Independent Auditors' Report

To the Plan Administrator of
Florida Community Health Centers, Inc. 401(k) Plan
West Palm Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Florida Community Health Centers, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Florida Community Health Centers, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of
Florida Community Health Centers, Inc. 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Florida Community Health Centers, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Florida Community Health Centers, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Plan Administrator of
Florida Community Health Centers, Inc. 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Florida Community Health Centers, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Florida Community Health Centers, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at the end of year as of or for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator of
Florida Community Health Centers, Inc. 401(k) Plan

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Florida Community Health Centers, Inc. 401(k) Plan

Notes to Financial Statements

For the year ended December 31, 2023

Note 1 – Description of Plan

The following description of Florida Community Health Centers, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Florida Community Health Centers, Inc. (the Company) who have at least three months of service, and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was adopted April 1, 1989 and amended and updated effective January 1, 2020. The Board of Directors of the Company is responsible for the oversight of the Plan. Effective January 1, 2020 the plan is referred to as a safe harbor 401(k) plan. A safe harbor 401(k) is a plan design where the Company has committed to making certain contributions as described below. This commitment to make contributions enables the Company to simplify the administration of the Plan by ensuring that nondiscrimination regulations are met.

Contributions

Upon meeting the eligibility requirements, participants may contribute salary deferrals on a pre-tax basis or as Roth 401(k) deferrals. Other contributions include employer safe harbor and profit sharing contributions. The maximum deferral percentage is 90% of the participant compensation as defined by the Plan, not to exceed \$22,500 in 2023, subject to the dollar limits set by law. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Company will make a safe harbor matching contribution equal to 100% of the participant salary deferral not to exceed 3% of the participant compensation plus 50% of the salary deferrals between 3% and 5%. This safe harbor contribution is 100% vested at the time of the contribution. As of December 31, 2023, the Plan safe harbor contribution receivable was \$18,524.

Each year the Company may make a discretionary profit sharing contribution to the Plan. In order to share in the profit sharing contribution for the year, the participant must be employed on the last day of the Plan year and have completed at least 1,000 hours of service during the year. No profit sharing contribution was made for the Plan years 2023 or 2022.

Participants may also contribute certain rollover amounts representing distributions from other qualified plans.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, Plan earnings, and charged with the investment gains or losses related to their investments, withdrawals and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Florida Community Health Centers, Inc. 401(k) Plan

Notes to Financial Statements (continued)

Note 1 – Description of Plan (continued)

Vesting

The participant will always be 100% vested in the salary deferrals, safe harbor contributions and rollover contributions. Vesting in the Company's profit sharing contribution portion of a participant's account is based on years of continuous service. A participant is 100% vested after six years of credited service or upon reaching normal retirement age, whichever is sooner.

Notes Receivable from Participants

The Plan permits participants to borrow a minimum of \$1,000 up to 50% of their vested account balance not to exceed \$50,000 and a maximum of two loans may be outstanding at any time. The notes are secured by the balance in the participant account and bear interest of the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions and notes must be fully repaid within five years. Participant notes receivable are valued at their outstanding principal balance plus accrued and unpaid interest. As of December 31, 2023 and 2022, the Plan had outstanding notes to participants with principal balances of \$338,581 and \$302,443. Interest received from participant loans totaled \$18,033 for 2023.

Payment of Benefits

Participants will be entitled to a distribution of their account balance, upon termination of service due to death disability, or retirement. For termination of services for other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution. Upon separation of service due to termination, death, disability or retirement, if the participant's vested interest in the Plan does not exceed \$5,000, a single lump-sum payment of the participant's vested account balance is made as soon as administratively practicable. In addition, if the participant's vested interest in the Plan does not exceed \$1,000, the distribution will automatically be paid to the participant even if they do not consent. Rollover contributions (and earnings thereon) will be taken into account in determining whether the \$1,000 threshold has been exceeded. The participant may elect to receive the distribution or to rollover the distributions to another retirement plan. Under certain circumstances a minimum of \$500 can be taken as an in-service distributions, however these distributions will reduce the value of the participant's account.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company. For the years ended December 31, 2023 and 2022 these expenses totaled \$82,565 and \$94,365 respectively.

Forfeited Accounts

At separation of service, a participant's non-vested portion of his or her account is forfeited. Forfeited accounts will be used to reduce future employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$12,324 and \$11,543, respectively. For the years ended December 31, 2023 and 2022 employer contributions were reduced by \$0 and \$3,917 for the year.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Florida Community Health Centers, Inc. 401(k) Plan

Notes to Financial Statements (continued)

Note 2 – Summary of Significant Accounting Policies (continued)

Recognition of Contributions

Contributions from the Plan sponsor are recognized as a receivable when the Plan sponsor declares a contribution. Contributions from employees are recorded as they are withheld for the participant's wages.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between willing market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustees. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in fair value of investments.

Payment of Benefits

All benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes there, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on accrual basis and no allowance for losses has been recorded as of December 31, 2023 or 2022.

Note 3 – Investments Certified by the Plan's Custodian (Unaudited)

The Plan's investment were held in trust by the trustee, Reliance Trust Company for the year ended December 31, 2023. All investment information disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the trustee.

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures, are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Money Market funds: Valued at fair value, which is determined by the custodian.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 – Fair Value Measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 229,922	\$ -	\$ -	\$ 229,922
Mutual funds	11,576,888	-	-	11,576,888
	\$ 11,806,810	\$ -	\$ -	\$ 11,806,810

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 283,491	\$ -	\$ -	\$ 283,491
Mutual funds	9,662,195	-	-	9,662,195
	\$ 9,945,686	\$ -	\$ -	\$ 9,945,686

Note 5 – Party-in-interest Transactions

Certain Plan investments are managed by Reliance Trust Company, the Plan trustee and therefore, these transactions qualify as party-in-interest transactions, however, they are exempt from the prohibited transactions rules under ERISA. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Certain administrative fees were paid by the Plan or by the Company. These transactions qualify as party-in-interest transactions.

Note 6 – Concentration of Credit Risk

For the year ended December 31, 2023, all Plan investments were held by Reliance Trust Company, the Plan custodian, in a trust fund. The investments contain cash and securities and are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes can materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Florida Community Health Centers, Inc. 401(k) Plan
Notes to Financial Statements (continued)

Note 7 – Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in their employer profit-sharing contributions.

Note 8 – Tax Status

The Plan obtained its determination letter in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Generally accepted accounting principles prescribe requirements for the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken by the Plan. Management has evaluated the Plan's design and operation and has concluded that the Plan is designed and has been operated in compliance with the applicable requirements of the Internal Revenue Code. Further management believes that the Plan has maintained its tax exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by the Internal Revenue Service and generally, the Plan's tax returns remain open for federal income tax examination for three years from the date of filing.

Note 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risk factors such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statement of net assets available for benefits. The plan administrator through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the plan administrator believes minimize these risks.

Note 10 – Subsequent Events

For the year ended December 31, 2023, the Company evaluated subsequent events for potential recognition and disclosure through October 14, 2024, the date the financial statements were available to be issued.

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
