## Independent Auditors' Report

To the Trustees  
Radiology Associates, P.A. Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements**

We have performed an audit of the accompanying financial statements of Radiology Associates, P.A. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion on the 2023 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2023 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### *2023 Supplemental Schedule Required by ERISA*

The supplemental schedule of assets (held at year end) as of December 31, 2023, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditors’ Report on the 2022 Financial Statements*

The financial statements of the Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 6, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## RADIOLOGY ASSOCIATES, P.A. PROFIT SHARING PLAN

### Notes to Financial Statements December 31, 2023 and 2022

#### (1) Description of the Plan

The Radiology Associates, P.A. Profit Sharing Plan (the “Plan”) was established on February 1, 1967 and is sponsored by Radiology Associates, P.A. (“RAPA”) and Radiation Oncology Associates, P.A. (collectively, the “Company”). The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan is administered by a committee appointed by management of the Company. A member of management serves as the plan administrator. State Street Bank & Trust Company (the “Trustee”) serves as trustee, Massachusetts Fidelity Trust Company (the “Custodian”) serves as custodian for certain plan assets, and Transamerica Life Insurance Company (“TLIC”) serves as a certifying entity for certain plan assets. The Trustee, Custodian, and TLIC hold the Plan’s assets. Transamerica Retirement Solutions, LLC (“Transamerica”) is the recordkeeper for the Plan. TLIC and the Custodian are affiliated companies of Transamerica. The following is a description of the major provisions of the Plan:

**General:** The Plan is a defined contribution plan established by the Company under the provision of Section 401(a) of the Internal Revenue Code (“IRC”), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of the Company’s employees, except for employees covered by a collective bargaining agreement, nonresident aliens with no U.S. source income, and leased employees. All nonexcluded employees of the Company who have completed one year of service, as defined by the Plan, are eligible to participate, provided they are at least 18 years of age. Eligible employees may enter the Plan on the first day of the quarter after satisfying eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

**Employee Contributions:** Participants may elect to defer up to 100% of their annual compensation that does not exceed the dollar limit contained in Section 401(g) of the Internal Revenue Code. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions in accordance with, and subject to the limitations of Section 414(v) of the Internal Revenue Code.

**Employer Contributions:** The Company also provides for Employer safe-harbor matching contributions of 100% of deferrals up to 3%, plus 50% of deferrals that exceed 3% up to 5% of a participant’s eligible compensation. Also, the Company may, at its discretion, make quarterly elective profit-sharing contributions which will be allocated to participants using an integrated permitted disparity model, in accordance with the Plan document.

**Participant Accounts:** Each participant's account is credited with the participant's contribution, the Company's safe-harbor matching contributions, and allocations of Company profit-sharing contributions and Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

**Vesting:** Participants are immediately vested in their elective and employer safe-harbor matching contributions plus earnings thereon. Vesting in the Company's discretionary profit-sharing contributions is determined based on years of service under the following schedule. Participants are considered fully vested in all accounts upon retirement, death, or disability.

<u>Years of Service</u>	<u>Vested Percent</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 and greater	100%

**Investment Options:** Participants are permitted to direct the Trustees as to the investment of all of the assets in their individual account balances in specific assets or other investments allowed under the Plan. Participants may request detail of the investment options from the Plan Administrator. Participants can change their option elections prospectively at any time.

**Administrative Expenses:** The Plan allows certain administrative expenses to be paid from plan assets. The Plan participates in an expense offset arrangement with Transamerica, where excess revenue may be returned and deposited into an unallocated expense budget account. The amounts in the unallocated expense budget account may be used to pay reasonable and necessary Plan expenses or may be allocated to participants. For the year ended December 31, 2023, the Plan used \$155,502 from the expense budget account to pay certain Plan expenses.

**Notes Receivable from Participants:** Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of the lesser of \$50,000, reduced by the highest outstanding loan balance during the preceding 12-month period, or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan funds. Loan terms range from one to five years, or longer if for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of 1% over the prime rate. Interest rates range from 4.25% to 9.50% for each of the loans outstanding as of December 31, 2023. Principal and interest are paid ratably through regular payroll deductions.

**Payment of Benefits:** Upon retirement, termination, disability, or death, a participant, or their beneficiary in the event of death, may elect to receive a lump-sum amount equal to the value of the participant's vested account balance or in periodic payments not extending

beyond the life expectancy of the participant or beneficiary. Partial withdrawals are allowed from an active participant's vested account upon the attainment of age 59 ½ or in the event of proven financial hardship. Upon termination, automatic distributions are required for balances of less than \$1,000.

(2) **Summary of Significant Accounting Policies**

The following is a summary of the significant accounting policies used by the Plan in the preparation of the accompanying financial statements. Such policies are in accordance with accounting principles generally accepted in the United States of America.

