INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Local 74 USWU 401K Savings Plan

Opinion

We have audited the accompanying financial statements of the Local 74 USWU 401K Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Local 74 USWU 401K Savings Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Local 74 USWU 401K Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Local 74 USWU 401K Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Local 74 USWU 401K Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Local 74 USWU 401K Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held for investment purposes at end of year, referred to as "supplemental information", is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**LOCAL 74 USWU 401K SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of the Local 74 USWU 401K Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The purpose of the Plan is to enable and encourage retirement savings for eligible participants.

The Agreement and Declaration of the Trust establishing the Plan was executed April 1, 2010. The Plan is a multi-employer profit sharing plan and trust covering all eligible full-time and part-time employees of participating employers. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participation

An individual becomes a participant in the Plan the first day his/her employer, subject to a collective bargaining agreement or a participation agreement, is required to make contributions to the Plan.

Vesting

Each participant unless otherwise stated in the participation agreement have at all times a fully vested non-forfeitable interest in the balance of his/her entire account. If so stated in the participant agreement each participant shall be vested in the balance of his Non-elective Contribution Account and/or Matching Account in accordance with the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Benefits

A participant, or the participant's beneficiary, is entitled to receive benefits to the extent vested, if the participant:

1. Attains age 59 1/2
2. Dies
3. Terminates from employment

A participant suffering hardship may withdraw all or a portion of their elective deferral account.

Government regulations mandate that the distribution of a participant's benefit commence when the participant attains age 72.

Each year, participants may elect to contribute a portion of his or her compensation designated as a whole percentage.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Funding

Funding is provided through contributions in accordance with individual collective bargaining agreements and/or participation agreements. Contributions can be in the form of pre-tax elective deferrals of participants' compensation designated as a whole percentage subject to any maximum designated in the participation agreement but not to exceed 89%, participant after tax contributions, employer matching contributions, and employer non-elective contributions determined in accordance with the provisions of the participant agreement.

Termination

Although they have not expressed any intention to do so, the Trustees as Plan sponsor, has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the entire balance in the accounts of each participant shall be fully vested and distributed in accordance with the provisions of the plan document and trust agreement.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. **Method of Accounting**

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America.

b. **Contributions and Participant Contributions Receivable**

Contributions receivable at December 31, 2023 and 2022 represent cash contributions received subsequent to year-end, but applicable to payroll periods prior to the balance sheet dates.

c. **Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

d. **Compensated Absences**

No accrual has been made for compensated absences since vacations are taken throughout the year, and the amounts are not material.

e. **Allocated Shared Expenses**

A group of benefit funds, including this Plan, sponsored by U.S.W.U. Local 74 (the subordinate Union to U.S.W.U. Joint Council 1217) share certain administrative expenses and rent reimbursed back to the Union. Also, shared compensation and related payroll costs for administering the Plan's programs are paid to the Local 74 U.S.W.U. Welfare Fund. Allocation of expenses are periodically reviewed and approved by the Plan's Board of Trustees, and amounts are reconciled on an ongoing basis. Shared administrative expenses and rent paid to Joint Council 1217 were \$6,516 and \$6,976 for years ended December 31, 2023 and 2022, respectively. Shared payroll and related costs reimbursable to the Welfare Fund were \$46,964 and \$44,034 for years ended December 31, 2023 and 2022, respectively. These transactions qualify as party in interest transactions and satisfy the provisions of prohibited transaction exemptions.

f. **Payment of Benefits**

Benefits are recorded when paid.

See independent auditors' report.

LOCAL 74 USWU 401K SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

g. Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation / depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Under FASB ASU 2015-12 Investment contracts held by a defined-contribution plan are to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

h. Operating Expenses

Expenses for maintaining the Plan are paid by the participants. Each participant's account is charged a quarterly administrative fee determined by the Trustees of the Plan. For years ended December 31, 2023 and 2022 \$138,821 and \$151,802 were charged to participant accounts and transferred to the Plan's operating account.

i. Reclassification

Certain amounts on the prior year's financial statements may be reclassified to conform to the current year's presentation.

j. Leases

The Fund determines if an arrangement is or contains a lease at inception. Leases are included in right-of-use (ROU) assets and lease liabilities in the statement of financial position. ROU assets and lease liabilities reflect the present value of the future minimum lease payments over the lease term, and ROU assets also include prepaid or accrued rent. Operating lease expense is recognize on a straight-line basis over the lease term.

