INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Nexdine, LLC 401(k) Profit Sharing Plan & Trust
Mansfield, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Nexdine, LLC 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Nexdine, LLC 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Nexdine, LLC 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Nexdine, LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Nexdine, LLC 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Nexdine, LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Notes to Financial Statements
December 31, 2023 and 2022**

1. Description of the Plan

The following description of the Nexdine, LLC 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Nexdine, LLC (the “Employer”). Employees are eligible to voluntarily participate in the Plan after completing three (3) months of service and have attained the age of 21 years. After completing one year of eligible service, employees are eligible for the employer matching contribution. After completing two years of eligible service, employees are eligible for the employer profit sharing contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each participant may contribute up to 100% of his or her compensation as defined in the Plan, or the amount allowed by the Internal Revenue Service (up to a maximum of \$22,500 in 2023 or \$30,000 for participants who are at least fifty years of age). On behalf of each participant, the Employer makes a fixed matching contribution equal to 15% of each participant’s elective deferral not exceeding 5% of the participant’s compensation. Contributions are subject to certain limitations and are recorded on a pre-tax or post-tax basis.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, and allocations of (a) the Employer’s contribution and (b) Plan earnings, and charged with an allocation of administrative expenses.

Employer Profit Sharing Contributions

The Employer has a discretionary profit-sharing plan and the contribution is at the complete and sole discretion of the Employer and may vary from year to year.

Forfeitures

The Plan provides that forfeited non-vested accounts are used to offset Employer contributions. Forfeitures were immaterial to the Plan as a whole as of December 31, 2023 and for the year then ended.

Vesting

Participants are vested immediately in their contributions, any Qualified Non-Elective Employer Contributions and discretionary profit-sharing contributions, plus actual earnings thereon. Vesting in the employer’s discretionary matching contribution portion of their accounts is based on years of service. A participant is 100% vested after 5 or more years of credited service in accordance with the following schedule:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 1 year	0%
1 year but less than 2 years	20%
2 years but less than 3 years	40%
3 years but less than 4 years	60%
4 years but less than 5 years	80%
5 years or more	100%

1. Description of the Plan (continued)

Participant Notes Receivable

Participants may borrow from their fund accounts to a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Interest rates on outstanding loans range from 4.25 to 9.50% at December 31, 2023. Principal and interest are paid ratably through weekly payroll deductions.

Payment of Benefits

On termination of service due to retirement, termination of employment, death or permanent or total disability, a participant will receive a lump sum distribution or installment payments.

2. Summary of Significant Accounting Policies

Basis of Accounting

The following accounting policies, which conform with accounting principles generally accepted in the United States of America ("GAAP"), have been used consistently in the preparation of the Plan's financial statements.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Loans to participants are measured at their unpaid principal balance plus any accrued and unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023. If a participant ceases to make a loan repayment and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefits to Participants

Benefits are recorded when paid.

Basis of Fair Value Measurement

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below.

Nexdine, LLC
401(k) Profit Sharing Plan & Trust

Notes to Financial Statements
December 31, 2023 and 2022

2. Summary of Accounting Policies (continued)

Basis of Fair Value Measurement (continued)

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurements and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the prices that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Pension Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Income Taxes

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2023, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan's income tax returns are subject to examination by the appropriate taxing jurisdictions. If the plan were to incur interest and penalties on uncertain tax positions, such amounts would be reflected as income tax expense on the statement of changes in net assets available for benefits. No interest or penalties were recognized during the year ended December 31, 2023.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements.

Subsequent Events

The Plan has evaluated all subsequent events through October xx, 2024, the date the financial statements were available to be issued. Management did not identify any events requiring adjustment to or disclosure in the financial statements.

Nexdine, LLC
401(k) Profit Sharing Plan & Trust

Notes to Financial Statements
December 31, 2023 and 2022

3. Fair Value Measurements

Investments in registered investment companies of \$2,652,040 and \$1,525,197 at December 31, 2023 and 2022, respectively, are measured at fair value using the daily closing price as reported by the investment. The registered investment companies are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded. As such, investments in registered investment companies are included in Level 1 of the fair value hierarchy described in Note 2, *Basis of Fair Value Measurement*.

Investments in pooled separate accounts of \$54,877 and \$31,513 at December 31, 2023 and 2022, respectively, are measured at fair value using net asset value per share based on the fair value of the underlying investments. In accordance with Financial Accounting Standards Board Standards Codification Topic 820-10, such investments are not required to be classified within the fair value hierarchy described in Note 2, *Basis of Fair Value Measurement*.

4. Information Prepared and Certified by Trustee

The following is a summary of investment information regarding the Plan as of December 31, 2023 and 2022 and for the year ended December 31, 2023, included in the Plan's financial statements and supplemental schedule, that was prepared or derived from information prepared by Principal Life Insurance Company ("Principal") and Delaware Charter Guarantee and Trust Company, the trustees of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certification from the trustees that such information is complete and accurate.

	<u>2023</u>	<u>2022</u>
Investments, at fair value		
Pooled separate accounts	\$ 54,877	\$ 31,513
Registered investment companies	2,652,040	1,525,197
	<u>Year ended</u> <u>December 31, 2023</u>	
Net appreciation in fair value of pooled separate accounts	\$ 6,048	
Net appreciation in fair value of registered investment companies	\$ 297,854	
Dividend income	\$ 48,613	

5. Party-in-Interest Transactions

Certain Plan investments are shares of pooled separate accounts managed by Principal. Additionally, the Plan makes loans to participants. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes to Financial Statements
December 31, 2023 and 2022

7. Tax Status

Pursuant to an adoption agreement of the prototype plan offered by The MandMarblestone Group, LLC (the "TPA"), on which the Internal Revenue Service determined and informed the TPA by letter dated March 31, 2014 that the prototype plan was qualified under IRC Section 401(a), the Plan administrator and the Plan's tax counsel believe that the Plan is qualified under IRC Section 401(a). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. Plan Termination and Amendment

Although the Employer has not expressed any intent to do so, the Employer has the right, under the Plan agreement, to discontinue contributions and terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their employer contributions.
