Independent Auditors' Report

Trustees
Hoefer Welker, LLC 401(k) Plan
Leawood, Kansas

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hoefer Welker, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hoefer Welker, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Hoefel Welker, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hoefel Welker, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Hoefel Welker, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hoefel Welker, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required By ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HOEFER WELKER, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 And 2022

1. Description Of The Plan

The following description of the Hoefer Welker, LLC 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan sponsored by Hoefer Welker, LLC (the Company) for the benefit of eligible employees of the Company, as defined below. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Matrix Trust Company (Matrix) and OneAmerica Financial Partners, Inc. (OneAmerica) served as a Plan custodian and recordkeeper, respectively, from January 1, 2022 through October 22, 2023. Effective October 23, 2023, Plan assets were transferred to Charles Schwab Trust Bank (Schwab) as the new custodian and recordkeeper. After the transfer, all employee and employer contributions were remitted to Schwab.

Eligibility

Under the terms of the Plan, eligible employees are those who have completed one month of service, as defined by the Plan Document, and are of age 21 or older, except those employees who are members of a collective bargaining unit, certain nonresident aliens or interns. Employees are able to enter the Plan on the first day of the quarter following the date the eligibility requirements are met.

Contributions

Eligible employees may contribute up to 100% of their annual compensation, as defined by the Plan Document. Participants age 50 and older may also contribute amounts representing catch-up contributions. The Plan allows participants to make after-tax (Roth) contributions and after-tax voluntary contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution and defined benefit plans (rollover).

The Plan includes a safe harbor provision. Under this provision, the Company makes required contributions equal to 3% of compensation for each eligible employee.

HOEFER WELKER, LLC 401(k) PLAN

Notes To Financial Statements (*Continued*)

The Company may also elect to make additional discretionary matching contributions, which will be determined by the Company. The Company did not make additional discretionary matching contributions for the Plan years ended December 31, 2023 or 2022.

The Company may also elect to make discretionary profit sharing contributions, which are allocated based on classifications of participants, as defined in the Plan Document. The Company did not make a discretionary profit sharing contribution for 2023 or 2022.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in a self-directed brokerage account or various mutual fund options offered by the Plan. Participants may change their investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's safe harbor, additional discretionary matching and profit sharing contributions, forfeitures, and an allocation of Plan earnings and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions and the Company's safe harbor contributions. Vesting in the additional discretionary matching contributions and discretionary profit sharing contributions plus earnings thereon is based on years of service. A year of service is defined as over 1,000 hours of service, while being employed for the entire Plan year. The graded vesting schedule is as follows:

<u>Years Of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	0%
2	25%
3	50%
4	75%
5	100%

HOEFER WELKER, LLC 401(k) PLAN

Notes To Financial Statements (*Continued*)

A participant also becomes fully vested upon severance from employment as a result of death or disability.

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance the participant had during the previous 12-month period or 50% of their vested account balances. The loans are secured by the balance in the participant's accounts and bear interest at the prime rate in effect in the month the loan is initiated plus 2%. Loans used to purchase a residence may be repaid over a period up to 15 years. Loans for all other purposes must be repaid within five years. Loans are due on various dates through January 2037. Principal and interest are paid ratably through periodic payroll deductions.

Payment Of Benefits

Upon termination of service, participants may elect to receive their vested benefits as a lump-sum amount or as a direct rollover to a qualified plan or individual retirement account.

In-service distributions may be made to a participant who has not separated from service provided the participant has attained the age of 59½.

Forfeitures

Nonvested portions of a participant's account are forfeited by the participant upon termination of employment and used to pay Plan administrative expenses or reduce the Company's contributions during the year in which the forfeiture occurred. No forfeitures were used to reduce Company contributions for the years ended December 31, 2023 or 2022. For the years ended December 31, 2023 and 2022, \$16,725 and \$1,910 of forfeited nonvested balances, respectively, were available for use.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use Of Estimates In The Financial Statements

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States. Those estimates and assumptions affect the reported amounts of assets and liabilities, and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could vary from those estimates.

Investment Valuation And Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net change in fair value of investments includes the Plan's gains and losses (realized and unrealized) on investments bought and sold as well as held during the year.

Investment contracts held by a defined contribution plan that are fully benefit-responsive investment contracts are reported at contract value, rather than fair value, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's investment in the American United Life Insurance Company (AUL) Stable Value Account - Series A was a fully benefit-responsive investment contract and was reported at contract value in the statement of net assets available for benefits. Effective October 23, 2023, the Plan's investment in the investment contract was terminated.

HOEFER WELKER, LLC 401(k) PLAN

Notes To Financial Statements (*Continued*)

Notes Receivable From Plan Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan Document.