The Funds policy does not report ROU assets and leases liability for short-term leases (leases with a term of 12 months or less) or leases under reasonable capitalization thresholds. Instead, the lease payments of those leases are reported as lease expense on a straight-line basis over the lease term.

k. Recently adopted accounting standards

In 2022, the Fund adopted Accounting Standards Update (ASU) No. 2016-02, Leases, which requires lessees to recognize leases on the statement of financial position and disclose key information about leasing arrangements. The Fund elected not to reassess at adoption (i) expired or existing contracts to determine whether they are or contain a lease, (ii) the lease classification of any existing leases, or (iii) initial direct. As a result of implementing ASU No. 2016-02, the Fund recognized right-of-use assets of \$6,069 and lease liabilities totaling \$6,069 in its statement of net assets available for benefits as of January 1, 2022. The adoption did not result in a significant effect on amounts reported in the statement of changes in net assets available for benefit for the year ended December 31, 2022.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 3. FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under (ASC) 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the net asset value (NAV) of shares held by the plan at year end in accordance with the active market in which such shares are traded.

Separate account: Valued at the net asset value (NAV) of shares held by the plan at year end. Fair value of the underlying securities with publicly quoted pricing inputs are used in determining the (NAV) of the funds, which are not publicly quoted.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participations, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. In addition, the inputs and methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

See independent auditors' report.

NOTE 4. INVESTMENTS

The following summaries present the fair values for each of the investment categories at December 31, 2023 and 2022.

Investments at fair value as of December 31, 2023

	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>

	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Separate accounts	\$ -	\$ 8,689,342	\$ -	\$ 8,689,342
Mutual funds	75,348	-	-	75,348
Total investments – at fair value	\$ 75,348	\$ 8,689,342	\$ -	\$ 8,764,690

The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets.

During the years ended December 31, 2023 and 2022 the Plan's investments, including investments bought, sold and held during the year, appreciated/(depreciated) in value \$1,204,524 and \$(1,588,092), respectively.

Net realized gains on the sale of investments included in the above totals amounted to \$167,277 and \$484,401 for the years ended December 31, 2023 and 2022.

We evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2023 and 2022, there were no transfers into or out of level 3.

NOTE 5. INVESTMENT CONTRACTS WITH INSURANCE COMPANY

The Plan entered into a benefit-responsive guaranteed investment contract with Prudential Retirement Insurance & Annuity Company ("PRIA") totaling \$387,878 for 2023 and \$376,021 for 2022. PRIA maintains the contributions in a general account. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The contract is included in the financial statements at contract value as reported to the Plan by PRIA. As described in Note 2, because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by

See independent auditors' report.

NOTE 5. INVESTMENT CONTRACTS WITH INSURANCE COMPANY (CONTINUED)

PRIA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on contract balances using a single “portfolio rate” approach. Under this methodology, a single interest credit rating rate is applied to all contributions made to the product regardless of the timing of those contributions, but it may not be less than 1.5%. Interest crediting rates are reviewed on a semi-annual basis for resetting.

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) change’s to the plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the plan’s ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6. RISK AND UNCERTAINTIES

The Fund invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

See independent auditors’ report.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 7. LEASE COMMITMENTS

The Fund evaluated contracts to determine which met the criteria of a lease. The right-of-use (ROU) assets represent the Fund's right to use underlying assets for the lease term, and the lease liabilities represent the Fund's obligation to make lease payments arising from these leases. The ROU assets and lease liabilities, all of which arise from operating leases, were calculated based on the present value of future lease payments over the lease terms. The Fund has made an accounting policy election to use a risk-free rate in lieu of its incremental borrowing rate to discount future lease payments. The weighted-average discount rate applied to calculate lease liabilities as of January 1, 2022, was 1.47% for the office space lease.

