## **INDEPENDENT AUDITORS' REPORT**

Plan Trustees and Plan Administrator  
Communication Federal Credit Union 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the Communication Federal Credit Union 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Fidelity Management Trust Company, a qualified institution, as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITORS' REPORT, CONTINUED**

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

### **Auditors' Responsibilities for the Audit of the Financial Statements, Continued**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## COMMUNICATION FEDERAL CREDIT UNION 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

---

#### (1) PLAN DESCRIPTION

The following description of the Communication Federal Credit Union 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions. Fidelity Management Trust Company (“Fidelity”) is the active trustee of the Plan.

##### General and Eligibility

The Plan is a defined contribution plan covering substantially all employees of Communication Federal Credit Union (the “Company”) , except for nonresident aliens and employees covered under collective bargaining agreements. Effective January 25, 2021, the Plan was restated to incorporate legislative, regulatory, and administrative updates. Employees are eligible to participate after completing 3 months of service, as defined in the plan agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan allows participants the option of making pre-tax or Roth after-tax 401(k) contributions. The total pre-tax and Roth after-tax contributions may not exceed statutory limits on 401(k) contributions.

##### Plan Merger

On July 22, 2022, the Company-sponsored defined contribution plan, Topeka City Employees Credit Union Capital Accumulation Plan, was merged into the Plan. Net assets of \$152,477 were transferred to the Plan.

##### Contributions

Upon eligibility, employees are automatically enrolled into the Plan with a 4% deferral percentage, unless the employee signs a waiver to decline enrollment before eligibility is reached. The deferral percentage increases by 1% the following year to reach a maximum of 5% of compensation, unless the employee elects otherwise.

Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan, not to exceed the maximum amounts established by the Internal Revenue Code of 1986 (the “Code”). Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company matches 200% of up to 5% of a participant’s eligible compensation. The maximum annual Company contribution is 10% of participant compensation. Contributions are subject to certain statutory limitations.

See Independent Auditors’ Report.

(1) **PLAN DESCRIPTION, CONTINUED**

**Participant Accounts/Investment Options**

Each participant's account is credited with the participant's contribution and allocations of the Company's matching contribution, plan earnings, plan expenses, and forfeitures of terminated participants' nonvested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct their contributions and the Company's contributions among various investment options offered through the Plan's trustee. Participants may change their investment options at any time.

**Vesting**

Participants become fully vested in their contributed account balances plus actual earnings thereon immediately upon becoming eligible to participate. The participant becomes 20% vested in the employer contributed portion of the account after 2 years of service, as defined, and continues to vest at a rate of 20% for each year of service until 100% vested after 6 years of service.

**Notes Receivable from Participants**

Participants may borrow against their account balance a minimum of \$1,000 or up to a maximum of \$50,000 or 50% of their vested balance, whichever is less. The loans are secured by the balance in the participant's account and are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid through payroll deduction and credited to the participant's account. Upon termination, retirement, or death, the participant (or beneficiary, as applicable) has the option to pay off the outstanding loan balance. If the participant or beneficiary elects not to pay off the loan, the outstanding loan balance is converted to a distribution.

**Payment of Benefits**

Upon termination of service due to death, disability, or retirement, a participant (or beneficiary, as applicable) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a rollover into another qualified retirement plan. Participants who have attained the age of 59½ are eligible to take in-service distributions. Additionally, hardship withdrawals are available to participants, subject to the plan agreement and applicable laws.

As of December 31, 2023 and 2022, there was approximately \$1,941,000 and \$1,904,000, respectively, of deferred vested benefits unpaid to participants who have terminated service with the Company.

As of December 31, 2023 and 2022, there were no significant unpaid vested benefits to participants who had requested withdrawal of his/her account.

**Forfeitures**

The Plan treats forfeitures as a reduction of the employer contributions otherwise made for the plan year in which the forfeiture occurs. The Advisory Committee also has the option to use the forfeitures to pay plan expenses. In 2023, there was approximately \$142,000 of forfeitures. At December 31, 2023 and 2022, unallocated forfeitures amounted to approximately \$152,000 and \$121,000, respectively.

See Independent Auditors' Report.

(1) **PLAN DESCRIPTION, CONTINUED**

**Plan Termination**

The Company reserves the right to terminate the Plan at any time subject to the Plan's provisions. In the event of termination of the Plan, all employees affected by the termination will become 100% vested in their account balances, unless the Plan is replaced by a comparable plan. Upon such termination of the Plan, the interest of each participant in the Plan will be distributed to such participant or the participant's beneficiary at the time prescribed by the Plan's terms and the Internal Revenue Code (the "Code"). The Company has no intentions of terminating the Plan at this time.

**Administration of Plan Assets**

The Plan's trustee invests the contributions received, as well as interest and dividend income, and makes distributions to participants.

**Administrative Expenses**

Certain expenses of the Plan are paid by the Company. The remaining plan expenses are allocated to each participant's account. In addition, fees are assessed on participant-directed transactions within the Plan and are charged to the participant's account.

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared under the accrual basis of accounting.

**Use of Estimates in the Preparation of Financial Statements**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. See Note 4 for a discussion of fair value measurements.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

See Independent Auditors' Report.

