INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
the Spray Products 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the financial statements of Spray Products 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Spray Products 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Spray Products 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Spray Products 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Spray Products 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Spray Products 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Spray Products 401(k) Profit Sharing Plan

Notes to the Financial Statements
As of December 31, 2023 and 2022 and
For the Year Ended December 31, 2023

1. Description of Plan

The following description of the Spray Products 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan established October 1, 1997, and generally covers all employees except those covered by a collective bargaining unit. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration – Spray Products Corporation (the “Company”) is the Plan Administrator and is responsible for the general administration of the Plan.

Plan Amendments – Effective January 1, 2022 the Plan was amended and restated to bring the Plan into compliance with certain legislative and regulatory changes. Included for 2022 are changes to the hardship distribution and loan provisions of the Plan, including among other things, limiting participants to having only two loans currently outstanding, requiring a participant to certify eligibility conditions for a hardship distribution, and removing the requirement to: a) suspend contributions to the Plan after a hardship distribution; and, b) to first obtain a loan under the Plan before requesting a hardship distribution.

Eligibility – An employee becomes eligible to participate in the Plan after completing two consecutive months of service with the Company. An eligible employee who has satisfied the eligibility requirements noted above will become a participant in the Plan for all contribution types as of the first day of the month coinciding with or next following the date the eligibility requirements are satisfied.

Contributions – The Plan consists of a 401(k) salary reduction feature that allows participants to contribute a percentage of eligible compensation, as defined by the Plan, up to the maximum annual deferral allowed by the Internal Revenue Service (“IRS”) in the form of pre-tax and Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (rollovers) from other qualified defined benefit or contribution plans.

The Company shall make a Safe Harbor matching contribution of up to 100% of the participant’s elective deferral contributions that do not exceed 6% of the participant’s annual eligible compensation, which shall be deemed the Employer’s Matching Contribution.

The Company, in its discretion and as determined by the Company, may also make profit sharing and matching contributions to the Plan. There were no profit sharing or matching contributions for the years ended December 31, 2023 and 2022.

Participants direct the investment of their contributions into the various investment options offered by the Plan.

Spray Products 401(k) Profit Sharing Plan

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

Participant Accounts – Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan and Plan losses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately 100% vested in their deferral and rollover contributions plus actual earnings thereon. Subject to Safe Harbor requirements, participants are immediately 100% vested in the Company's Safe Harbor matching contribution plus earnings thereon. Participants vest in discretionary non-elective employer and certain employer matching contributions as follows:

Years of Service	Vested Percentage
0	0%
1	25%
2	50%
3	75%
4 or more	100%

Participants will become fully vested upon death, disability or early retirement.

Forfeited Accounts – Any Company contributions forfeited may be used to reduce future Company contributions. As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$-0- and \$4,778, respectively. For the year ended December 31, 2023, \$-0- in forfeitures were used to reduce employer matching contributions and \$4,824 in forfeitures were used to off-set Plan administrative expenses.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to the maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participants account and bear a commercially reasonable rate of interest, which is commensurate with the local prevailing rates, as determined by the Plan Administrator. Loans are payable over a maximum period of five years unless the loan qualifies as a loan to purchase a residence, in which case a maximum thirty-year repayment plan is permitted. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits – Upon termination of service due to, death, disability, retirement or early retirement, a participant may elect to receive a distribution of their vested account balance in the form of a lump-sum distribution, partial withdrawal, or as a substantially equal installment payment stream. In addition, participants may elect in-service withdrawals after reaching age 59-1/2 and participants are also permitted to make hardship withdrawals in certain cases of immediate and heavy financial need subject to limitations found in the Plan documents. Minimum required distributions for certain participants also apply per IRS regulations.

Terminated or deceased participants with a vested account balance equal to or less than \$1,000 shall be paid in a single sum as soon as administratively possible. Terminated participants with a vested balance greater than \$1,000 and less than or equal to \$5,000 shall be paid their vested interest in a direct rollover to an IRA designated by the Plan Administrator as soon as administratively feasible following severance of employment.

Spray Products 401(k) Profit Sharing Plan

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

Revenue Sharing – The Plan had a revenue sharing agreement with the prior custodian, Transamerica Life Insurance Company, Inc. (“Transamerica” or “TLIC”) through December 14, 2022. Under the terms of the agreement, the Plan earned revenue sharing credits based upon the Plan’s holdings that Transamerica funded to the Plan. The plan administrator could use amounts held in the revenue sharing credit account to reimburse the Employer for fees and expenses associated with services provided to the Plan, or pay vendors, including Transamerica or third parties. For the year ended December 31, 2023, no amounts were contributed in revenue sharing credits to the Plan, and \$-0- was used to off-set Plan administrative expenses. As of December 31, 2023, the balance in the revenue sharing account was \$38,167.

2. Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan’s investments are reported at fair value except for the fully benefit-responsive investment contract that is reported at contract value, see Note 4. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan’s valuation policies utilizing information provided by the investment advisors and trustees. See Note 5 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent loans are reclassified as distributions based upon the terms on the Plan document.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments. Expenses paid by the plan are reduced by forfeitures and amounts received for revenue sharing, see Note 1.

Spray Products 401(k) Profit Sharing Plan

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

CARES Act – On March 27, 2020, President Trump signed into law the “Coronavirus Aid, Relief, and Economic Security Act” (“CARES Act”). The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. The Company has evaluated the relief provisions available to plan participants under the CARES Act and has implemented certain provisions for eligible participants.

The Plan has until December 31, 2025, to amend the Plan documents, as necessary, for the CARES Act provisions implemented.

3. Information Certified by the Trustee

On December 15, 2022, assets of the Plan, including notes receivable from participants, amounting to approximately \$8,726,000 were transferred to a new custodian, Ascensus Trust Company and record keeper, Ascensus, LLC.

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including, but not limited to, investments held at December 31, 2023 and 2022, and participant notes receivable, and net appreciation in fair value of investments, interest and dividends, and investment expenses for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus, LLC, as agent for the custodian of the Plan.

4. Investment Contract with Insurance Company

The Plan had an investment contract with Transamerica through December 14, 2022, whereby certain Plan assets were maintained in pooled separate accounts and a guaranteed account. The accounts are credited with contributions and actual earnings on investments and charged for participant withdrawals, actual losses, and administration fees.

The investment contract with Transamerica includes an investment option in the Transamerica Stable Value Option, which meets the criteria for fully benefit-responsive investment contracts for participant-initiated transactions and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed account provides a guarantee of principal and a guaranteed interest rate, and is included in the financial statement at contract value as reported by the issuer. The crediting rate is based on a formula established by the contract issuer.

The Plan's ability to receive amounts due under a contract is dependent on the issuer's ability to meet financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value with Transamerica. Such events include, but are not limited to, premature termination of the contract by the Plan, company closings, layoffs, Plan termination, bankruptcy, mergers, and early retirement incentives. The plan administrator believes that no events are probable of occurring that would limit the Plan's ability to transact at contract value with participants or with the contract issuer.

Spray Products 401(k) Profit Sharing Plan

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include: (1) an uncured violation of the Plan's investment guidelines; (2) a breach of material obligation under the contract; (3) a material misrepresentation; and, (4) a material amendment to the agreement without consent of the issuer.

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the framework are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interest bearing cash: Due to the short-term highly liquid nature of cash, the carrying amount approximates fair value. Any gains and/or earnings by the underlying assets are paid out as interest.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Spray Products 401(k) Profit Sharing Plan

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

Common Collective Trust Funds: Units of common collective trust funds (“CCT”), including the stable value fund, are valued at their NAV, as a practical expedient to measure fair value, as determined by the issuers based on the fair value of the underlying assets within the fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present information about the Plan’s investments measured at fair value on a recurring basis as of December 31, 2023 and 2022, and indicates the fair value hierarchy of the valuation techniques utilized by the Plan to determine such value:

	2023			Total
	Level 1	Level 2	Level 3	
Interest-bearing cash	\$ 886	\$ -	\$ -	\$ 886
Mutual funds	1,271,311	-	-	1,271,311

Investments measured at NAV ^(a)				<u>7,183,083</u>
Total investments measured at fair value				<u>\$ 8,524,634</u>

- (a) In accordance with Accounting Standards Codification (“ASC”) Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

6. Plan Termination

Although it has not expressed any intention to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions

As of December 31, 2023 and 2022 and
For the Year Ended December 31, 2023

7. Federal Income Tax Status

On June 30, 2020, the IRS stated that the prototype adopted by the Plan, as then designed, qualifies under the Internal Revenue Code ("IRC") Section 401(a). The Plan has not received a determination letter specific to the Plan itself and has been amended since receiving the determination letter, however, the plan administrator and the plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Plan investments include a variety of investments that may directly or indirectly invest in securities with contractual cash flows. The value, liquidity, and related income of these securities are sensitive to changes in economic conditions and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

9. Related-Party and Party in Interest Transactions

Certain plan investments are managed by the custodians and services are performed by affiliates of Transamerica and Ascensus, the recordkeepers of the Plan for which fees are charged; therefore, these transactions qualify as party in interest transactions. The Plan also has a revenue sharing agreement with a custodian (Note 1), and holds notes receivable from participants, which qualify as related-party and party in interest transactions. Additionally, fees are paid to other services providers for investment advisory services. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules of ERISA (exempt transactions).

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☐ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☐ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name:

(2) EIN:

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount

4g			
4h			
4i			
4j			
4k			
4l			
4m			
4n			

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
