AUDIT REPORT  
December 31, 2023 and 2022

A Business Partner, Wherever You are in the World

## INDEPENDENT AUDITOR'S REPORT

To the Investment Committee and the administrator of the JFE Group 401(k) Plan:

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of the JFE Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor’s Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters - Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year), as of and for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## *Notes to the Financial Statements*

*As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023*

### **NOTE 1 – PLAN DESCRIPTION**

The following is a brief description of the JFE Group 401(k) Plan (the “Plan”), which is provided for general information purposes only. The Plan document, related adoption agreements and individual statements provided to each Plan participant should be referred to for more complete information.

#### **A. GENERAL**

The Plan is a qualified defined contribution pension plan covering eligible employees who are members of a controlled group which is sponsored by JFE Shoji America, LLC and was adopted by the following affiliates: Vest, Inc., Kelly Pipe Co., LLC, Kawasho Foods USA Inc. and JFE Shoji Steel America, Inc. (collectively, the “Company”). The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Empower Retirement, LLC, and Empower Trust Company, LLC are the record-keeper and investment custodian (“Investment Custodian”). The Plan administrator is responsible for overseeing and ensuring compliance with the Plan document. The Investment Custodian and the Plan administrator are appointed by the Company.

#### **B. ELIGIBILITY**

The Plan covers all eligible employees of the Company who have completed six months of service and who have attained the age of 21. The Plan excludes those employees who are: (1) Employees of affiliated employers not adopting the Plan, (2) Leased employees, (3) Employed in the capacity or designated as an intern, work-study, expatriate employees or temporary/part time seasonal employee, (4) Employees covered by a collective bargaining agreement, unless the collective bargaining agreement requires the employees to be included within the Plan and (5) Certain nonresident aliens who have no earned income from sources within the United States.

#### **C. PARTICIPANT CONTRIBUTIONS**

The employees make voluntary contributions, on a before-tax or after-tax basis, up to 75% of the participant’s eligible compensation up to the IRC limits described below, to be placed into a trust fund for their benefit. The Plan includes an automatic enrollment feature and contribution arrangement. The automatic deferral amount is 3% of their eligible compensation, as defined, and will increase by 1% of compensation per year up to 6% of their eligible compensation, unless the participants opt-out of the Plan or change the deferral percentage. Compensation per the Plan document means wages, tips and other compensation on Form W-2. Compensation is adjusted to exclude fringe benefits, expense reimbursements, deferred compensation, and welfare benefits. Compensation and deferrals are limited to the Internal Revenue Code (“IRC”) limits prescribed each year.

#### **D. EMPLOYER CONTRIBUTIONS**

Each year, the Company, at its discretion, can provide a matching contribution based on an annually determined percentage of participants’ elective deferral contributions up to a maximum of 6% of the participant’s compensation. For 2023, the Company’s matching contribution was equal to 50% of the participant’s elective deferral limited to a maximum of 6% of the participant’s compensation.

The Company also has the option of making an additional discretionary non-elective employer contribution referred to as a profit-sharing contribution. The profit-sharing contribution is allocated to each eligible participant’s account based upon the ratio that each participant’s compensation bears to the total compensation for the Plan year. To be eligible for the discretionary profit-sharing contribution, the participant is required to be employed by the Company on the last day of the Plan year.

## JFE Group 401(k) Plan

### *Notes to the Financial Statements*

*As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023*

#### **NOTE 1 – PLAN DESCRIPTION – (CONTINUED) –**

##### **E. PARTICIPANT ACCOUNTS**

Each participant account is credited with the participant's contribution and allocations of employer contributions, plan earnings, and distribution and loan fees (if applicable). Allocations are based on participant earnings or account balances, as defined.

##### **F. VESTING**

Participants are 100% vested in their deferrals, rollover contributions and earnings thereon. If an employee was a participant as of January 1, 2015, and employed by Kelly Pipe Co., LLC, as of such date, the member of this group is always 100% vested in the Company to matching contributions. All other participating employees vest in the Company's discretionary profit-sharing contribution as follows:

<u>Years of Service</u>	<u>Vesting %</u>
1	20%
2	40%
3	60%
4	80%
5	100%

##### **G. NOTES RECEIVABLE**

Each participant may borrow up to the lesser of: (1) 50% of the present value of the participant's vested interest in the account or (2) \$50,000, less currently outstanding notes receivable. The notes are secured by the vested balance in the participant's account. No note shall be less than \$1,000 and only one note at a time is allowed. The notes shall bear interest as determined by the Plan administrator at the rate of prime plus 1% per annum. An outstanding note is repayable, with interest, in full at any time or in installments by means of a payroll deduction from the participant's salary over a term not to exceed five years, unless the note is for the purchase of a principal residence for which the repayment period may not exceed beyond 30 years. A note becomes immediately due and payable upon a participant's termination of employment, death or disability.