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED**

**Notes Receivable from Participants**

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan agreement.

**Payment of Benefits**

Benefits are recorded when paid.

**Risks and Uncertainties**

Plan participants may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

**Date of Management's Review of Subsequent Events**

Management has evaluated subsequent events through October 15, 2024, the date which the financial statements were available to be issued, and determined that no subsequent events occurred that require adjustment to or disclosure in the financial statements.

(3) **STABLE VALUE FUND**

The Plan invests in the Fidelity Advisor Stable Value Portfolio Fund, which is a collective investment trust fund sponsored by Fidelity. The fund's primary investment objective is to seek the preservation of capital, as well as provide a competitive level of income over time consistent with the preservation of capital. The fund invests primarily in investment contracts issued by insurance companies and other financial institutions, fixed income securities, and money market funds. Contract value is generally equal to the principal amounts invested in the underlying investments, plus interest accrued at a crediting rate established under the contract, less any adjustment for withdrawals. The stable value fund is expected to have a constant contract value of \$1, although there is no assurance that it will remain constant at \$1.

**(3) STABLE VALUE FUND, CONTINUED**

Participants may ordinarily direct an in-service withdrawal or a withdrawal following termination of employment of their investment at contract value on any business day. Withdrawals made in order to accommodate a participant-directed exchange to another investment option within the Plan may be made on any business day, provided that the exchange is not directed into a competing fund. The fund's trust agreement provides that withdrawals for events other than normal benefit payments or plan permitted investment option transfers are subject to a market value adjustment or to a contract charge or penalty. These events may include, but are not limited to, the following: sale of a division of the Company, a corporate layoff or early retirement program, change(s) in the investment options of the Plan, or termination or partial termination of the Plan. Withdrawals directed by the Company must be preceded by 12 months' written notice to Fidelity. At December 31, 2023, the Company believes the occurrence of an event that would limit the ability of the stable value fund to transact at contract value with the participants in the fund is not probable.

**(4) FAIR VALUE MEASUREMENTS**

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. In estimating fair value, the Plan utilizes valuation techniques that are consistent with the market approach, the income approach, and/or the cost approach. Such valuation techniques are consistently applied. Inputs to valuation techniques include the assumptions that market participants would use in pricing an asset or liability. Fair values may not represent actual values of assets and liabilities that could have been realized on the measurement date or that will be realized in the future. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value amounts.

*Accounting Standards Codification* Topic 820, "Fair Value Measurement," establishes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

- Level 1 inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 inputs consist of unobservable inputs which are used when observable inputs are unavailable and reflect an entity's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities.

See Independent Auditors' Report.

**(4) FAIR VALUE MEASUREMENTS, CONTINUED**

The Plan uses appropriate valuation methods based on the available inputs to measure the fair value of its assets and liabilities.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for plan benefits, as well as the general classification of such assets pursuant to the valuation hierarchy.

Registered Investment Companies

The fair values of registered investment companies are based on quoted prices for identical assets in active markets.

Stable Value Fund

Reported at fair value using net asset value (NAV) as a practical expedient. The stable value fund calculates NAV per share in a manner consistent with the measurement principles in ASC Topic 946, "Financial Services—Investment Companies." Those measurement principles indicate that, in the determination of a stable value fund's NAV, the relevant measurement is net assets, which include the fully benefit-responsive investment contracts held by the fund at contract value. This NAV represents the Plan's fair value since this is the NAV at which the Plan transacts with the fund. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

### NOTES TO FINANCIAL STATEMENTS, CONTINUED

#### (4) FAIR VALUE MEASUREMENTS, CONTINUED

The Plan had no assets measured at fair value on a recurring basis that were transferred into or out of Level 3 for the years ended December 31, 2023 or 2022. The Plan had no purchases, sales, or issues of Level 3 assets for the years ended December 31, 2023 or 2022.

The following table sets forth additional disclosures of the Plan's investments for which the fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022. The redemption notice period for the stable value fund is applicable only in the event the Plan terminates the investment fund. The notice period is not applicable to plan participants.

#### (5) INFORMATION CERTIFIED BY PLAN TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as certified by the trustee.

- Investments and notes receivable from participants as shown in the statements of net assets available for plan benefits as of December 31, 2023 and 2022.
- Investment activity (net appreciation in fair value of investments, interest, dividends, and interest income on notes receivable from participants) as shown in the statement of changes in net assets available for plan benefits for the year ended December 31, 2023.
- Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2023, as shown on the supplemental schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

See Independent Auditors' Report.

**(6) TRANSACTIONS WITH PARTIES-IN-INTEREST**

Certain officers and employees of the Company provide administrative services to the Plan. No officers or employees received any compensation from the Plan.

Certain plan investments are managed by the Plan's trustee and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The plan sponsor pays directly any other fees related to the Plan's operations, except participant loan related fees which are paid by participants' accounts.

**(7) TAX STATUS**

The Plan is a pre-approved plan offered by Fidelity, the trustee of the Plan. The Internal Revenue Service has determined and informed the trustee by a letter dated June 30, 2020, that the pre-approved plan is designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the date of the financial statements.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.
