Independent Auditor's Report

To the Plan Administrator and Participants
Telestream 401(k) Employee Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Telestream 401(k) Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Telestream 401(k) Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Telestream 401(k) Employee Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Telestream 401(k) Employee Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Telestream 401(k) Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Telestream 401(k) Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 and the schedule of delinquent participant contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TELESTREAM 401(K) EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

1. Plan Description

The following description of Telestream 401(k) Employee Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan established March 1, 1998 by Telestream, LLC ("Telestream" or the "Company") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. Standard Insurance Company ("Standard") serves as the custodian of the Plan. The Plan is administered by the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

b. Eligibility

Employees of the Company who are 18 years of age or older are eligible to participate in the Plan upon completion of 2 months of service except nonresident aliens, part time, temporary or seasonal employees unless regularly scheduled service for the Plan year is at least 1,000 hours, interns and on-call employees, and residents of Puerto Rico.

c. Contributions

Participants may contribute a percentage of their eligible compensation as a pre-tax or Roth deferral, as defined in the Plan document, subject to certain limitations under the IRC. Participants who are 50 years of age or older during the Plan year may also make catch-up contributions as allowed by the IRC.

The Company, at its discretion, may make matching contributions. At the beginning of 2022, the Company amended the Plan to match 50% of the first 8% of a participant's elective contribution. Participants may also contribute amounts representing distributions from other qualified plans.

d. Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, the Company's contributions, and an allocation of the Plan's earnings and expenses. Participants can direct their account into a variety of investments offered by Standard. The benefit to which a participant is currently entitled is the benefit that can be provided from the participant's vested account.

e. Vesting

Participants are fully vested at all times in the portion of their accounts attributable to their own contributions and earnings thereon. Participants vest in employer matching contributions as follows:

<u>Year of Service</u>	<u>Vesting Percentage</u>
1	30%
2	60%
3 or more	100%

f. Notes Receivable from Participants

Participants may borrow from their accounts a maximum of \$50,000 not to exceed 50% of the participant's account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Loan terms may not exceed 5 years unless the purpose of the loan is for the purchase of a primary residence in which case the term may be extended. The interest rate on notes receivable from participants as of December 31, 2023 ranged from 3.25% to 8.50% and the loans mature through 2032.

g. Payment of Benefits

On termination of service, death, or attainment of age 59½, a participant or their beneficiary may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, a partial distribution subject to a minimum of \$1,000 or substantially equal installments. Terminated participants with a vested account balance less than \$5,000 may have their balance distributed in the form of a direct rollover to an individual retirement account designated by the Plan Administrator.

h. Hardship Withdrawals

Upon certain conditions, participants, while still employed by the Company, are permitted to withdraw, in a single sum, a portion of their pre-tax elective deferrals as a result of an immediate and heavy financial need. These conditions include unreimbursed medical expenses, the purchase of the participant's principal residence, the payment of post-secondary education tuition, the payment of burial or funeral costs of immediate family members, the payment of natural disaster clean-up on the participant's principal residence or to prevent eviction or foreclosure from the participant's principal residence.

2. Summary of Significant Accounting Policies

a. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

b. Use of Estimates

The preparation of the financial statements in conformity with GAAP requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value, except for the guaranteed investment contract which is valued at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net appreciation (depreciation) in fair value of investments consists of the net change in unrealized gains or losses during the year and the realized gain or loss on investments sold during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

d. Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants may be treated as a distribution based on the terms of the Plan document.

e. Payment of Benefits

Benefits are recorded when paid.

f. Administrative Expenses

Administrative expenses, including custodial, recordkeeping, legal and accounting fees, are paid by the Company. Direct expenses totaling approximately \$9,000 were paid by the Plan during 2023 and 2022, representing transactional fees incurred and allocated to specific participants. Certain expenses are included in the transaction prices of investments bought and sold and cannot be separately quantified.

g. Forfeitures

At December 31, 2023 and 2022, unallocated forfeited nonvested accounts totaled approximately \$38,000 and \$73,000, respectively. Forfeitures are used to pay administrative expenses. During 2023 and 2022, approximately \$2,000 and \$3,000, respectively of forfeitures were utilized to pay administrative expenses.

