The Plan Administrator
NutraMed Packaging LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of NutraMed Packaging LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of NutraMed Packaging LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NutraMed Packaging LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NutraMed Packaging LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to

those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NutraMed Packaging LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NutraMed Packaging LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters- Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets, (Held at end of Year), and Schedule H, Line 4a- Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment

information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Nutra-Med Packaging, LLC 401K Profit Sharing Plan (the "Plan") provides only general information. Nutra-Med Packaging LLC (the "Company") is the plan sponsor. All employees of the Company are eligible to participate in the Plan. Participants should refer to the Plan agreement and Summary Plan Description for a more complete description of the Plan's provisions.

1. *General*

On December 28, 2015, the Company established the NutraMed Inc. 401(K) Profit Sharing Plan and Trust Agreement (hereinafter referred to as "Plan") to provide eligible employees with a means of deferring current compensation from income tax. The Plan was amended in 2022, to change the name to Nutra-Med Packaging LLC 401K Profit Sharing Plan (the 'Plan'). This Plan is a prototype non-standardized cash or deferred profit-sharing plan for all employees of the Company who have completed at least 1,000 hours and one year of service with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan was restated with effect from January 01, 2021, to bring the plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37.

For the Plan year ended December 31, 2023, the Company provided a safe harbor matching contribution on behalf of participants.

2. *Contributions*

Within each calendar year, participants may voluntarily elect to contribute up to the annual dollar limit, as defined in the Plan ("Salary Deferral"). The Participant's Salary Deferral is subject to annual dollar limits published by the Internal Revenue Service of \$22,500 and \$20,500 for years ended 2023 and 2022, respectively. Certain eligible participants (age 50 and older) can contribute an additional catch-up contribution. Such contributions allowed for an additional \$7,500, for 2023 and \$6,500 for 2022. The Company has elected to make discretionary matching contributions, which equal to that percentage of each Qualifying Contributing Participant's Elective Deferral which the Employer, in its sole discretion, determines from year to year. The amount, the allocation formula, and the percentage or dollar amount limit applicable to such a match, if any, is at the complete and sole discretion of the Employer and may vary from year to year. Any matching

contribution is allocated in a nondiscriminatory manner based upon each Contributing Participant's Elective Deferrals ("Employer Matching"). The employer matching safe harbor contributions for the year ended December 31, 2023, was \$136,285 net off forfeiture. Employer matching contributions are subject to a vesting schedule, as described below. The Company also is permitted to make annual discretionary profit-sharing contributions; however, no such profit-sharing contributions were made for the year ended 2023. The Company's discretionary profit-sharing contribution must be allocated in the same ratio as the individual participant's compensation to all participants' compensation. Participants are also permitted to make rollover contributions ("Rollover Account Balance") to the Plan of distributions from certain other tax-qualified retirement plans in which the Participant has participated. The plan also accepts Roth Elective Deferrals as direct or indirect rollovers.

3. *Participant Accounts*

Separate accounts are maintained for each participant's contributions and earnings thereon. The participant may direct that the account be invested in one or more funds, as permitted by the Plan. Allocations are based on individual participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. *Vesting*

Upon termination of employment, a participant is entitled to 100% of the value of his / her Salary Deferral account balance and Rollover Account balance and qualifying rollover distribution plus 100% of the safe harbor matching contributions; plus, a specified percentage of his/her employer matching contributions and profit-sharing contributions on a pro-rata basis.

Participants are vested in the employer matching and profit-sharing contributions on a pro-rata basis over a six-year period as follows:

Less than 2 years	0
2 years	20
3 years	40
4 years	60

5 years	80
6 years	100

5. *Forfeitures*

Forfeitures resulting from application of the vesting provisions, are maintained separately by the Plan. Forfeiture can only be used to reduce employer-matching contributions in the future. In the event of the Plan termination, any unused forfeiture balances will be allocated to participant accounts. During 2023, the forfeiture of non-vested accounts was \$ 2,504. Forfeitures used to reduce employer-matching contributions during the year 2023 were \$2,504.

6. *Payment of Benefits*

Prior to the age of 59-1/2, distributions and withdrawal will be subject to a 10 percent federal tax penalty, except where excluded pursuant to Internal Revenue Code. After attaining age 59-1/2, 100 percent of the participant's account may be withdrawn for any reason. Upon termination of employment for any reason, a participant's vested account balance will be distributed to the participant, or designated beneficiary, at his or her option or left in the plan.

7. *Loans to Participants*

No loans are permitted from the Plan.

8. *Concentration of Credit Risk*

Financial instruments that potentially subject the plan to concentrations of credit risk are part of the holdings in Plan's investments. Management believes that the Custodian maintains the Plan's investment with high credit quality institutions and attempts to limit the credit exposure of investments.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

1. *Basis of Accounting*

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America as applied to profit sharing plans and in accordance with the terms of the trust agreement. Certain prior year amounts have been reclassified for consistency with current year presentation.

NOTES TO FINANCIAL STATEMENTS

2. Use of Estimates in Financial Statements

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions in determining the reported amounts of net assets and disclosure of contingent assets and liabilities, as of the date of the financial statements, and reported amounts of additions to the net assets and deductions from the net assets during the reporting period. Actual results may differ significantly from those estimates.

