INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Judy Madrigal & Associates 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Judy Madrigal & Associates 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution which management has determined to meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) for the year ended December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution which management has determined to meet the requirements of ERISA Section 103(a)(3)(C).

JUDY MADRIGAL & ASSOCIATES 401(k) PLAN
Notes to Financial Statements and Schedule
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Judy Madrigal & Associates 401(k) Plan (the Plan) is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the Plan document.

General

The Plan was established on January 1, 1993, most recently restated on December 1, 2021 and is sponsored by Judy Madrigal & Associates (the Company). The Company, as the principal employer, established a multiple employer plan to provide retirement benefits to its employees and employees of its clients. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA).

To participate in the Plan, an adopting employer enters into a simplified plan adoption and acceptance agreement with the Company. Each participating employer has its own sub-plan agreement that defines employer-elected plan provisions that would only apply to the employees of the participating employer. These provisions relate to eligibility requirements, vesting, and employer contributions, among others. Plan provisions, not defined in the sub-plan, follow the general provisions of the Company's Plan document.

The Plan is a defined contribution plan covering all eligible employees of participating employers who meet specified age requirements, are not covered by a collective bargaining agreement, and have completed specified service requirements, as defined in each sub-plan.

As of December 31, 2023, the adopting employers of the Plan are:

- Altos Optical Co. Inc.
- Ashley Provost Design, Inc.
- BCI Dental Laboratories, Inc.
- Betty M. Ho, M.D.
- Bryan S. Lee, M.D. Inc.
- Claret Medical Group Inc.

- Seema Sangwan, MD INC, A California Professional Corporation

- SharkEye Technology Services
- The Sternberg Clinic, Inc.
- Urgent Care + Telehealth
- Visoth Chhiap, M.D., A Professional Corporation

Administration

The Plan is administered by both the Company and C-Ben Group. Among other duties, it is the responsibility of the administrators to interpret the Plan, decide on questions of eligibility, determine the amount and manner of benefit payments and maintain administrative records of the Plan. All Plan assets as of December 31, 2023 and 2022 and for the year ended December 31, 2023 were held by Empower Trust Company (Empower).

Trustee

The trustee of the Plan is Great-West Trust Company, LLC. The primary duties of the trustee are to authorize investments and monitor payment of contributions, and benefits as directed by the Plan administrators.

Participant Accounts

Each participant's account is credited with the participant's contributions and the respective adopting employer's contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes Receivable from Participants

The Plan does not allow participants to borrow from their vested account balances.

Forfeitures

Forfeitures are created when a participant terminates employment before becoming entitled to 100 percent of the amounts derived from the employer's contributions. Amounts forfeited are used to fund administrative expenses of the Plan or future employer contributions. During the year ended December 31, 2023, \$899 of forfeitures were utilized to fund administrative expenses. As of December 31, 2023 and 2022, there were \$11,015 and \$10,528, respectively, in remaining forfeited amounts that could be used to fund administrative expenses and future employer contributions.

Contributions

Participants – The Plan permits each participant, at their option, to elect to contribute a dollar amount or percentage of annual pretax compensation as a basic contribution to the Plan, not to exceed the Internal Revenue Service (IRS) limitations. For the year ended December 31, 2023, the maximum pretax salary deferral was limited to \$22,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollovers). Participants direct the investment of their contributions into various mutual funds currently offered by the Plan as investment options. Participants are fully-vested immediately in their contributions plus actual earnings thereon.

Employer – Participating employers may elect to provide discretionary matching, safe harbor matching and/or discretionary profit-sharing contributions to employees who meet the specified age and service requirements, as defined in the respective sub-plan.

During 2023, certain sub-plans provided for discretionary matching contributions to eligible employees, on a payroll-to-payroll basis, at a percentage rate of eligible compensation, determined from year to year by the participating employers, but not to exceed 100% of participant contributions. For the year ended December 31, 2023, total discretionary matching contributions were \$51,693.

During 2023, certain sub-plans provided for safe harbor matching contributions, on a payroll-to-payroll basis, covering all eligible employees or non-highly compensated eligible employees, as defined by the sub-plan. For the year ended December 31, 2023, total safe harbor matching contributions were \$193,338.