##### **H. PAYMENT OF BENEFITS**

An active participant, or a designated beneficiary, is entitled to withdraw the entire vested amount (or in some cases, a portion thereof) in the event of normal retirement, death, disability, termination of employment, termination of the Plan, attainment of age 59 ½ or under hardship circumstances, as defined, in the Plan document. The minimum amount for an in-service distribution is \$1,000. A participant may only receive one in service distribution during the Plan year and a participant must be 100% vested in his or her account. Distributions are made in the form of a lump sum distribution or installment payments.

Terminated employees whose vested balance exceeds \$5,000 at termination may elect to leave their account balances in the Plan. Participants must begin receiving required minimum distributions, under Internal Revenue Service ("IRS") guidelines, upon reaching the age of 72 ½. Terminated employees whose vested balances are under \$1,000 will be subject to an involuntary distribution.

## *Notes to the Financial Statements*

*As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023*

### **NOTE 1 – PLAN DESCRIPTION – (CONTINUED) –**

#### **I. TERMINATION PRIORITIES**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or partial termination, each participant would become 100% vested in their account balance.

### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **A. FINANCIAL REPORTING FRAMEWORK**

The accompanying financial statements are prepared according to accounting principles generally accepted in the United States of America (“GAAP”), as promulgated by the Financial Accounting Standards Board (“FASB”) in the Accounting Standards Codification (“ASC”).

#### **B. BASIS OF ACCOUNTING**

The financial statements of the plan are prepared on the accrual basis of accounting.

#### **C. ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### **D. CONTRIBUTION CUTOFF POLICY**

Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

#### **E. VALUATION OF INVESTMENTS**

Investments are reported at fair value, except the unallocated insurance account which is valued at contract value as discussed below. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the plan’s gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The investment in the unallocated insurance contract account with the Investment Custodian is a group annuity contract that is fully benefit-responsive so that the Statements in Net Assets Available for Benefits presents this investment at contract value. See further details in Note 7.

## **JFE Group 401(k) Plan**

### *Notes to the Financial Statements*

*As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023*

#### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED) –**

##### **F. NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023.

##### **G. PAYMENT OF BENEFITS**

Benefit payments to participants or beneficiaries are recorded when paid.

##### **H. PLAN EXPENSES**

Administrative expenses may be paid out of the Plan or by the Company. Administrative expenses that are to be paid from the Plan are allocated to all participants on a pro rata basis. The Company incurred certain administrative expenses relating to the Plan without charge to the Plan during 2023.

##### **I. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate risk, market risk, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

##### **J. SUBSEQUENT EVENTS**

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 15, 2024, which is the date the financial statements were available to be issued.

#### **NOTE 3 – FORFEITED ACCOUNTS**

Upon termination of employment, participants forfeit their non-vested balances. These accounts may be used to reduce future administrative expenses and/or Company contributions for the Plan Year. At December 31, 2023 and 2022, forfeited non-vested accounts were \$59,218 and \$58,351 respectively. There was approximately \$19,900 of forfeited amounts used that were used to reduce administrative expenses during the year ended December 31, 2023.

## **JFE Group 401(k) Plan**

### *Notes to the Financial Statements*

*As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023*

#### **NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE**

The Plan's investments are held in a trust fund administered by the Investment Custodians, trustees of the Plan. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income (loss) and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023.

#### **NOTE 5 – TAX STATUS**

The Plan obtained its latest determination letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by the Investment Custodian, and therefore, these transactions qualify as party-in-interest transactions. As of December 31, 2023 and 2022, there were investments that qualify as party-in-interest transactions totaling \$1,716,750 and \$1,328,573, respectively. Notes receivable from Plan participants also qualify as party-in-interest transactions. The total of the notes receivable from participants were and \$613,947 and \$565,338 for the years ended December 31, 2023 and 2022, respectively.

#### **NOTE 7 – COMMON AND COLLECTIVE TRUST**

The Plan has a fully benefit responsive group annuity contract with the Investment Custodian, whose account balances were \$1,495,052 and \$1,309,770 as of December 31, 2023 and 2022, respectively. The contract is a traditional investment contract. The Investment Custodian maintains the contributions in an unallocated fund, which is included in its general account, to which it adds interest. Since the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

## JFE Group 401(k) Plan

### Notes to the Financial Statements

As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023

#### **NOTE 7 – COMMON AND COLLECTIVE TRUST – (CONTINUED) –**

Certain events limit the Plan's ability to transact at contract value with the insurance company including plan termination and other events as specified in group annuity contract. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The insurance company may not terminate the contract at any amount less than the contract value.

The insurance company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the insurance company. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The average interest for 2023 and 2022 was 1.73 % and 1.43%, respectively.

#### **NOTE 8 – FAIR VALUE MEASUREMENTS**

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements).

In accordance with the framework, the Plan groups assets and liabilities measured at fair value into three levels based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used between December 31, 2023 and 2022.

- *Mutual Funds*: valued based on the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023

#### **NOTE 8 – FAIR VALUE MEASUREMENTS – (CONTINUED) –**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table classifies the investments measured at fair value on a recurring basis by level within the fair value hierarchy as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds:	\$ <u>32,789,957</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>32,789,957</u>
Investments, at Fair Value	\$ <u>32,789,957</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>32,789,957</u>
