We are required to be independent of Coast Professional, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coast Professional, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coast Professional, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coast Professional, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COAST PROFESSIONAL, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Coast Professional, Inc. Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Coast Professional, Inc., (the "Company") as determined by the provisions of the Plan adoption agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Administration

The Company is the sponsor and administrator of the Plan. The Chief Financial Officer of the Company is the trustee of the Plan. Transamerica Trust Company (TTC), formerly Massachusetts Fidelity Trust Company, is the custodian of the Plan. Transamerica Financial Life Insurance Company (Transamerica) is the recordkeeper, and Ascensus Trust Company (Ascensus) is the third-party administrator of the Plan.

Eligibility

Individuals become eligible to participate in the Plan on the first day of the Plan quarter following the period in which they obtain two months of service and reach age 18, as defined in the Plan document. Employees must have one year of service in order to be eligible for employer contributions.

Contributions

The Plan allows participants to contribute an amount up to 100% of their annual compensation subject to certain contribution limitations under Section 401(k) and Section 415 of the Internal Revenue Code (IRC). Participants who have reached the age of 50 may elect to defer additional amounts to the Plan.

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Employees enrolled as a result of this provision must defer at least 3% of their compensation to the Plan. Participants can change their contribution amount at any time.

The Company makes discretionary matching contributions on behalf of the Plan's participants. The Company match is based on the participant's eligible compensation, not to exceed 3% of the participant's compensation. The Company may, at its sole discretion, also make annual discretionary profit-sharing contributions to the Plan. There were no profit-sharing contributions made in 2023 or 2022.

Participant Accounts

Participants direct the investment of all contributions into various investment options offered by the Plan. Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of investment earnings or losses, and is reduced by benefit payments and an allocation of administrative expenses.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts (Continued)

Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in their elective deferrals, rollover contributions, and any earnings thereon. Contributions made through the employer match and discretionary profit-sharing contributions vest 20% each year and become 100% vested after five years of service.

Administrative Expenses

Administrative expenses include investment management fees, operating expenses, and transaction fees.

Payment of Benefits

Upon termination of service, a participant may only elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Vested account balances of \$5,000 or less are paid as lump sum distributions immediately in cash from the Plan. No early retirement provisions are provided or permitted by the Plan. Hardship distributions are permitted under Plan provisions and in-service distributions are also available for participants who have reached 59 ½ years of age from all contribution accounts that are fully vested.

Forfeitures

Forfeitures of non-vested account balances are used to reduce future employer contributions or offset administrative expenses. Unused amounts are held and invested in a segregated account within the Plan. In 2023 and 2022, there were forfeitures of non-vested account balances and earnings on unused amounts totaling \$72,426 and \$100,211, respectively. At December 31, 2023 and 2022, there was \$240,797 and \$185,886, respectively, available to reduce future employer contributions or pay administrative expenses. In 2023 and 2022, forfeitures of \$17,515 and \$15,157, respectively, were used to offset administrative expenses.

Plan Termination

Although they have not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Investments and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements

The Plan uses various valuation techniques in determining fair value. *Financial Accounting Standards Board Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available.

The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to participant contributions.

Benefit Payments

Benefit payments are recorded when paid.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by MFTC as of and for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	<u>\$ 7,510,737</u>	<u>\$ 5,403,122</u>
Investment income (loss)	<u>\$ 886,904</u>	<u>\$ (817,175)</u>
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets fall within the fair value hierarchy as follows at December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 7,156,420</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 7,156,420
Common collective trust, at net asset value (a)				<u>354,317</u>
Total				<u>\$ 7,510,737</u>

The Plan's assets fall within the fair value hierarchy as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 5,138,459</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 5,138,459
Common collective trust, at net asset value (a)				<u>264,663</u>
Total				<u>\$ 5,403,122</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: valued based on quoted market prices in active markets.

Common collective trust: valued using the net asset value, based on the value of the underlying investments held at year end, divided by the number of units outstanding. The unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments which are primarily based on quoted market prices.

4. FAIR VALUE MEASUREMENTS (Continued)

The overall investment objective of these investments varies from stability of current income to growth. These investments do not have any unfunded commitments. The Plan can redeem these investments daily. There are currently no redemption restrictions on these investments.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

5. PARTY-IN-INTEREST TRANSACTIONS

TTC is the custodian of the Plan; Transamerica is the recordkeeper of the Plan; and Ascensus is the third-party administrator of the Plan. Administrative fees were paid to these entities involved with the Plan for the investment management, recordkeeping services, and administrative services, and these expenses qualify as exempt party-in-interest transactions.

6. TAX STATUS

The Plan is based on a pre-approved profit-sharing plan with CODA basic plan document from Ascensus. The IRS has determined, by letter dated June 30, 2020, that the written form of the Ascensus underlying pre-approved profit-sharing plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has been amended since receiving that determination letter. The Plan has not yet applied for its own determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. RECONCILIATION TO FORM 5500

While net assets available for benefits and change in net assets available for benefits agree between the financial statements and Form 5500 in total as of and for the years ended December 31, 2023 and 2022, certain classifications differ between the financial statements and Form 5500.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 15, 2024, which is the date the financial statements were available to be issued.
