Independent Auditor's Report

Opinion

We have audited the financial statements of Burk Royalty Co., Ltd. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

BURK ROYALTY CO., LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1: PLAN DESCRIPTION

The following description of Burk Royalty Co., Ltd. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan, beginning January 1, 1985, covering substantially all employees of Burk Royalty Co., Ltd. and its affiliate, Viva Well Servicing Co. LTD (collectively the “Employer” or “Company”). It is designed to comply with the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments

The Plan was restated effective August 8, 2021, as required by the IRS Cycle 3 Mandate. The restatement did not have a significant effect on the Plan’s operations.

Effective March 1, 2022, the Plan executed an amendment updating the conditions of eligibility to participate in the Plan to reduce service requirements from six months to three months.

Plan Administration

The Plan is administered by the Plan Administrator who is appointed by the Trustees of the Plan. The Plan’s custodian, Merrill Lynch (the “Custodian”), is responsible for the custody of the Plan assets.

Eligibility to Participate

Employees become eligible to participate in the Plan after they have reached both the age of 20.5 and completed three calendar months of employment for the Employer. Participation begins on January 1, or July 1 after the eligibility requirements have been met.

Employee Contributions

Participants in the Plan may elect to have compensation deferred through payroll deductions. The maximum contribution amount for 2023 is \$22,500. An added contribution up to \$7,500 in salary deferral catch-up is allowed for those 50 or older, for a total possible contribution of \$30,000. Participants may roll over amounts representing distributions from other qualified defined contribution plans.

Employer Contributions

Due to the election of a “safe harbor” designation, the Employer is obligated to make a matching contribution to each participant’s account regardless of the profitability of the Employer during the Plan year. The Employer is obligated to make a matching contribution on behalf of each participant equal to one hundred percent (100%) of the participant’s salary deferral, but not in excess of six percent (6%) of the participant’s compensation.

The Employer shall have the right to make an additional discretionary contribution, which shall be allocated to each eligible participant in proportion to his or her compensation as a percentage of the compensation of all eligible participants. The discretionary contribution and the allocation thereof shall be unrelated to any employee contributions made hereunder. Forfeitures shall be allocated to participants in the same manner as the Employer’s contributions.

The Plan, as required by the Internal Revenue Code, includes special rules in years that the Plan is determined to be a “Top Heavy Plan”. The Plan becomes a “Top Heavy Plan” when it allocates more than sixty percent (60%) of the contributions or benefits to “Key Employees”. “Key Employees” are generally owners, officers, shareholders, or highly compensated individuals. If the Plan becomes top-heavy in any

BURK ROYALTY CO., LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

year, the Company is required to allocate three percent (3%) of applicable compensation for each employee to his or her participant account.

Participant Investment Options

Participants may direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options at any time throughout the year via direct phone access, fax, or internet.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's matching contribution, and an allocation of (a) investment earnings, (realized and unrealized), (b) the Employer's discretionary contribution, and (c) forfeitures of terminated participants' non-vested accounts. Allocations are based on the active participants' account balances or compensation, as defined in the Plan agreement. There were no Employer discretionary contributions during 2023 and 2022. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

Forfeited non-vested accounts totaled \$273 and \$1,361 as of December 31, 2023 and 2022, respectively. These accounts are used to reduce future employer contributions or to pay administrative expenses. The Plan utilized \$1,909 and \$0 of forfeitures to pay administrative expenses during 2023 and 2022, respectively from forfeited non-vested accounts.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of one-half (1/2) of their vested balance or \$50,000. Repayments are required to be completed within five years, except for the purchase of a primary residence, which must be repaid within fifteen years. The loans are secured by the balance in the participant's account and bear interest at rates of 4.25 – 9.50 percent, which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, the participant or beneficiary may elect to receive an amount equal to the value of the vested funds of their account as follows:

- a. By lump-sum cash distribution.
- b. By payments in a series of installments from the Plan for a period not to exceed the life expectancy of the participant.
- c. By installments through the purchase of an annuity from an insurance company.
- d. Any combination of the above.

