Independent Auditor's Report

To the Plan Administrator
Elm Street Development, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Elm Street Development, Inc. 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Elm Street Development, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section -

- The amounts and disclosures in the financial statement, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator
Elm Street Development, Inc. 401(k) Profit Sharing Plan

- The information in the financial statement related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Elm Street Development, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Elm Street Development, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

To the Plan Administrator
Elm Street Development, Inc. 401(k) Profit Sharing Plan

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Elm Street Development, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Elm Street Development, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Plan Administrator
Elm Street Development, Inc. 401(k) Profit Sharing Plan

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1: DESCRIPTION OF PLAN

The following description of Elm Street Development, Inc. 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering eligible employees of Elm Street Development, Inc., and Legend Management Group, LLC (Company). The Plan was established on January 1, 1998. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan's investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the plan administrator.

The Company retains Charles Schwab Trust Bank as the corporate trustee and The Newport Group as the third-party administrator.

Eligibility - Employees, excluding collectively bargained (union) employees, nonresident aliens, and leased employees, age 21 or older who complete six months of service may elect to contribute salary deferral contributions beginning on the first day of the month following the completion of the eligibility requirements. Employees become eligible to share in the safe harbor, employer matching, and nonelective profit-sharing contributions after one year of service and may enter immediately for matching and nonelective profit-sharing contributions.

Contributions - Each year, participants may contribute 100% of pretax annual compensation up to the maximum contribution permitted by law. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of salary deferrals, employer contributions, and rollover accounts into a diversified menu of investment options offered by the Plan. The Company will make safe harbor matching contributions in an amount equal to the sum of 100% of a participant's elective deferrals that do not exceed 3% of eligible compensation, plus 50% of elective deferrals that exceed 3% but do not exceed 5% of eligible compensation. Additional profit-sharing amounts may be contributed at the option of the Company's individual Trustee. Contributions are subject to limitations to comply with the nondiscrimination requirements of the Internal Revenue Code (IRC).

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and plan earnings. Certain administrative expenses are paid from the earnings of the investment alternatives held by the participants. Allocations are based on the eligible participant's earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon and safe harbor contributions from the employer. Vesting in additional employer discretionary matching and nonelective profit-sharing contributions is based on years of continuous service. After two years of continuous service, a participant becomes 40% vested in matching contributions in the Plan. The vesting percentage increases by 20% each year until the participant becomes fully vested in his or her account after five years.

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding balance of all loans made from the Plan during the one-year period ending on the day before the loan is made, or 50% of their vested account balance. Loan terms range from one to five years or up to 15 years for the purchase of a primary residence. Only one loan can be outstanding at any given time. If the participant has an existing loan, another loan cannot be granted until the existing loan is paid in full. Existing loans cannot be refinanced, and a second loan cannot be obtained for the purpose of paying off the existing loan. Loans are secured by the balance in the participant's account and bear a fixed rate of interest equal to the prime rate plus 1%. Principal and interest are paid ratably through semi-monthly payroll deductions. Upon termination of employment, the loan balance is due and payable immediately, or the outstanding balance is considered a taxable distribution.

Payment of Benefits - Upon termination of service due to death, disability, retirement (age 62), or separation from service, a participant may elect to receive an amount equal to the value of his or her eligible account balance paid through a single lump-sum payment or amount equal to the value of the vested interest in his or her account, partial withdrawal for required minimum payments, or delay withdrawal until a future date, if the account balance is over \$5,000. A participant may elect to receive the benefit directly or through a direct rollover to an individual retirement account or another eligible retirement plan. An active participant who has reached age 59½ may withdraw all or a portion of his or her entire account while still employed with the Company. A participant may request a withdrawal of all or a portion of his or her rollover account at any time.

After separation from service a participant may delay withdrawal until a future date, but the plan administrator may automatically distribute balances of terminated participants that do not exceed \$5,000. If the terminated participant's account balance is greater than \$1,000 but not exceeding \$5,000 and the participant does not make an affirmative election to request a distribution, the distribution will be paid in a direct rollover to an individual retirement account designated by the plan administrator. If a participant has an account balance of \$1,000 or less and the participant does not make an affirmative election to request a distribution, the vested account balance will be paid in a lump-sum distribution.

