INDEPENDENT AUDITOR'S REPORT

To the Management of
Jackson Marketing Group, Inc. 401(k) Profit Sharing Plan
Simpsonville, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Jackson Marketing Group, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Jackson Marketing Group, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the custodian in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from by Voya Institutional Trust Company, the custodian of the Plan (a qualified institution) as of December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3, to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jackson Marketing Group, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jackson Marketing Group, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jackson Marketing Group, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jackson Marketing Group, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Jackson Marketing Group, Inc. 401(k) Profit Sharing Plan ("Plan") provides general information. Participants should refer to the Plan document for a complete description.

A. "General". The Plan is a defined contribution plan covering all full-time employees of Jackson Marketing Group, Inc., and its subsidiaries, (collectively the "Company") that are age twenty-one or older and have completed one-half year of service with the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Seasonal employees are excluded from eligibility in the Plan.

B. "Contributions". Each year, participants may contribute up to 75% of pretax annual compensation, as defined in the Plan, up to the maximum amount allowed by the law under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also roll-over into the Plan amounts representing distributions from other qualified defined benefit or contribution plans and traditional individual retirement accounts. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company, at its sole discretion, may make matching contributions with respect to participants' deferral contributions. Currently, the Company matches 50% of the first 5% of compensation that a participant contributes to the Plan. The Company may also make additional discretionary contributions. Any discretionary contributions made by the Company shall be allocated in a uniform and nondiscriminatory manner in the ratio that each eligible participant's compensation bears to the total compensation of all eligible participants.

C. "Participant Accounts". Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and, (b) Plan earnings or losses, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. "Vesting". Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of participant accounts plus actual earnings thereon is based on years of continuous service according to the following schedule:

Years of Service	Percentage
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

E. "Payment of Benefits". Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a certain period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Additionally, the participant also has the option of taking the lump-sum and purchasing an annuity directly from an insurance company, as directed by the Plan.

F. “Participant- Directed Investments”. The Plan permits a participant to direct the investment of the participant's account in any of the Plan’s investment options. All Plan investments were participant directed in 2023 and 2022.

G. “Participant Loans”. Participants may borrow from their fund accounts up to the lesser of $50,000 or 50% of the present value of the vested portion of a participant’s individual account balance. These loans are secured by the balance in the participant’s account and bear interest at annualized rates from 3.25% to 8.50%, which is commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest is paid ratably through payroll deductions. In the event of default, as described by the Plan, participants are considered to have received a distribution and are subject to income taxes on the distributed amount.

H. “Plan Termination”. Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

I. “Forfeitures”. At December 31, 2023 and 2022, forfeited non-vested accounts totaled approximately $9,800 and $13,000, respectively. These amounts are available to reduce future employer contributions or to pay Plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Adoption of ASU 2016-13 and related standards – At the beginning of 2023, the Plan adopted ASU 2016-13, Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments, as amended, which modifies the measurement of expected credit losses on certain financial instruments. The Plan adopted this new guidance utilizing the modified retrospective transition method. The adoption of this Standard did not have a material impact on the Plan's financial statements but did change how the allowance for credit losses is determined.

Basis of Accounting – The accompanying financial statements have been prepared using the accrual basis of accounting, except for benefits paid to participants, which are recorded when paid.

Notes Receivable from Participants and Allowance for Credit Losses – Loans to participants are reported at their unpaid principal balances. The loans are collateralized by the respective participant accounts and the note payments are withheld by the Company from the respective participant wages. In the event of default, foreclosure on the note and attachment of the security occurs when a distributable event occurs in the Plan, subject to the suspension of payments permitted by Internal Revenue code 414(u)(4). The plan administrator evaluates the collectability of the loans based on the status of the note payments, the employment status of the participants, and the fair value of investment collateral. The plan administrator has determined that no allowance for credit losses was necessary as of December 31, 2023 and 2022.

Fair Value Measurements – The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The Plan’s mutual funds are considered level 1 investments. The plan utilizes contract value for the Guaranteed Account. These valuation methods are more fully described in the note, “Investment Valuation and Income Recognition”, below.

Investment Valuation and Income Recognition – The Plan’s assets are invested in a group annuity contract which contains a guaranteed account.

Guaranteed Account – The guaranteed account investment option provides a guarantee of principal and interest. The guarantee is based on the Custodian’s ability to meet its financial obligations from its general assets. Accordingly, amounts invested in the guaranteed account are part of the general assets of the Custodian and are subject to the credit risk of the Custodian. The financial statements of the Voya Retirement Insurance and Annuity Company are audited on an annual basis and are available to the public at voyaretirementplans.com. Investments in the guaranteed account are stated at contract value.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events – The Plan has evaluated subsequent events through October 9, 2024, the date the financial statements were available to be issued.

NOTE 3 - INVESTMENTS - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The following information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Voya Institutional Trust Company for the period December 31, 2023 and 2022.

	12/31/2023	12/31/2022
Investments		
Mutual Funds (at fair value)	$ 7,031,962	$ 6,439,530
Guaranteed account (at contract value)	$ 677,472	$ 754,020
Investment income	$ 1,143,127	

The investment income total of $1,155,908 in the accompanying statement of changes in net assets available for benefits includes $12,781 in interest earned from participant loans and the guaranteed investment account.

NOTE 4 - INVESTMENTS

The following table summarizes investments and their related valuation methods for the year ended December 31:

	12/31/2023	12/31/2022
Mutual Funds at Fair Value	$ 7,031,962	$ 6,439,530
Guaranteed Account at Contract Value	677,472	754,020
Total investments	$ 7,709,434	$ 7,193,550

Participants may ordinarily direct, withdraw, or transfer all or a portion of their investment at contract value. Certain events limit the ability of the Plan to transact at contract value with the Custodian. Such events include the following: (1) MVA and surrender charges, (2) breach of contract by the Plan, (3) if the Plan ceases to meet the requirements of the appropriate IRS Code sections, and (4) failure of the Plan to maintain certain minimum balance and activity requirements within the guaranteed investment contract. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE 5 - TAX STATUS

The Plan obtained an opinion letter dated March 31, 2014, in which the Internal Revenue Service stated that the Volume Submitter Profit Sharing Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the prototype plan has been amended, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code to maintain its tax-exempt status.

NOTE 6 - PARTY IN INTEREST TRANSACTIONS

The Plan has a number of service providers. Such parties are parties-in-interest under ERISA. Expenses totaling $19,773 were incurred with these service providers during 2023. At December 31, 2023 and 2022 accounts payable to service providers totaled $11,900 and $10,471, respectively.

All of these parties-in-interest transactions are exempt from prohibited transaction rules of ERISA.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H (FORM 5500)
