### **INDEPENDENT AUDITORS' REPORT**

To the Administrative Committee of the  
Valley Christian Schools Retirement Plan  
San Jose, California

#### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Valley Christian Schools Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Valley Christian Schools Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Valley Christian Schools Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## INDEPENDENT AUDITORS' REPORT (Continued)

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Valley Christian Schools Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Valley Christian Schools Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Valley Christian Schools Retirement Plan's ability to continue as a going concern for a reasonable period of time.

## INDEPENDENT AUDITORS' REPORT (Continued)

### Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## VALLEY CHRISTIAN SCHOOLS RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

#### **Note A – Description of the Plan**

The following description of the Valley Christian Schools Retirement Plan (the Plan) provides only general information. Interested persons should refer to the Plan agreement or the Summary Plan Description for a more complete description of the Plan's provisions.

##### General

The Plan is a participant-directed plan which was established on July 1, 1984 under the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) Section 404(c) and is considered a 403(b) plan. The Plan has been amended and reinstated effective July 1, 2019. The principal purposes of the Plan amendments were to comply with tax law changes and to make other changes in the Plan's design.

Employees other than excluded employees are eligible to participate in the Plan immediately upon hiring.

The Plan provides assistance toward meeting an eligible employee's retirement needs by: 1) allowing Valley Christian Schools (the Employer) to make discretionary contributions; 2) allowing eligible employees to defer a portion of their compensation; and 3) allowing the Employer to make matching contributions to the Plan equal to a percentage of the participants compensation. The Plan is subject to the provisions of ERISA and subsequent laws.

##### Employer Contributions

The following contributions may be made for participants if they are eligible for Employer contributions.

The amount of contribution made by the Employer is within the Employer's discretion and may vary. Once participants become eligible to receive Employer contributions after the beginning of a Plan Year, the Employer will contribute to their account, as of the date they became eligible, an Employer contribution equal to the amount that they would have received to date, had they been eligible for Employer contributions since the beginning of the Plan Year. Such Employer contributions will be contributed to accounts as soon as administratively possible. Participants will be eligible to receive monthly Employer contributions for the remainder of the Plan Year (if they remain an eligible Employee), but in no event will they receive a larger amount of Employer contributions in the Plan Year than they would have received had they been eligible for Employer contributions at the beginning of the Plan year.

The Employer made matching contributions for the year ended December 31, 2023 of \$2,166,558. The employer matching represented up to the maximum of 8% of eligible compensation from January 1, 2023 to December 31, 2023.

##### Employee Deferral Contributions

Participants may elect to have a portion of their salary deposited directly into the Plan on their behalf. The pre-tax contribution is called a salary deferral. Participants do not have to pay any income tax while the salary deferral is held in the Plan, and any earnings on the salary deferrals are not taxed while they stay in the Plan. Participants may also make contributions to the Plan on a after-tax basis, by designating the salary deferral as Roth deferrals. Participant are taxed on Roth deferrals in the year of contribution. ### **Note A – Description of the Plan (Continued)**

#### Employee Deferral Contributions (continued)

contributions and earnings are not taxed upon distribution from the plan as long as the withdrawal is considered a qualified distribution. Participants who have attained age 50 or older are eligible to make catch up contributions. Participants are also allowed to make rollover contributions from another qualified retirement plan or IRA. In any event, participants' accounts derived from transfers or rollovers will be fully vested, but will be subject to the rules of the Plan.

#### Vesting

Participants are fully vested in their contributions and the earnings thereon. Vesting in employer contributions and the earnings thereon is based on a five year graded method. A participant vests according to the following schedule:

| <u>Years of Service<br/>With the Employer</u> | <u>Percent of Nonforfeitable<br/>Accrued Benefit</u> |
|-----------------------------------------------|------------------------------------------------------|
| Less than two years .....                     | 0%                                                   |
| Two years .....                               | 40%                                                  |
| Three years .....                             | 60%                                                  |
| Four years .....                              | 80%                                                  |
| Five or more years .....                      | 100%                                                 |

#### Payment of Benefits

On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance. In addition, hardship distributions are permitted if certain criteria are met. A participant who, during the calendar year, reaches age 70½ may also elect to receive distributions calculated in the same manner as minimum required distributions. Participants that have a balance in their rollover contributions account may elect to withdraw all or a portion of it.

#### Forfeitures

At December 31, 2023 and 2022, there was \$748 and \$137, respectively, of forfeited nonvested matching accounts. The Plan maintains two separate forfeiture accounts, one for annuity investments and the other for mutual funds. These accounts are used to pay future employer contributions. During the year ended December 31, 2023, no forfeitures funds were redeemed or withdrawn from the forfeiture account balance to offset the employer matching contribution.

