## Report of Independent Auditor

To the Plan Administrator  
Little General Store, Inc. 401(k) Plan  
Beckley, West Virginia

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Little General Store, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule of Delinquent Participant Contributions – Form 5500, Schedule H, Part IV, Line 4a for the year ended December 31, 2023, and Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2023 AND 2022

---

### **Note 1—Description of the Plan**

The following description of the Little General Store, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement, as amended and restated, for a more complete description of the Plan’s provisions.

*General* – The Plan, as amended, is a defined contribution plan, adopted by Little General Store, Inc. FLIP, LLC and Cramer Security & Investigations, Inc. (individually or collectively referred to as the “Company” or “Plan Sponsor”) in January 1996. The Plan most recently was amended January 1, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan was most recently amended on January 1, 2023, which resulted in the following significant changes to the Plan:

- Commencement of Safe Harbor Matching Contribution

*Administration* – The Plan is administered by the Company, which serves without compensation. The Plan administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities. The Plan Sponsor outsourced the recordkeeping function of the Plan to Hand Benefits & Trust Company, the “qualified institution” of the Plan.

*Eligibility* – All employees who have completed one year of service and have reached 21 years of age are eligible to participate in the Plan. Employees who are nonresident aliens who received no earned income from sources within the United States are excluded. Employees who are included in a unit of employees covered by a collective bargaining agreement between the Company and employee representatives are excluded if the retirement benefits were the subject of good faith bargaining.

*Participant Contributions* – Each year, participants may contribute up to 100% of their eligible compensation on a pre-tax basis and/or post-tax (Roth) deferral contributions, not to exceed the annual limit established by the Internal Revenue Code (“IRC”) (\$22,500 for 2023). A participant’s pre-tax and Roth deferrals will be separately accounted for, as will gains and losses attributable to each. Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contributions (\$7,500 for 2023). Participants may also contribute amounts representing rollover distributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

*Company Contributions* –The Company, in its sole discretion, may make matching contributions to the Plan on behalf of each participant. Additionally, for the year ended December 31, 2023, the Company elected to satisfy the 401(k) safe harbor provisions and instituted a safe harbor match equal to 100% of the first 3% of a participant’s plan compensation, plus 50% of the next 2% of a participant’s plan compensation. There were no additional on-safe harbor matching contributions made during the year ended December 31, 2023. Compensation is subject to the limitation of \$330,000 during 2023, as prescribed by the Internal Revenue Service (“IRS”) Regulations.

The safe harbor matching contribution totaled \$232,603 for the year ended December 31, 2023 . Compensation is subject to the limitation of \$330,000 during 2023, as prescribed by the Internal Revenue Service (“IRS”) regulations.

*Participant Accounts* – Each participant’s account is credited with the participant’s contributions and allocations of Company matching contributions as well as allocations of Plan earnings and losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

*Participant Investment Options* – Under the Plan, the participant may direct the investment of both the Company and his or her contributions. Participants may change their investment options daily.

## **NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2023 AND 2022

---

### **Note 1—Description of the Plan (continued)**

*Vesting* – Participants are immediately vested in their contributions and safe harbor employer-matching contributions plus actual earnings thereon. Vesting in the Company's non-safe harbor matching contribution, prior to the safe harbor election, portion of their accounts is based on years of credited service. A participant's vesting schedule in Company non-safe harbor matching contributions is as follows:

| <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| Less than 2 years       | 0%                       |
| 2 years                 | 20%                      |
| 3 years                 | 40%                      |
| 4 years                 | 60%                      |
| 5 years                 | 80%                      |
| 6 or more years         | 100%                     |

*Notes Receivable from Participants* – Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of \$50,000. Total loans outstanding may not exceed 50% of a participant's vested account balance. Repayment terms for the loan range from one to five years, up to 25 years if the money is used to purchase your primary residence, with the loan balance amortized in equal installments over the life of the loan. Each loan is collateralized by the participant's vested account balance and bears a fixed interest rate commensurate with local prevailing rates as determined by the Plan administrator. At December 31, 2023, loan interest rates ranged from 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

*Benefit Payments* – Upon attainment of normal retirement age (65), termination, or permanent or total disability, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period not exceeding the normal life expectancy of the participant. Upon death, the full amount previously credited to a participant's account shall be paid to the participant's beneficiary. Participant hardship withdrawals, as defined by the IRC, are permitted under the provisions of the Plan. Nonvested Plan Sponsor contributions are forfeited upon termination, and together with related interest income, are available to reduce employer matching contributions, reallocate as employer contributions or to pay Plan expenses.

