INDEPENDENT AUDITOR'S REPORT

To the Management of
the Sierra Railroad Company 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Sierra Railroad Company 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Sierra Railroad Company 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sierra Railroad Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sierra Railroad Company 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sierra Railroad Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sierra Railroad Company 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) at December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. SIERRA RAILROAD COMPANY 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND DECEMBER 31, 2022

• NOTE 1 - DESCRIPTION OF PLAN

The following description of the Sierra Railroad Company 401(k) Profit Sharing Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

- 1) *General:* The plan is a defined contribution plan adopted January 1, 2016, covering all eligible employees of Sierra Railroad Company (the Company). The Plan is available to all non-union employees who are twenty-one years or older and have completed six months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- 2) *Contributions:* Each year, participants may contribute up to \$22,500 in 2023 (thereafter as adjusted by the Secretary of Treasury) as defined in the plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common/collective trust funds as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation with an annual increase of 1% up to a maximum of 10% of compensation. Contributions are automatically invested in a balanced fund until changed by the participant. The Company can make a discretionary matching or profit sharing contribution. During the year ended December 31, 2023, no such contributions were made to the Plan.
- 3) *Participant Accounts:* Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and (b) Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- 4) *Vesting:* Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after four years of credited service.
- 5) *Note Receivable from Participants:* Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their account balance. Participants may only have one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 8% to 10%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions.
- 6) *Funding Policy:* It is the policy of Sierra Railroad Company 401(k) Profit Sharing Plan to fully fund all participant accounts as required by ERISA. Participant contributions and employer matching contributions are funded as soon as possible at the end of each pay period.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

- 7) *Payment of Benefits:* On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or may elect a systematic withdrawal plan (installment plan).
- 8) *Forfeitures:* Forfeitures are used to reduce the employer liability for current contributions and pay for plan maintenance and administration fees. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$0 and \$0, respectively.
- 9) *Plan Termination:* Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

- 1) *Basis of Accounting:* The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value.

- 2) *Investment Valuation and Income Recognition:* The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value of measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

- 3) *Use of Estimates:* The preparation of financial statements in accordance with accounting principles generally accepted in the United State of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.
- 4) *Payment of Benefits:* Benefits are recorded when paid.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND DECEMBER 31, 2022

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

- 5) *Date of Management's Review:* Subsequent events were evaluated through October 15, 2024, which is the date the financial statements were available to be issued.
- 6) *Notes Receivable from Participants:* Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.
- 7) *Expenses:* Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.
- 8) *Excess Contribution Payable:* Amounts payable to participants totaling \$66,670 and \$51,590 for the years ended December 31, 2023 and 2022 for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to 2023 participant contributions. The Plan distributed the 2023 excess contributions prior to March 15, 2024. The payable as of December 31, 2022 was distributed prior to March 15, 2023.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Reliance Trust Company.

	<u>2023</u>	<u>2022</u>
Reliance Trust Co.:		
Investments at fair value	\$2,967,633	\$2,336,829
Notes receivable from participant loans	<u>18,326</u>	<u>-0-</u>
	<u>\$2,985,959</u>	<u>\$2,336,829</u>
Investment gain (loss)	311,688	(512,151)
Interest on participant loans	498	89
Dividend income	82,540	115,758
Benefit payments	279,146	99,466
Administration expenses	1,140	400

NOTE 4 - TAX STATUS

The Plan participates under the ADP, LLC Defined Contribution Pre Approved Plan. The Internal Revenue Service (IRS) has determined and informed the ADP, LLC by a letter dated October 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 5 - CONCENTRATION OF CREDIT RISK ARISING FROM INVESTMENTS IN UNINSURED ACCOUNTS

The Plan's investments are currently held with Reliance Trust Company. These funds are uninsured and are not guaranteed. The value is based on current market value that varies daily. The availability of funds is based on the financial strength of the mutual funds and common/collective trust funds. Uninsured balances total \$2,967,633 and \$2,336,829 at December 31, 2023 and 2022.

NOTE 6 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the periods presented and there are no changes in the methods used to measure fair value at December 31, 2023 and 2022.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND DECEMBER 31, 2022

NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Fair Value Measurements

The fair value of common/collective investment trusts is based on unadjusted quoted prices in active markets for identical assets or liabilities. The investments are held within the trust that are traded in an active market by the trustee.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at December 31, 2023 and 2022:

Fair Value Measurements at the end of the reporting period using:				
		Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Other Unobservable Inputs Level 3
	<u>Fair Value</u>			
<u>December 31, 2023</u>				
Common/collective trusts	\$531,298		\$531,298	
Mutual funds	<u>2,436,235</u>	<u>\$2,436,235</u>		
Total investments at fair value	<u>\$2,967,633</u>	<u>\$2,436,235</u>	<u>\$531,298</u>	<u>\$-0-</u>
<u>December 31, 2022</u>				
Common/collective trusts	\$55,599		\$55,599	
Mutual funds	<u>\$2,281,230</u>	<u>\$2,281,230</u>		
Total investments at fair value	<u>\$2,336,829</u>	<u>\$2,281,230</u>	<u>\$55,599</u>	<u>\$-0-</u>

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2023 and 2022, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers into or out of Level 3 as of the dates of the event or change in circumstances that caused the transfer. For the year ended December 31, 2023, there were no transfers of investments into or out of Level 3.

NOTE 7 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Related party: Owner/employees and management participate fully in the Plan within Plan limitations due to high compensation.

Party-in-interest: Fees paid by the Plan for investment management services and recordkeeping was \$1,140 to ADP, Inc. for the year ended December 31, 2023. The trustee of the Plan is Reliance Trust Company. Audit fees were paid by the Company. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND DECEMBER 31, 2022

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	<u>December 31, 2023</u>	<u>December 31, 2022</u>
Net assets available for benefits		
per the financial statements	\$2,970,584	\$2,338,660
Participant contributions receivable	-0-	(2,586)

Excess contributions payable	<u>66,760</u>	<u>51,590</u>
Net assets available for benefit		
per Schedule H to the Form 5500	<u>\$2,985,959</u>	<u>\$2,336,829</u>

The following is a reconciliation of participant contributions per the financial statements for the year ended December 31, 2023, to the Form 5500:

Participant contributions per financial statements	\$508,943
Change in participant contributions receivable	2,586
Change in excess contributions payable	<u>15,171</u>
Participant contributions per Form 5500	<u>\$526,700</u>

Amounts allocated to participant contributions are recorded on the financial statements for excess contributions that have been processed and approved for payment, but not yet paid as of that date, and for participant contributions that have been collected, but not yet remitted to the Plan of that date. Amounts allocated to employer contributions are recorded on the financial statements for employer contributions that have been collected, but not yet remitted to the Plan as of that date.

NOTE 10 – SUBSEQUENT EVENTS

For the years ending December 31, 2020, through December 31, 2023, there were automatic enrollment and automatic escalation failures. Certain affected participants were not properly automatically enrolled and some affected participants did not have their deferral contribution amounts automatically escalated. In accordance with guidance in the IRS revenue procedure governing the Employee Plans Compliance Resolution System, corrective contributions in the amount of 50% of the missed deferral opportunity and earnings, based upon the IRS prescribed earning method, will be deposited to the Plan. The Plan sponsor will prepare and submit an application for a compliance statement to cover this operational failure in the IRS Voluntary Correction Program as soon as possible.

The Plan has accrued 50% of the missed deferral opportunity for the years ended December 31, 2021, through December 31, 2023. See other employer receivable.