#### Notes Receivable from Participants

An eligible participant may borrow from his or her account up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance in the account during the prior twelve month period, or 50 percent of their vested account balance. Loan terms range from one to five years, unless it is for the purchase of a principal residence, in which case the loan repayment period may be repaid over a reasonable period of time that exceeds five years from the date of the loan. The loans are secured by the balance in the participant's account and bear a reasonable interest rate. Principal and interest are paid through after-tax payroll deductions on at least a quarterly basis.

### NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

#### **Note A – Description of the Plan (Continued)**

##### Plan Administration

The Employer has delegated certain responsibilities for the operation and administration of the Plan. Certain administrative and recordkeeping services were provided by Corebridge Financial (formerly AIG Retirement Services). A portion of the administrative expenses of the Plan were paid by the Employer.

#### **Note B – Summary of Significant Accounting Policies Plan**

##### Basis of Accounting and Use of Estimates

The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

##### Fair Value Measurements

The Plan performs fair value measurements in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures. Refer to Note F for the fair value measurement disclosures associated with the Plan's investments.

##### Investment Valuation and Income Recognition

The Plan's registered investment companies (mutual funds) and annuity contract investments are stated at fair value. The shares of mutual funds are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year-end. Annuity contracts are reported at fair value using contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought or sold as well as held during the year.

The assets of the Plan are invested in one or more investment arrangements provided by the Employer for use in the Plan. Investment arrangements provide for contributions to be held and credited with interest, or gains and losses, depending on the investment arrangement selected. Benefits under the Plan will be in the form of payments under the investment arrangement, which in the case of an annuity contract, may be in the form of periodic payments to the participants at regular intervals, and in the case of a custodial account, may be in the form of a lump sum payment or payments of a specified amount or for a specified period or such other options as permitted under the custodian agreement. As of August 2007, new plan contributions were only allowed to be invested in mutual funds. Participants had the choice to keep their annuity account or roll over their balance to mutual funds.

All contributions to the Plan may be invested in mutual funds which are held in a custodial account pursuant to Section 403(b)(7) of the Internal Revenue Code.

## VALLEY CHRISTIAN SCHOOLS RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

#### **Note B – Summary of Significant Accounting Policies Plan (Continued)**

##### Investment Valuation and Income Recognition (continued)

On September 5, 2007, the Plan entered into a Group Filed Unallocated Annuity Contract with AIG Retirement Services now called Corebridge Financial, an insurance company and the Plan's third party administrator. The contract is considered to be an unconditional legal obligation that Corebridge Financial must provide specified benefits to participating participants in return for a fixed consideration or premium. This insurance contract is irrevocable and involves the transfer of significant risk from the Employer to Corebridge Financial.

The following represents the current ratings of Corebridge Financials' financial strength/claims paying ability as represented by various insurance rating services:

| <u>Service</u>      | <u>Rating</u> | <u>Rating Description</u> |
|---------------------|---------------|---------------------------|
| A.M. Best           | A             | Excellent                 |
| Moody's             | A2            | Good                      |
| Fitch               | A+            | Strong                    |
| Standard and Poor's | A+            | Strong                    |

There are maintenance, separate account, and surrender or withdrawal charges associated with the Corebridge Financials' contracts.

There were no reserves against contract value for credit risk of the annuity contract issuer or otherwise. The average effective yields, which are equal to the crediting interest rates, range from 1.2% to 4.5% for the year ending December 31, 2023. The crediting interest rate is based on an agreed-upon formula with the issuer. Such interest rates are reviewed periodically, but not less than annually, for resetting.

##### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

#### **Note C – Tax Status**

Section 403(b) plans currently are not required to submit plans to the Internal Revenue Service for determination. However, the Employer received its latest determination letter from the Internal Revenue Service on February 12, 2021. The plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and the related state statutes, and that the trust, which forms a part of the Plan, is exempted from federal and state taxes.

## VALLEY CHRISTIAN SCHOOLS RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

#### **Note F – Fair Value Measurements**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

*Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2:* Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Common stocks, corporate bonds and U.S. government securities:* Valued at the closing price reported on the active market on which the individual securities are traded.

*Mutual funds:* Valued at the net asset value ("NAV") of shares held by the plan at year end.

*Guaranteed investment contract:* Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

**Note G – Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, the full value of each participant's account shall be 100% vested on the date of such termination.

**Note H – Party-In-Interest Transaction**

Certain Plan investments in mutual funds and annuities are managed by Corebridge Financial, the custodian of the Plan. Any purchases and sales of mutual funds are performed in the open market at fair value and qualify as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

**Note I – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**Note J – Subsequent Events**

The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued.