Contributions Receivable And Credit Loss Policy

As of January 1, 2023, the Plan adopted Accounting Standards Codification Topic 326, *Financial Instruments - Credit Losses*, using a modified-retrospective approach. The standard replaces the previous incurred loss model and requires entities to record an estimate of expected losses on financial assets for the remaining estimated life of the asset. This estimate must include consideration of historical experience, current conditions and reasonable and supportable forecasts. The standard applies to the Plan's Employer contributions receivable. The adoption did not have a material impact on these financial statements.

The Plan has concluded that no allowance for doubtful accounts was necessary at December 31, 2022.

Benefits Payments

Benefits are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date financial statements were available for issue, which is the date of the Independent Auditors' Report.

3. Certified Investment Information

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information certified by Matrix and Schwab, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Matrix and Schwab that the information provided to the Plan Administrator related to the following information is complete and accurate.

HOEFER WELKER, LLC 401(k) PLAN

Notes To Financial Statements (*Continued*)

Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<u>2023</u>	<u>2022</u>
Investments - At Fair Value		
Mutual funds	\$ 13,105,548	\$ 10,365,726
Individually directed brokerage accounts	1,255,888	1,047,650
Fully benefit-responsive investment contract at contract value	—	204,967
Notes receivable from participants	46,953	50,271
Money market fund	42,096	—
Cash	—	12,042

Matrix and Schwab also certified to the completeness and accuracy related to the following investment income (loss) for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Net change in fair value of investments	\$ 1,474,732	\$ (2,779,900)
Interest and dividends	431,382	664,893
Interest income on notes receivable from participants	2,682	2,317

4. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

HOEFER WELKER, LLC 401(k) PLAN

Notes To Financial Statements (*Continued*)

- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Money Market Fund

Valued at the daily closing price as reported by the fund. The money market fund held by the Plan is an open-end fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily NAV and to transact at that price. This fund is deemed to be actively traded.

Mutual Funds

Valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are open-end investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset values (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

HOEFER WELKER, LLC 401(k) PLAN

Notes To Financial Statements *(Continued)*

Individually Directed Brokerage Accounts

Individually directed brokerage accounts are comprised of common stocks, exchange traded funds, and mutual funds. Common stocks and exchange traded funds are valued at the closing price reported on the active market on which the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 13,105,548	\$ —	\$ —	\$ 13,105,548
Money market fund	42,096	—	—	42,096
Individually directed brokerage accounts	1,255,888	—	—	1,255,888
Total Investments At Fair Value	\$ 14,403,532	\$ —	\$ —	\$ 14,403,532

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,365,726	\$ —	\$ —	\$ 10,365,726
Individually directed brokerage accounts	1,047,650	—	—	1,047,650
Total Investments At Fair Value	\$ 11,413,376	\$ —	\$ —	\$ 11,413,376

There have been no changes in the methodologies used at December 31, 2023 or 2022.

5. Fully Benefit-Responsive Investment Contract

The Plan invested in a fully benefit-responsive investment contract with AUL during the year ended December 31, 2022. The Plan's investment in the investment contract was terminated effective October 23, 2023. AUL maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan.

The investments crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

HOEFER WELKER, LLC 401(k) PLAN

Notes To Financial Statements (*Continued*)

This contract met the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

6. Party In Interest Transactions

The fully benefit-responsive investment contract held by the Plan through October 23, 2023 was managed by AUL, an affiliate of OneAmerica. These transactions qualified as allowable party in interest transactions.

Certain employees have outstanding loans with the Plan as of December 31, 2023 and 2022. These loans are considered party in interest transactions allowable under ERISA.

7. Tax Status

Effective October 23, 2023, the Plan adopted a pre-approved defined contribution plan document sponsored by Schwab Retirement Plan Services, Inc. Schwab Retirement Plan Services, Inc. received a favorable opinion letter dated September 21, 2020 from the IRS, which states that the pre-approved plan document satisfies the applicable provisions of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan itself has not obtained a determination letter from the IRS; however, the Plan Administrator and the Company believe that the Plan is designed and being operated in compliance with the applicable requirements of the IRC.

Effective July 1, 2022 and through October 22, 2023, the Plan was restated through the adoption of a pre-approved defined contribution plan document sponsored by OneAmerica Financial Partners, Inc. OneAmerica Financial Partners, Inc. received a favorable opinion letter from the IRS dated August 19, 2020, which states that the pre-approved plan document satisfies the applicable provisions of the IRC.

HOEFER WELKER, LLC 401(k) PLAN

Notes To Financial Statements *(Continued)*

Prior to July 1, 2022, the Plan had adopted a volume submitter profit sharing plan document sponsored by Qualified Plan Consultants LLC (Qualified). Qualified received a favorable opinion letter dated March 31, 2014 from the IRS. The Plan Administrator and the Company believed that the Plan was designed and was operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by a government authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions and earnings thereon.

9. Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