*Distributions During Employment* – As a general rule, a participant's contributions will remain in the Plan as long as the participant remains employed by the Company. The Plan allows for in-service withdrawals at age 59½ and for certain immediate and heavy financial needs (hardship) as defined by the Plan document. The following are the only financial needs considered immediate and heavy:

- Medical expenses,
- Purchase of a principal residence,
- Post-secondary education for participant or their dependents,
- To prevent eviction from or foreclosure on the participant's principal residence,
- Payments for funeral services of immediate family members, or
- Expenses incurred on account of a federally declared disaster.

*Forfeitures* – Plan forfeitures are available to be used to reduce the Company's matching contributions, reallocation as Company contributions, or to pay Plan expenses. Forfeitures of \$19,769 were utilized to reduce the employer contributions during the year ended December 31, 2023. The balance of forfeited Company contributions available to be used as of December 31, 2023 and 2022 was \$13 and \$-0-, respectively.

## **NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2023 AND 2022

---

### **Note 2—Summary of significant accounting policies**

*Basis of Accounting* – The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

*Use of Estimates* – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

*Risks and Uncertainties* – The Plan provides for various investment fund options. These investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

*Investment Valuation and Income Recognition* – The Plan’s investments are stated at fair value. U.S. GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation included the Plan’s gains and losses on investments bought and sold, as well as held, during the year.

*Benefits Paid to Participants* – Benefit payments to participants are recorded upon distribution.

*Notes Receivable from Participants* – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable is reclassified as distributions based upon the terms of the Plan document.

*Administrative Expenses* – Certain expenses of maintaining the Plan are paid by the Company and are, therefore, excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant’s account.

*Excess Contributions Payable* – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants prior to March 15 of the subsequent year.

*DECEMBER 31, 2023 AND 2022*

### **Note 3—Information certified by the Plan's qualified institution (unaudited)**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Hand Benefits & Trust Company, the qualified institution, has certified to the completeness and accuracy of the following data included in the accompanying financial statements and supplemental schedules as of December 31, 2023 and 2022, and for the year ended December 31, 2023:

- Investments, at fair value, and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023.

The Plan's independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

### **Note 4—Fair value measurements**

U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset and liability, in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

U.S. GAAP defines three levels of inputs that may be used to measure fair value as follows:

*Level 1* – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

*Level 2* – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

*Level 3* – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2023 or 2022.

*Mutual Funds* – These investments are public investment vehicles valued using the net asset value ("NAV") provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

*Collective Investment Trusts* – These inputs are observable for the asset or liability, either directly or indirectly, including quoted prices for similar securities, interest rates, credit risk, etc. that are determined for an asset based on independent market data. Collective Investment Trusts included as Level 2 investments have NAVs that are considered published.

**LITTLE GENERAL STORE, INC. 401(k) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2023 AND 2022

**Note 4—Fair value measurements (continued)**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies and assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's financial instruments carried at fair value are classified by the following fair value hierarchy levels as of December 31:

|                                                    | <b>2023</b>                                                                           |                                                            |                                                              |

## **NOTES TO THE FINANCIAL STATEMENTS**

*DECEMBER 31, 2023 AND 2022*

---

### **Note 5—Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant becomes fully vested with the amount of credit in their individual account and under no conditions will any part of the account revert to the Company.

### **Note 6—Tax status**

The Company adopted a prototype non-standardized profit-sharing plan with a cash or deferral arrangement. The prototype plan received a favorable opinion letter from the IRS on March 31, 2014, which stated the prototype plan is designed in accordance with applicable sections of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan has not received a determination letter specific to the Plan itself, however, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan also has no income subject to unrelated business income tax and, therefore, continues to be tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **Note 7—Party-in-interest transactions**

Certain members of the Company's management perform administrative and fiduciary duties for the Plan without compensation, that qualify them as parties-in-interest and/or related parties of the Plan. Transactions between such members of management and the Plan were routine in nature and conducted pursuant to the Plan's provisions as of and during the year ended December 31, 2023. The Plan pays both direct and indirect fees to the qualified institution for investment management services. Notes receivable from participants also qualify as party-in-interest transactions but are exempt from the prohibited transaction rules.

### **Note 8—Delinquent participant contributions**

During the years ended December 31, 2016 through 2023, the Company's failure to remit certain employee contributions to the Plan in a timely manner constituted a lending of such monies to the Company. As such, these transactions represented nonexempt transactions between the Company and the Plan as identified in the Schedule of Delinquent Participant Contributions – Form 5500, Schedule H, Part IV, Line 4a. The Company has remitted the participant contributions totaling approximately \$337,000 and is currently calculating the associated lost earnings to finalize the applicable corrections on those remittances.

### **Note 9—Subsequent events**

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated subsequent events through October 15, 2024, the date these financial statements were available to be issued.
