Independent Auditors' Report

To the participants and those charged with governance of
SSR Mining, Inc. (formerly Silver Standard U.S. Services Inc.) 401(K) & Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of SSR Mining, Inc. (formerly Silver Standard U.S. Services Inc.) 401(K) & Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) & Savings Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. Description of Plan

The following description of SSR Mining, Inc. (formerly Silver Standard U.S. Services Inc.) ("Company") 401(k) & Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who are age eighteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On April 5, 2014, the Plan was adopted by the Company, and the Marigold Mine 401(k) Plan was merged into the Plan. As a result, all investments were transferred from the predecessor plan into the Plan on that date.

On January 1, 2021, the Alacer Management Corp. 401(k) Profit Sharing and Trust Plan was merged into the Plan. Assets totaling \$2,248,916 from the Alacer Management Corp. 401(k) Profit Sharing and Trust Plan merged into the Plan.

Contributions

Each year, participants may contribute up to the statutory maximum of pretax annual compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds as investment options for participants. The Company will make a safe harbor matching contribution equal to 100% of salary deferrals that do not exceed 5% of total compensation that a participant contributes to the Plan and the non-elective profit sharing contribution is 3%. The matching Company contribution is invested in the various options as directed by the participants. Additional amounts may be contributed at the option of the Company's management. Annual participant contributions are limited by the Internal Revenue Service and in no event can an employee's total annual contribution exceed \$22,500 for 2023. In addition, eligible employees age 50 or over may contribute "catch-up" contributions of \$7,500 for 2023.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, the Company's contributions, Plan earnings and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

December 31, 2023 and 2022

1. Description of Plan (continued)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump sum amount or in annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account or maintain the account balance in the Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's safe-harbor is 100%.

Effective January 1, 2021, an adoption was made to change the Company's non-elective profit sharing to 100% immediate vesting.

Notes Receivable from Participants

Participants may borrow from their participant accounts a minimum of \$1,000 to a maximum of the lesser of \$50,000 or 50% of their average vested balance over the past 12 months. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 8.5%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

Administrative Costs

All expenses of maintaining the Plan are paid by the Company. Administrative costs were \$58,447 and \$78,663 for the years ended December 31, 2023 and 2022.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Accordingly, actual results could differ from those estimates.

Basis of Accounting Policies

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies, self-directed brokerage accounts and the common/collective trust funds which are not fully-benefit responsive are stated at fair value as determined by quoted market prices, which represents the net asset value of shares held by the plan at year end. The Plan's interest in the common/collective trust fund which is fully-benefit responsive is based on the fair value of the trust's underlying investments less the adjustment from fair value to contract value, based on information reported by the investment advisor using the audited financial statements of the trust at year-end. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date on the accrual basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

The Plan records contributions receivable for any contributions owed to the Plan as of December 31, 2023 and 2022, including those for payroll that were paid before year end, but the contributions were not yet funded.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Notes to Financial Statements
December 31, 2023 and 2022

2. Summary of Significant Accounting Policies (continued)

Payment of Benefits

Benefits are recorded when distributed and accrued for at year end for approved distributions recorded as accounts payable.

Administrative Expenses

All expenses of maintaining the Plan are paid by the Company.

Forfeited Accounts

As of December 31, 2023 and 2022, the balance of the forfeited non-vested accounts totaled \$0. Forfeited non-vested accounts are used to offset plan administrative expenses and reduce matching contributions when applicable. During the years ended December 31, 2023 and 2022, the forfeited non-vested amounts used totaled \$0.

Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the prototype Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the prototype Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the prototype Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the prototype Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRC. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

3. Information Certified by the Plan's Custodian

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Principal Trust Company, the Plan's trustee/custodian. Ending loan balances are not included as part of the certified assets.

- a. Total investments and notes receivable, as shown in the accompanying Statements of Net Assets Available for Benefits, as of December 31, 2023 and 2022 and Note 6.
- b. Total increase/(decrease) in net assets available for benefits, as shown in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023 and 2022.
- c. Supplemental schedule of assets (held at end of year) as of December 31, 2023.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

5. Reconciliation to Form 5500

The following represents reconciliations between the accompanying Statement of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits, and the Plan's Form 5500 as of December 31, 2023 and 2022 and for the year then ended December 31, 2023:

6. Fair Value Measurements

FASB ASC 820: Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

6. Fair Value Measurements (continued)

Non-fully benefit-responsive common/collective trust funds: Valued at the fair value of the trust's underlying investments as based on information reported by the investment advisor using the audited financial statements of the trust at year-end. The fund invests in units of other common/collective investment funds (the "underlying investments"). The unit value of a common/collective investment fund is calculated by dividing the fund's net asset value on the calculation date by the number of units of the fund that are outstanding on the calculation date.

Common/collective trust fund: Valued at the fair value of the trust's underlying investments as based on information reported by the investment advisor using the audited financial statements of the trust at year-end.

Registered investment companies (mutual funds): Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end.

Pooled Separate Account (PSA): Valued at fair value. PSA may only be accessed through the purchase of an insurance contract such as a group annuity.

Self-directed brokerage accounts (common stocks and corporate bonds): Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes

its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

6. Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value at December 31, 2023				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 45,011,100	\$ —	\$ —	\$45,011,100
Common/Collective trust funds	1,714,173	—	—	1,714,173
Self-directed brokerage accounts	543,598	—	—	543,598
Total assets in the fair value hierarchy	47,268,871	—	—	47,268,871
Investments measured at net asset value ⁽¹⁾	—	—	—	8,520,337
Investments at fair value	\$ 55,789,208	\$ —	\$ —	\$55,789,208

Assets at Fair Value at December 31, 2022				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 39,303,780	\$ —	\$ —	\$39,303,780
Common/Collective trust funds	936,551	—	—	936,551
Self-directed brokerage accounts	38,678	—	—	38,678
Total assets in the fair value hierarchy	40,279,009	—	—	40,279,009
Investments measured at net asset value ⁽¹⁾	—	—	—	7,163,935
Investments at fair value	\$ 40,279,009	\$ —	\$ —	\$47,442,944

⁽¹⁾ In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

7. Group Annuity Contract with The Principal

In 2022 the Plan entered into a Principal Guaranteed Option (PGO) with Principal Trust Company, with total of \$18,678,798 and \$17,868,833 at December 31, 2023 and 2022, respectively. The PGO is a guaranteed general account backed group annuity contract issued by Principal Life Insurance Company (Principal Life) to Principal Trust Company as custodian. A composite crediting rate contractually guaranteed by Principal Life is credited to account balances. The net crediting rate is after the deduction of fees for administrative and recordkeeping services provided to the plan. As a guaranteed contract, PGO does not have an investment management fee or expense ratio; those are concepts unique to investment products.

8. Related Parties and Parties-in-Interest

Related parties and parties-in-interest include the Plan Sponsor, employees of the Plan Sponsor who are owners, directors, executives or members of the investment committee, the third-party administrator, the asset custodian, the investment advisor and the independent auditor. Management has determined that none of the transactions with these parties were prohibited transactions.

9. Subsequent Events

The Company evaluated all events or transactions that occurred after December 31, 2023 through October 15, 2024, the date the financial statements were available to be issued. During this period, the Company was not aware of any material recognizable subsequent events.