The Fund's operating leases consists of a license agreement with the Joint Council 1217 for office space located at 36-36 33rd Street, Long Island City, NY. For the remainder of its term expiring July 31, 2024.

For the year ended December 31, 2023 and 2022, total operating lease cost was \$2,371 and \$2,265, respectively. As of December 31, 2023, the weighted-average remaining lease term for the Fund's operating leases was less than a year (office space lease).

Cash paid for operating leases for the year ended December 31, 2023 and 2022 was \$2,408 and \$2,336, respectively. There were no noncash investing and financing transactions related to leasing other than the transition entry as of January 1, 2022.

The Fund is obligated under a five-year license agreement for its premises which expires July 31st, 2024. Average annual lease payments of \$2,308 are required to be paid monthly through the expiration of the lease.

Future maturities of lease liabilities are presented in the following table, for the years ending December 31:

	<u>Year 2024</u>	<u>Total</u>
Total lease payments		\$ 1,432
Less present value discount		<u>(-)</u>
Total lease obligations		<u>\$ 1,432</u>

NOTE 8. TAX STATUS

As per Internal Revenue Service determination letter dated May 3, 2016, the Plan is tax exempt under Section 401 (a) of the Internal Revenue Code ("IRC") and therefore, not subject to tax under the present income tax laws. The Plan will be required to operate in conformity with the IRC to maintain its qualification. The Board is not aware of any course of action or series of events that have occurred that might adversely affect the Plan from obtaining tax exempt status.

See independent auditors' report.

LOCAL 74 USWU 401K SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 8. TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan's management has analyzed the tax positions taken by the Plan, and has concluded that at December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 9. CONCENTRATION OF CREDIT RISK

By policy, the Plan places cash and cash equivalents with high-quality financial institutions. While the Plan attempts to limit any financial exposure, its deposit balances may, at times, exceed federally insured limits. The Plan has not experienced any losses on such accounts.

NOTE 10. CONTINGENCIES

Management has advised that there are no law suits that present claims against the Plan which could materially affect the financial position of the Plan.

NOTE 11. MULTIEMPLOYER PLAN

The Plan contributes to a multiemployer deferred pension plan under the terms of a participation agreement covering its eligible employees. The risks of participation in these multiemployer plans are different than single-employer plans in the following aspects:

- a) Assets contributed to the multiemployer plan by an employer may be used to provide benefits to participants of other participating employers.
- b) If a participating employer discontinues contributions to the plan, other participating employers may have to cover any unfunded liability that may exist.
- c) If the employer stops participating in some of its multiemployer pension plans, the employer may be required to pay those plans an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

The Plan's participation in this plan for the fiscal year ended December 31, 2023, is outlined in the table below. The "EIN/Pension Plan Number" column provides the Employer Identification number ("EIN") and the three-digit plan number, if applicable. Unless otherwise noted, the most recent Pension Protection Act ("PPA") zone status available is for the Plan's year-beginning January 1, 2023. The zone status is based on information that the Plan received from the plan and is certified by the plan's actuary. Among other factors, plans in the critical status are generally less than 65 percent funded, plans in the endangered status are less than 80 percent funded, and plans in the green zone are at least 80 percent funded. The "FIP/RP Status Pending/Implemented" column indicates plans for which a financial improvement plan ("FIP") or a rehabilitation plan ("RP") is either pending or has been implemented. The last column lists the expiration dates of the collective-bargaining agreements to which the plans are subject.

NOTE 12. PARTIES-IN-INTEREST

The Fund shares its office and personnel with other Local 74 employee benefit plans and the Union. General and administrative expenses are allocated between the Funds and the Union (see Note 2). The Fund reimburses the Union for its share of expenses. The Fund also leases office space from the Union. These transactions satisfy the provisions of prohibited transaction exemption.

Certain Plan investments are held by the manager of the investment; therefore, transactions relating to those investments qualify as exempt party-in-interest transactions and are identified as such on the supplemental schedule of assets held for investment purposes.

NOTE 13. SUBSEQUENT EVENTS

The Fund has evaluated subsequent events through the date of the Auditors' report, which is the date the financial statements were available to be issued, there were no events requiring recording or disclosure in the financial statements for the year end December 31, 2023.