***Basis of Accounting:*** The Plan prepares financial statements using the accrual method of accounting whereby additions and deductions to net assets available for benefits, other than benefit payments, are recognized when earned or incurred, respectively. Benefit payments are recorded when paid.

***Investments:*** Investments are reported at fair value, except for fully benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The investment committee determines the valuation policies utilizing information provided by the Trustee, Custodian, and TLIC. See Note 8 for a discussion of fair value measurements and Note 9 for contract value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statements of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

***Notes Receivable from Participants:*** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

***Use of Estimates:*** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(3) **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan document to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participant account balances would become 100% vested.

**(4) Forfeitures**

Forfeitures of non-vested Company contributions are used first to restore participant balances previously forfeited, then may be used to pay plan administrative expenses, and lastly to reduce future Company contributions. During 2023, \$31,814 of forfeited participant accounts were used to pay Plan administrative expenses. There was \$6,016 and \$1,461 available in the forfeiture account at December 31, 2023 and 2022, respectively.

**(5) Tax Status**

The Plan obtained its latest determination letter on September 23, 2022, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Management of the Plan follows the provisions of FASB ASC 740, *Income Taxes*.

The Plan files an annual information return in the U.S. federal jurisdiction. The Plan is no longer subject to U.S. tax examination by tax authorities for years prior to 2020.

**(6) Risk and Uncertainty**

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

**(7) Information Certified by Trustee**

The following is a summary of the unaudited information included in the Plan's financial statements and supplemental schedules that was certified by the Trustee, Custodian, and TLIC. The plan administrator has obtained certifications from the Trustee, Custodian, and TLIC that such information is complete and accurate.

- Total investments
- Notes receivable from participants
- Investment income

**(8) Fair Value Measurement**

Under FASB ASC 820-10, three prioritized valuation inputs are used to determine the fair value at the measurement date: Level 1 – quoted prices (unadjusted) in active markets for identical assets or liabilities; Level 2 – observable inputs other than the quoted prices

included in Level 1; Level 3 – unobservable inputs. There have been no changes in the methodologies used during the periods under audit, therefore no recognition of gain or loss is required for these financial statements.

The provisions of ASU 2015-07, which addresses the financial presentation of certain assets measured at net asset value per share as a practical expedient, have been adopted by the Plan. Accordingly, the Plan’s variable annuity funds have not been included in the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value:

*Level 1 Fair Value Measurements:*

*Publicly traded equities, bonds, and U.S. government securities:* Valued at the closing price reported on the active market on which the individual securities are traded.

*Money market funds and mutual funds:* Valued at the net asset value (NAV) of shares held by the Plan at year end.

*Level 2 Fair Value Measurements:*

*Separately managed accounts:* Valued at market prices but are not traded on an established market.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023 and 2022:

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Fair Value Measurements at Reporting Date Using</u>		
		<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>

**(9) Fully Benefit Responsive Investment Contract**

The plan holds a traditional guaranteed investment contract issued by TLIC. This contract meets the fully benefit responsive contract criteria, and therefore is reported at contract value. Contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the contract.

Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

TLIC is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by TLIC but may not be less than 0%. The crediting rate is reviewed on a daily basis for resetting, may not be reduced for a period of at least six months after a rate is established, but may be increased at any time.

The Plan's ability to receive amounts due in accordance with the fully benefit responsive investment contract is dependent on TLIC's ability to meet its financial obligations. TLIC's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with TLIC. Examples of such events include, but are not limited to, the following:

- The Plan's failure to qualify under Section 401(a) of the Code or the failure of the trust to be tax-exempt under Section 501(a) of the Code
- Plan termination or merger
- Bankruptcy of the Plan sponsor or other Plan sponsor events (for example divestures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations
- Employee communications influencing contributions, withdrawals or loans
- Early retirement incentive programs

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with TLIC and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow TLIC to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Code or the failure of the trust to be tax-exempt under Section 501(a) of the Code
- Deposits of contributions are not made in a timely manner
- Benefits can no longer be provided due to Plan changes
- The Employer files or has filed against it a petition for bankruptcy
- The Plan's failure to furnish documentation or information required under the contract
- The Plan's change in recordkeeper
- The Plan's request to transfer some or all of the balance to a competing or successor investment option
- After two years from the contract date if the investment option balance is less than \$50,000
- If TLIC elects to discontinue offering this contract as an investment option to the public

**(10) Party-In-Interest Transactions**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer association, or relatives of such persons. Certain plan investments are issued by the Trustee and TLIC. These transactions qualify as exempt party-in-interest transactions.

**(11) Subsequent Events**

The Plan has evaluated subsequent events through October 15, 2024, the date the financial statements were available to be issued.