During 2023, certain sub-plans provided for annual discretionary profit-sharing contributions using the integrated, non-integrated or non-safe harbor grouping methods. Under the non-integrated approach, the contribution is allocated in the same ratio as each participant's compensation bears to the total of such compensation of all participants, in the same dollar amount to all participants. Under the non-safe harbor method grouping approach, the participating employer may elect to contribute to the Plan on behalf of each of the classifications of participants at such amount as shall be determined by the Employer. To receive the annual discretionary profit-sharing contributions, the eligible employee must have completed at least 1,000 hours of service during the Plan year and must be actively employed on the last day of the Plan year. Regardless of these requirements, participants who leave employment during the plan year due to retirement, disability, authorized leave of absence or death, will receive an allocation of discretionary profit-sharing contributions, if any. During the year ended December 31, 2023, total discretionary profit-sharing contributions were \$315,974.

Each sub-plan has adopted one of the following vesting schedules:

Years of Service	Vesting %			
	Schedule A	Schedule B	Schedule C	Schedule D
Less than 1 year	0	0	0	0
1 year	20	0	50	50
2 years	40	20	75	100
3 years	60	40	100	-
4 years	80	60	-	-
5 years	100	80	-	-
6 or more	-	100	-	-

Payment of Benefits

Participants may receive distributions from their accounts upon attainment of age 59½, retirement as a result of disability, incurrence of a financial hardship (as defined), termination of their employment with the Company, death, qualified in-service distributions, or termination of the Plan. The participant may elect to receive a lump-sum amount equal to the vested value of the participant's account balance. For eligible participants receiving a required minimum distribution, the vested balance will be paid in installments over a period not to exceed the participant's assumed life expectancy.

Corrective Distributions

At December 31, 2023, the Plan recorded corrective distributions payable to participants of \$4,181 due to failure of certain 2023 compliance tests. At December 31, 2022, the Plan recorded corrective distributions payable to participants of \$3,002 due to failure of certain 2022 compliance tests.

Plan Termination

Although the Company has not expressed any intent to discontinue the Plan, the Company may do so at any time subject to the provisions of ERISA. In the event of termination, participants would become fully vested in their employer contributions, and assets of the Plan would be allocated to all participants and distributed in lump sum payments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan does not have any fully-benefit responsive investments.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, as determined by Empower. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net increase in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Plan investments are subject to certain investment fees based on a percentage of invested assets. Such fees are included within net increase in fair value of the mutual funds in the accompanying statement of changes in net assets available for benefits. Fees incurred for the administration of the Plan and participant requested services are reflected as administrative expenses on the accompanying statement of changes in net assets available for benefits.

Use of Estimates

The preparation of financial statements requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events

Plan management has evaluated subsequent events through the date of the auditor's report, October 15, 2024, which is the date the accompanying financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under the Financial Accounting Standards Board's *Accounting Standards Codification (ASC) 820* are described as follows:

- a) Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- b) Level 2 Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- c) Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodology used for the Plan's investments measured at fair value at December 31, 2023 and 2022. There was no change in the methodology used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

<i>Investments at Fair Value as of December 31, 2023</i>				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 19,845,828	\$ -	\$ -	\$ 19,845,828
Total investments at fair value	<u>\$ 19,845,828</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,845,828</u>

<i>Investments at Fair Value as of December 31, 2022</i>				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,853,846	\$ -	\$ -	\$ 16,853,846
Total investments at fair value	<u>\$ 16,853,846</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,853,846</u>

NOTE 4 – TRUST CERTIFICATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net increase in fair value of investments and dividend income from investments for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

During the year ended December 31, 2023, the Plan paid administrative and recordkeeping fees of \$151,835 to Empower, which are included within administrative expenses on the accompanying statement of changes in net assets available for benefits.

NOTE 6 – TAX STATUS

The IRS has determined and informed the Company by a letter dated November 23, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been restated since receiving the determination letter, the Plan administrators believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – CONCENTRATIONS AND CONTINGENCIES

As of December 31, 2023 and 2022, four sub-plans accounted for approximately 53% and 54%, respectively, of the Plan's investment assets. In the event these sub-plans were to be terminated, the Plan would retain the obligation for current fixed administrative expenses until the appropriate adjustments are made.