Vesting

Participants are immediately vested in their voluntary contributions and the Employer's safe harbor matching contributions plus actual earnings thereon. For any discretionary contributions made by the Company, the vesting is based on a six-year schedule as follows:

Less than 2 years	None
2 to 3 years	20%
3 to 4 years	40%
4 to 5 years	60%
5 to 6 years	80%
6 + years	100%

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value at December 31, 2023 and 2022. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines valuation policies utilizing information provided by its investment advisor and custodian. See **NOTE 3** for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are accrued on the ex-dividend date.

Payment of Benefits

Benefit payments to participants are recorded upon distribution. No amounts allocated to accounts of persons who have elected to withdraw from the Plan, but have not yet been paid, were payable at December 31, 2023 or 2022.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based on the terms of the Plan document.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Administrative functions are performed by officers or employees of the Employer but receive no compensation from the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's accounts and are included in administrative expenses. Investment-related expenses are included in the net appreciation in the fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported

BURK ROYALTY CO., LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

amount of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Recent Accounting Pronouncements

The Plan has adopted all recent accounting pronouncements issued by the FASB (including its Emerging Issues Task Force) and the American Institute of Certified Public Accountants that are believed by management to have a material impact on the Plan's present or future financial statements.

NOTE 3: FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.
- Level 2* - Inputs to the valuation methodology include: Observable inputs other than Level 1 including quoted prices for similar assets or liabilities, quoted prices in less active markets, or other observable inputs that can be corroborated by observable market data.
- Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust fund (CCT): Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Self-directed brokerage accounts (common stocks): Valued at the closing price reported on the active market for which the individual securities are traded. Accordingly, the fair value is established using Level 1 inputs.

The methods above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate

BURK ROYALTY CO., LTD. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

and consistent with market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023.

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022.

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 14,618,663	\$ 14,618,663	\$ -	\$ -

CCT at net asset value ¹	5,373,521			
Total	\$ 20,042,094			

¹ In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of financial position.

The following sets forth a description of the Plan's common collective trust fund as required by FASB amendment ASU 2009-12, "Investments in Certain Entities That Calculate Net Asset Value per Share":

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common collective trust fund	\$ 4,680,716	\$ -	Daily	12 months

Common collective trust fund	\$ 5,373,521	\$ -	Daily	12 months

Participants may purchase units of the fund daily based on the established unit value of \$1. Participants may redeem units of the fund for the purpose of funding a bona fide benefit payment, making a participant loan, honoring an employee-directed transfer of the employee's interest in the Plan to another investment

election that is a noncompeting investment, or paying custodian fees. Participants may make withdrawals from the fund for other purposes generally only upon 12 months' advance written notice to the custodian. All participants of the fund have a proportionate undivided interest in all assets of the fund. Net investment income is distributed to participants monthly and is reinvested to purchase additional units.

NOTE 4: PLAN TERMINATION

Although it has not expressed the intent to do so, the Employer has the right, by appropriate resolution, to discontinue contributions at any time or terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent (100%) vested in their accounts.

NOTE 5: PARTIES-IN-INTEREST

Merrill Lynch serves as the broker and custodian of the Plan's assets and, therefore, transactions with Merrill Lynch qualify as party-in-interest transactions. Fees paid to Merrill Lynch for the administration of the Plan amounted to \$74,754 for the year ended December 31, 2023. Additional investment fees paid to parties-in-interest are netted against investment returns.

NOTE 6: INCOME TAX MATTERS

Effective August 8, 2021, the Plan was restated to adopt a non-standardized form of a pre-approved plan to bring the plan into compliance with the requirements of the 2017 Cumulative List (Notice 2017-37) (Cycle 3 restatement). The pre-approved plan provider, Merrill Lynch Pierce Fenner & Smith Inc., has received an opinion letter from the Internal Revenue Service as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the determination letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that is more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, under the directives of the Plan participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' accounts and the amounts reported in the statement of net assets available for benefits.

NOTE 8: SUBSEQUENT EVENTS

The Plan Administrator has evaluated subsequent events through October 15, 2024, the date the financial statements were available to be issued.