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Payment of Benefits - Continued

As required under Section 401(a)(9) of the IRC, a participant who is not a five percent or more owner of the Company must begin receiving required minimum distributions from the Plan by April 1 of the calendar year following the later of (1) the calendar year following the year in which the participant reaches age 72, or (2) the calendar year in which the participant retires. Effective January 1, 2023, the required age requirement increased to 73.

Hardship Withdrawals - Participants may withdraw their employee pretax contributions, employer matching, and profit-sharing contributions in the form of a hardship withdrawal to satisfy an immediate financial need as defined by the Plan. The participant must first exhaust all other assets reasonably available prior to obtaining a hardship withdrawal.

Forfeitures - Upon termination from service, the nonvested portion of a participant's account is forfeited. Forfeitures can be first used to reduce administrative expenses, and then to reduce future employer contributions. As of December 31, 2023 and 2022, the forfeited nonvested accounts totaled \$22 and \$78, respectively. Forfeitures totaling \$2,880 were used to reduce employer contributions in 2023.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received for the sale of an asset, or paid for the transfer of a liability, in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the Trustees. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Participant Contributions Receivable - As of December 31, 2023 and 2022, the Plan had \$44,113 and \$46,624, respectively, in contributions receivable from participants.

Employer Contributions Receivable - As of December 31, 2023 and 2022, the Plan had \$24,503 and \$22,541, respectively, in contributions receivable from the employer.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If the participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Costs associated with participant-initiated transactions are paid by the respective participants' accounts.

Subsequent Events - The Plan's policy is to evaluate events and transactions subsequent to its year end for potential recognition in the financial statements or disclosure in the notes to the financial statements. The plan administrator has evaluated events and transactions through the date of the independent auditor's report, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

ELM STREET DEVELOPMENT, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023

NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used as of December 31, 2023 and 2022.

Registered Investment Companies (Mutual Funds) - Registered Investment Companies (Mutual Funds) are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan purports its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2023			
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 44,337,113	\$ -	\$ -	\$ 44,337,113
Investments, at Fair Value	<u>\$ 44,337,113</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 44,337,113</u>
	2022			
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 38,881,173	\$ -	\$ -	\$ 38,881,173
Investments, at Fair Value	<u>\$ 38,881,173</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 38,881,173</u>

NOTE 4: INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator elected the method of annual reporting compliance permitted by Section 29 CFR 2520.103-8 of Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, as of December 31, 2023 and 2022, Charles Schwab Trust Bank (Trustee), respectively, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

	2023	2022
Investments, at Fair Value		
Registered Investment Companies	<u>\$ 44,337,113</u>	<u>\$ 38,881,173</u>
Notes Receivable from Participants	<u>\$ 244,941</u>	<u>\$ 223,193</u>

NOTE 5: RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company has not considered normal plan operations such as participant and employer contributions or benefits accrued or paid by the Plan for participants as party-in-interest transactions that require separate disclosure. Certain plan investments are shares of registered investment companies managed by the trustee, as of December 31, 2023 and 2022. Participant loan origination fees are paid out of the relevant participants' accounts. These transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their employer contributions. Any unallocated forfeitures would be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 7: TAX STATUS

The underlying prototype profit-sharing plan has obtained an opinion letter dated November 30, 2020, from the Internal Revenue Service (IRS), which stated that the form of the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Although the Plan has been amended since it received its last opinion letter, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, maintains that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS or DOL. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's federal Form 5500 is subject to examination by the IRS and DOL, generally for the three years after it was filed.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various registered investment companies (mutual funds). Registered investment companies are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in their values will occur in the near term, and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE 9: COMMITMENTS AND CONTINGENCIES

In the normal course of business, there may be various commitments and contingencies outstanding, which are not reflected in these financial statements. In the opinion of the plan administrator, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.

NOTE 10: PLAN AMENDMENT

The Plan was restated effective January 1, 2022, in order to comply with the requirements for Cycle 3 Pre-Approved Plans, pursuant to IRS Notice 2017-37.

NOTE 11: SUBSEQUENT EVENTS

Effective January 1, 2023, the definition of compensation was adjusted to exclude reimbursements or other expense allowances, fringe benefits, moving expenses, deferred compensation, and welfare benefits. In addition, compensation paid while not a participant in any component of the Plan for which compensation is being used will be excluded.

Effective January 1, 2023, compensation in excess of the greater of \$100,000 or the limit under IRC Section 414(g) for all employer contributions to the Plan for Highly Compensated Employees will be excluded.
