percentage of the participant's eligible contributions, and an allocation of the Employers' discretionary profit-sharing contribution in the ratio that each eligible participant's compensations bears to the eligible compensation of all participants. The net investment income or losses of the Plan are allocated based upon the actual earnings for each participant's individual account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting

Upon their effective date of participation, participants are 100% vested in their salary deferral and rollover contributions plus the earnings thereon. Participants are vested in the employer profit sharing and matching contributions based on a graduated vesting schedule, becoming 100% vested after year four. The following schedule applies to employer profit sharing and matching contributions:

Years of service	Percent vested
Less than 1	0%
1 year	25%
2 years	50%
3 years	75%
4 or more years	100%

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested amounts totaled \$4,260 and \$14,817, respectively. Nonvested forfeiture accounts may first be used to pay any plan administrative expense and then may reduce future employer contributions. During the year ended December 31, 2023, forfeitures of \$90 were used to reduce employer contributions and \$33,435 were used to reduce administrative expenses.

Payment of Benefits

Participants are eligible to receive a distribution of benefits at the age of 59 ½ or upon death, disability, termination of employment, or in the event of certain hardships as defined under the plan. Participants, or their beneficiaries, entitled to receive a distribution of benefits shall be paid in a lump-sum payment.

Excess Contributions Payable

Contributions received from participants for a plan year are net of payments made in the following year to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. There were no excess deferral contributions for the plan years ended December 31, 2023 or 2022.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan at any time, subject to the provisions of ERISA. Upon termination all participants will become 100% vested in all amounts credited to their accounts.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual method of accounting, in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) establishes GAAP in the Accounting Standards Codification (ASC). Updates to the ASC are done through the issuance of Accounting Standards Updates (ASU).

Investment Valuation

The Plan's investments in mutual funds and pooled separate accounts are stated at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 4 for a further discussion of fair value measurements. The Plan's investments are valued daily.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of the Plan are paid directly by the Plan sponsor and are excluded from these financial statements. Fees paid to the third-party administrator are charged to nonvested forfeiture accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian:

	2023	2022
Investments at fair value:		
Mutual funds	\$ 17,813,614	\$ 14,316,186
Pooled separate accounts	734,984	490,171
Investment income	2,836,685	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 4 – FAIR VALUE MEASUREMENTS

GAAP defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the inputs used to measure fair value, and specifies disclosure requirements for fair value measurements. This guidance maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available.

Observable inputs are inputs that market participants would use in pricing the asset or liability based on market data obtained from independent sources. Unobservable inputs reflect assumptions that market participants would use in pricing the asset or liability based on the best information available in the circumstances. The fair value hierarchy is broken down into three levels based on the transparency of inputs as follows:

- Level 1: Quoted prices are available in active markets for identical assets or liabilities as of the report date. A quoted price for an identical asset or liability in an active market provides the most reliable fair value measurement because it is directly observable to the market.
- Level 2: Pricing inputs other than quoted prices in active markets, which are either directly or indirectly observable, are available as of the report date.
- Level 3: Inputs into the determination of fair value are not observable as of the report date and significant management judgment or estimation is required.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2023 and 2022.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the security and exchange commission. These funds are required to publish the daily net asset value (NAV) and to transact at that price.

Pooled Separate Accounts – Valued at the net asset value (NAV) of units of the separate accounts. The NAV, as provided by the custodian, is used as a practical expedient to estimating fair value. The NAV is based on fair value of the underlying investments held by the account less its liabilities. The practical expedient is not used when it is determined to be probable that the separate account will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the separate account, the investment advisor reserves the right to temporarily delay withdrawal from the account in order to ensure that securities liquidations will be carried out in an orderly business manner. The pooled separate accounts are redeemed on a daily basis and do not have any redemption restrictions. Additionally, there were no unfunded commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

At December 31, 2023 and 2022, the plan's portfolio investments were classified as follows:

December 31, 2023	Fair Value	(Level 1)	(Level 2)	(Level 3)
Mutual funds	\$ 17,813,614	\$ 17,813,614	\$ -	\$ -

Investments, at fair value	<u>\$ 14,806,357</u>	<u>\$ 14,316,186</u>	<u>\$ -</u>	<u>\$ -</u>

*In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the NAV share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets were invested in funds managed by the custodian of the Plan. These transactions are party in interest transactions under ERISA. Certain fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Administrative expenses included are contract administration, record keeping fees and investment advisor fees. Fees paid by the Plan to parties-in-interest totaled \$145,673 during the year ended December 31, 2023.

NOTE 6 – TAX STATUS

The Plan, which is a prototype of a plan that has qualified under the Internal Revenue Code as exempt from federal income tax, has received a favorable tax determination letter on June 30, 2020, from the Internal Revenue Service. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the Plan administrator is not aware of any events that have occurred which might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. The plan has concluded that there are no significant uncertain tax positions requiring disclosures, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2020 through December 31, 2023, the years that remain subject to examination by major tax jurisdictions as of December 31, 2023.

NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

At December 31, 2023, Plan net assets of \$3,408,844 are allocated to participants that are no longer employees of the Plan sponsor. Of that balance, no amounts have been requested to be paid to participants.