3. Investment Valuation and Income Recognition

The Plan adopted Financial Accounting Standards Board ASC 820, Fair Value Measurement ("FASB ASC 820"). FASB ASC 820 defines fair value. Establishes a framework for measuring fair value in accordance with generally accepted accounting principles and expands disclosure about fair value measurement. Refer to Note C- Fair Value Measurement for related disclosure.

The Plan's investments are stated at fair value. Quoted market prices are used to value investments.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date and interest income is accrued as earned.

4. Payment of Benefits

Benefits are recorded when paid. With effect from January 01, 2019, the plan is amended to include hardship distribution from participant's elective deferral account balance for severe financial hardships.

5. Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Investment management and recordkeeping service fees are borne by the Plan. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related fees are included in the net appreciation or depreciation of the fair market value of the investments.

6. Notes Receivable from Participants

No loans are permitted from the Plan.

NUTRA-MED PACKAGING LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE C - FAIR VALUE MEASUREMENT

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A fair value measurement reflects all of the assumptions that market participants would use in pricing the asset or liability, including assumptions about the risk inherent in a particular valuation technique, the effect of a restriction on the sale or use of an asset and the risk of nonperformance. The Plan groups its assets measured at fair value into a three-level hierarchy for valuation techniques used to measure financial assets at fair value. This hierarchy is based on whether the valuation inputs are observable or unobservable. These levels are:

- Level 1 – Quoted prices in active markets for identical assets. Level 1 includes mutual funds and corporate stocks, which have amounts invested in mutual funds that are Level 1.
- Level 2 – Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets. The Plan had no Level 2 investments during 2023 or 2022.
- Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets. If the Plan were to change its valuation inputs for measuring financial assets at fair value, either due to changes in current market conditions or other factors, it may need to transfer those assets into or out of Level 3 of the hierarchy based on the new inputs used. During the years ended December 31, 2023, and 2022, there were no transfers of financial assets into or out of Level 3 of the hierarchy. The following section is a description of the valuation techniques and inputs used by the Plan to measure each major class of assets at fair value. During 2023 and 2022, there were no changes to the valuation techniques used by the Plan to measure fair value. There were no unfunded commitments related to these investments for the years ended December 31, 2023, and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. (Level 1 input)

NUTRA-MED PACKAGING LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

Common/Collective Trusts: Collective investment trust (CIT) in this plan invests in a collective trust fund as well as a variety of separate accounts and mutual funds. The fair value of the underlying mutual funds are publicly quoted pricing inputs (level 1). The fair value of all these investments are used in determining the net asset value ("NAV") of the CIT, which is not publicly quoted but is available to current investors via the Employer website or when plan participants access their account values. The CIT can be redeemed at NAV as of the measurement date.

Therefore, it is believed that this investment has a "Readily Determinable Fair Value". The NAV is calculated in a manner consistent with GAAP for investment companies. Because it is valued similarly to mutual funds, this CIT is categorized as a level 1 asset to allow for consistent disclosure.

Separate Accounts: The pooled separate accounts ("PSA") in this plan invests mainly in domestic stocks and mutual funds. The majority of the underlying securities have observable level 1 quoted pricing inputs. The net asset value ("NAV") of the pooled separate account is not publicly quoted but is available to current investors via the Employer website or when plan participants access their account values. The NAV is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date. Therefore, this investment is believed to have a "Readily Determinable Fair Value". The NAV is calculated in a manner consistent with US GAAP for investment companies. Most of the security prices were obtained from a pricing service, Interactive Data Corporation (IDC). Because it is valued similarly to mutual funds, these separate accounts are categorized as level 1 in the fair value hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023, and 2022.

December 31, 2023	Total	Level 1	Level 2
Mutual Funds	\$ 704,919	\$ 704,919	\$ -

- (a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For the year ended December 31, 2023, the net appreciation in fair value of investments was \$434,193.

NOTE D – ROLLOVER CONTRIBUTIONS

There were total amounts of \$9,774 rollover contributions during the year ended December 31, 2023.

NOTE E - RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Principal Global Investors Trust Company is the custodian of the Plan assets. The Plan's investments include funds invested in or maintained/managed by Principal. These transactions qualify as exempt party-in-interest transactions.

Fees paid by the Plan for the investment management services amounted to \$35,642 for the year ended December 31, 2023.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would be 100 percent vested in their employer contributions.

NOTE G: TAX STATUS

The Internal Revenue Service has ruled that the Plan qualifies under Section 401 (a) of the Code and is therefore exempt from Federal income tax under Section 501(a) of the Code. The Plan has received a favorable determination letter dated, June 30, 2020. The Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Code, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America ("GAAP") require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As

NUTRA-MED PACKAGING LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

the Plan is tax-exempt, the Plan administrator has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE H - INFORMATION CERTIFIED BY THE PRINCIPAL TRUST COMPANY

The Plan's asset information as of December 31, 2023, and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by Principal Trust Company, the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Market value and number of shares of investments on December 31, 2023 and 2022.
- Interest and dividend income for the year ended December 31, 2023.
