Independent Auditors' Report

The Plan Administrator of The Chef's Warehouse 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Chef's Warehouse 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

**The Plan Administrator of
The Chef's Warehouse 401(k)
Profit Sharing Plan & Trust**
Page 3

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and (2) Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and to other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**The Plan Administrator of
The Chef's Warehouse 401(k)
Profit Sharing Plan & Trust**
Page 4

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of The Chef's Warehouse 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with 401(k) salary reduction and profit sharing features. Plan participants include all eligible employees of Dairyland USA Corporation and its affiliates (the "Company" or "Employer") who have completed 30 days of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may elect to have a percentage or specified dollar amount deducted from their compensation as defined by the Plan. The money that is deducted is "pre-tax" dollars. Participants who are age 50 before the end of the plan year are eligible to make catch-up contributions. A participant may elect to increase, decrease or suspend deductions according to procedures established by the Company. There is an annual limit as to the amount that can be deducted from compensation that is determined by the Internal Revenue Code ("IRC"). Participants may change their contribution amounts as of the first day of any month.

Participants may also contribute amounts representing distributions from other qualified plans. During 2023, the Company acquired five companies and that resulted in additional rollover contributions.

At the Employer's sole discretion, the Company may make a matching contribution on behalf of each participant in any specific percentage of the participants' elective deferrals. The Company has made matching contributions of \$3,685,409 for the year ended December 31, 2023. The matching contribution is the lesser of 50% of the participant's contributions or 3% of participant's eligible wages.

The Employer may make discretionary profit sharing contributions in amounts set by the Employer each year. Employees do not have to make 401(k) contributions in order to receive a discretionary profit sharing contribution, which is based on participant compensation. There were no Employer discretionary profit sharing contributions made to the Plan for the year ended December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of Plan earnings on their specific investments and Employer matching and discretionary profit sharing contributions, if any. Allocations of Plan earnings are based on each participant's account balance while Employer contribution allocations of earnings are based on the participant's compensation, as defined. The benefit to which a participant is entitled is the amount accumulated in the participant's vested account.

1. Description of Plan (*continued*)

Vesting

A participant is 100% vested in their contributions including allocated earnings thereon at all times. For any Employer matching and discretionary profit sharing contributions, the following vesting schedule applies:

<u>Years of Service</u>	<u>Vested Interest</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeitures

At December 31, 2023 and 2022, forfeited account balances held in non-participant directed accounts were \$11,529 and \$604. These accounts are used to reduce Employer contributions and/or administrative expenses. During 2023, \$97,700 of forfeitures were used to reduce Employer contributions and \$21,995 were used to reduce Plan expenses.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range from 1-5 years or up to 30 years for the purchase of a primary residence. Loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reason, a participant is entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In-Service distributions from all contributions permitted upon reaching 59 ½. A participant may make a withdrawal for reasons of economic hardship prior to attaining age 59½.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in the net asset value ("NAV") of the respective investment vehicle and consequently, those expenses are not separately reflected but are a component of net appreciation in fair value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the NAV per share as a practical expedient are not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The common/collective trusts are valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The self-directed brokerage account consisted of common stocks. Common stocks are traded on a national securities exchange are valued at the last reported sales price on the last business day of the Plan year.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a deemed distribution is recorded.

Payment of Benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies (continued)

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 15, 2024.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, a qualified institution.

4. Investments

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2023		
	Level 1	Other Investments Measured at NAV *	Total
Investments, at Fair Value			
Mutual funds	\$ 22,050,099	\$ -	\$ 22,050,099

5. Common/Collective Trusts

Invesco Stable Value TR Class III

At December 31, 2023 and 2022, certain assets of the Plan were invested in the Invesco Stable Value TR Class III. This investment is part of the Invesco Stable Value Trust (the "Fund"). The Fund is a collective trust established and maintained by Invesco National Trust Company, the trustee of the Fund.

The Fund may invest in bank, insurance company and other financial institution investment contracts ("GICs"). The Fund holds synthetic guaranteed investment contracts ("synthetic GICs"). Synthetic GICs are portfolios of securities (debt securities or units of collective trusts) owned by the Fund with wrap contracts associated with the portfolios. The Fund's investment contracts are carried at contract value which is equal to the principal balance plus accrued interest plus deposits and less withdrawals. Units are issued and redeemed daily at the Fund's constant NAV of \$1 per unit. Distributions of net investment income are declared daily and paid monthly. Such distributions are reinvested in the month-end net unit value. A participating trust is required to give the Trustee 24 months' irrevocable written notice of intent to redeem all or a portion of its participation in the Fund.

Principal Lifetime Hybrid Collective

The Plan offers 13 common/collective trusts called the Principal LifeTime Hybrid Collective Investment Funds ("Funds"), which include: the Principal Lifetime Hybrid Inc CIT; the Principal LifeTime Hybrid 2010 CIT; the Principal LifeTime Hybrid 2015 CIT; the Principal LifeTime Hybrid 2020 CIT; the Principal LifeTime Hybrid 2025 CIT; the Principal LifeTime Hybrid 2030 CIT; the Principal LifeTime Hybrid 2035 CIT; the Principal LifeTime Hybrid 2040 CIT; the Principal LifeTime Hybrid 2045 CIT; the Principal LifeTime Hybrid 2050 CIT; the Principal LifeTime Hybrid 2055 CIT; the Principal LifeTime Hybrid 2060 CIT and the Principal LifeTime Hybrid 2065 CIT. The unit value of each of these Funds is determined on a daily basis. Units are issued and redeemed at their unit value. Net investment income and realized and unrealized gains and losses on investments are not distributed to participants but are reflected in the unit value. The common/collective trusts have no unfunded liabilities.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants will become 100% vested in any unvested Employer contributions allocated to their accounts.

7. Tax Status

The Company has adopted an approved volume submitter plan which received an Internal Revenue Service ("IRS") advisory opinion letter dated June 30, 2020, which indicated the form of the Plan satisfied the qualification requirements under Section 401(a) of the IRC. The plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

**The Chef's Warehouse 401(k)
Profit Sharing Plan & Trust**

Notes to Financial Statements
December 31, 2023

7. Tax Status (*continued*)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

8. Party-in-Interest Transactions

Principal Trust Company, is the trustee of the Plan. Fees paid by the Plan to the trustee amounted to \$237,641 for the year ended December 31, 2023.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

9. Prohibited Transactions

During 2023, 2022 and 2021, the Employer failed to timely remit to the Plan certain participants' contributions and loan repayments, amounting to \$1,041,033, \$1,823,676 and \$740,678 within the period prescribed by Department of Labor regulations. Also, during 2019, the Employer failed to timely remit loan repayments, amounting to \$11,738 within the period prescribed by Department of Labor regulations. In November 2023, \$100,184 of the 2022 delinquent contributions were corrected and the lost earnings were allocated to the affected participants. For the remaining delinquent contributions and loan repayments, pursuant to the guidance issued by the Department of Labor, lost earnings were calculated and allocated to affected participants in the Plan by the Employer during 2024.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2023 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
