To the Board Members of the
Sterling Computers Retirement Savings Plan

We have audited the financial statements of Sterling Computers Retirement Savings Plan (SC) for the year ended December 31st, 2023, and have issued our report thereon dated September 4th, 2024. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated June 11th, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by your entity are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate(s) affecting the financial statements was (were):

Your estimate of the fair value of the investments in guaranteed investment contracts (GICs) that do not have a market price is based on valuations performed on those GICs by a third-party (Level 3 in the fair value hierarchy under FASB ASC 820). We evaluated the key factors and assumptions used to develop the fair value of these investments in GICs in determining that their fair value is reasonable in relation to the financial statements taken as a whole.

Your estimate of the fair value of the investments in pooled separate accounts and common/collective trusts that do not have a market price is based on valuations performed on those accounts by a third-party (Level 2 in the fair value hierarchy under FASB ASC 820). We evaluated the key factors and assumptions used to develop the net asset value of shares held by the plan in determining that their fair value is reasonable in relation to the financial statements taken as a whole. The net asset value of the shares has observable inputs, but the net asset value of the pooled separate account and common/collective trusts themselves is not observable.

Your estimate of the allowance for doubtful accounts of notes receivable from participants is based on the historical data that no participant loan has ever gone uncollected. We evaluated the key factors and assumptions used to develop the allowance for doubtful accounts in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 4th, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to SC's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

There were findings discovered during the audit this year. The findings were significant in nature.

A separate exit conference letter was drafted and provided to management. Audit findings and other matters were documented and communicated in the letter. You may request a copy of this letter from management or from the auditors.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of you and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our DOL limited-scope audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of management and the board members of Sterling Computers Retirement Savings Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

A handwritten signature in black ink, appearing to read "GJE CPA".