3. Investments

Plan investment assets are held by Standard. Participants can direct their accounts among various pooled separate accounts and a guaranteed investment contract.

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Standard, the Guaranteed Interest Fund ("GIF"). The assets of the GIF are held in the general assets of Standard. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 3%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the

participants.

4. Fair Value Measurements

Accounting Standards Codification (“ASC”) 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled separate accounts: The Plan’s interest in the pooled separate accounts is valued at the net asset value (“NAV”) of each pooled separate account’s underlying investments as based on information reported by the investment advisor using the daily reported NAV of the pooled separate account at year-end.

The following tables set forth by level within the fair value hierarchy, the plan’s investment assets at fair value at December 31, 2023 and 2022:

	2023			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 50,044,084	\$ -	\$ 50,044,084

	2022			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 44,647,839	\$ -	\$ 44,647,839

5. Risks and Uncertainties

The Plan assets are invested in a variety of investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, foreign currency and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, and therefore participant account balances.

6. Information Certified by the Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the financial statements and supplemental schedules was provided and certified by Standard Insurance Company, the custodian of the Plan, as of December 31, 2023 and 2022, and for the years then ended, as complete and accurate:

- Investments, at fair value
- Investment, at contract value
- Notes receivable from participants
- Investment income (loss)
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

7. Related-Party Transactions

The Plan's investments are offered by Standard. Standard is the custodian of the Plan. Certain investment fees are paid by the custodian and are reflected in the investment income or loss for the year. The Plan also issues loans to participants that are secured by the vested balance in the participants' accounts. As such, these transactions qualify as party-in interest transactions, which are exempt from the prohibited transaction rules.

The Plan sponsor, Telestream, is a party-in-interest to the Plan; however, there were no transactions with the Plan sponsor other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan which are exempt transactions.

8. Income Tax Status

The Plan has been restated using the Standard Retirement Services, Inc. Volume Submitter 401(k) Profit Sharing Plan prototype document which received a favorable opinion letter dated March 31, 2014. The Plan has been amended since the date of the opinion letter. However, management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, management believes that the Plan is qualified and the related trust is tax exempt as of and for the years ended December 31, 2023 and 2022.

Assuming it meets certain initial and ongoing requirements, the Plan is generally exempt from federal and state income taxes. However, GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or

asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, participants would become 100% vested in all their accounts.

10. Reconciliation of the Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Plan's Form 5500 as of December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits reported on the financial statements	\$ 56,296,576	\$ 53,283,556
Contributions receivable	<u>(137,678)</u>	<u>(164,530)</u>
Net assets available for benefits reported on the Form 5500	<u>\$ 56,158,898</u>	<u>\$ 53,119,026</u>

The following is a reconciliation of the net increase (decrease) in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Net increase (decrease) in net assets available for benefits reported on the financial statements	\$ 3,013,020	\$ (7,952,183)
Net change in contributions receivable	<u>26,852</u>	<u>(164,530)</u>
Net assets available for benefits reported on the Form 5500	<u>\$ 3,039,872</u>	<u>\$ (8,116,713)</u>

11. Subsequent Events

Management has evaluated the potential recognition and disclosures in the financial statements of subsequent events that have occurred through October 15, 2024, which is the date the financial statements were available to be issued. Effective March 1, 2024, the Plan amended its vesting schedule for employer matching contributions, granting participants 100% immediate vesting for Employer matching contributions.

12. Non-exempt Transactions

Certain participant contributions that occurred in 2022 were identified that were not remitted to the Plan by the Company within the time period required by the Department of Labor. These late remittances constitute prohibited transactions as defined by ERISA. Management plans to remit the lost earnings for the 2022 late contributions during 2024.
