Independent Auditor's Report

The Retirement Plan Committee and Participants of
Milton's Distributing Co., Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Milton's Distributing Co., Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Milton's Distributing Co., Inc. 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the Milton's Distributing Co., Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Milton's Distributing Co., Inc. (the Company or Plan Sponsor). The Plan also covers eligible employees of the following affiliated employers: Gordon Logistics LLC and Hope Beverage LLC. The Plan is subject to the provisions of the Internal Revenue Code (the Code) and the Employee Retirement Income Security Act of 1974 (ERISA). The trustee is Reliance Trust Company (RTC or Trustee).

Eligibility: An employee is eligible to participate in the Plan upon attainment of age 19 and two months of service. The Plan entrance dates are the first day of each month, coinciding with or following when the eligibility requirements are met.

Contributions: Eligible employees can contribute an amount up to 90% of eligible compensation as defined by the Plan, not to exceed statutory limits. Participants can make after-tax contributions to a Roth 401(k) investment.

The Plan includes an auto-enrollment provision whereby all newly eligible employees hired after January 1, 2019 are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated fund until changed by the participant.

The Company contributes non-discretionary matching contributions in the amount equal to 100% participant deferral contributions subject to the maximum of the lesser of 6% of eligible compensation or \$6,000.

The Company may make discretionary profit-sharing contributions to the Plan as approved by the Board of Directors. The Company made total matching and discretionary profit-sharing contributions of \$455,799 for the year ended December 31, 2023.

Investment elections: Each participant shall direct the investment of his or her own individual account and may select among various mutual funds and a stable value fund. Each participant has the ability to change his or her investment allocations at any time.

Rollovers: With the approval of the Plan Administrator, the Plan may receive any amounts received by an employee as a distribution from another qualified plan provided that the receipt of such amounts do not adversely affect the qualified tax status of the Plan. Participants are fully vested in these amounts.

Participant accounts: Each participant's account is credited with the participant's contributions, the Company's matching contributions, and allocations of (a) the Company's discretionary profit-sharing matching contributions (if any) and (b) plan earnings, and is charged with an allocation of administrative expenses, as applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

Milton's Distributing Co., Inc. 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Vesting: A participant is fully vested at all times in his or her own contributions to the Plan. Participants vest in the Company's contributions as follows:

Years of Service	Vested Percentage
Less than 3 years	0%
3 years +	100%

Forfeitures: Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions and pay administrative expenses. Forfeitures are first used to pay administrative expenses and then to reduce employer discretionary matching contributions. For the year ended December 31, 2023, \$161,928 of nonvested account balances were forfeited and \$80,867 were used to pay administrative expenses and reduce discretionary employer matching contributions. As of December 31, 2023 and 2022, the amount of forfeitures available to pay monthly expenses and employer contributions was \$124,220 and \$43,159, respectively.

Payment of benefits: On termination of service, a participant may receive a lump-sum amount or installments equal to the vested value of his or her account or upon death, disability, or retirement, elect to receive annual installments over a 10-year period. Participants may apply for a hardship withdrawal due to financial hardship as defined in the Plan document.

Notes receivable from participants: Participants may borrow an amount up to the lesser of 50% of their vested account balance or \$50,000, reduced by the highest outstanding loan balance during the preceding 12-month period. Loans are for a period not to exceed five years unless the loan is used to purchase a principal residence, in which case the loan may not exceed ten years. Interest will be charged at a rate established by the Company, on a nondiscriminatory basis, taking into consideration the interest rates then being charged on similar loans by independent commercial lenders.

Administrative expenses: Certain fees, primarily related to the set-up and maintenance of participant loans, are paid by the Plan via a reduction of participant accounts. Investment related expenses are included in net appreciation in fair value of investments. Administrative expenses including legal, advisory, accounting and employee communication fees are paid by the Plan.

Basis of presentation and use of estimates: The financial statements have been prepared in accordance with accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets generally accepted accounting principles in the United States of America (GAAP) to ensure net assets available for plan benefits and changes in net assets available for plan benefits are consistently reported.

References to GAAP issued by the FASB in these footnotes are to the FASB Accounting Standards Codification (ASC). The financial statements of the Plan are prepared on the accrual method of accounting.

Milton's Distributing Co., Inc. 401(k) Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein. Accordingly, actual amounts could differ from those estimates.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged to participant accounts. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent loans are treated as distributions based on the terms of the Plan document.

Investment valuation and income recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits: Benefit payments to the participants are recorded when paid.

Accounting for uncertainty in income taxes: GAAP requires plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2020.

Note 3. Information Certified by RTC

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the Trustee. The Plan Administrator has obtained a certification from RTC as of December 31, 2023 and 2022, that information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets.

	2023	2022
Investments at fair value:		
Mutual funds	\$ 9,968,636	\$ 8,413,064
Stable value fund	179,272	437,033

Milton's Distributing Co., Inc. 401(k) Plan

Note 3. Information Certified by RTC (Continued)

The Trustee also certified to the completeness and accuracy of \$1,371,622 of net appreciation in fair value of the Plan's investments, \$214,616 of interest and dividends related to the aforementioned investments, and \$9,426 of interest income related to notes receivable from participants.

Note 4. Fair Value Measurements

The Plan follows guidance within FASB ASC 820, Fair Value Measurements and Disclosures, which defines fair value, and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2: Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised by the Plan in determining fair value is greatest for instruments categorized in Level 3. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Fair value is a market-based measure considered from the perspective of a market participant rather than an entity-specific measure. Therefore, even when market assumptions are not readily available, the Plan's own assumptions are set to reflect those that market participants would use in pricing the asset or liability at the measurement date. The Plan uses prices and inputs that are current as of the measurement date, including during periods of market dislocation. In periods of market dislocation, the observability of prices and inputs may be reduced for many instruments. This condition could cause an instrument to be reclassified from Level 1 to Level 2 or Level 2 to Level 3.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Mutual funds are valued at quoted market prices. These securities are categorized in Level 1 as they are actively traded and no valuation adjustments have been applied.

Stable value fund: Investments in the stable value fund are stated at net asset value (NAV) based on the fair value of its underlying assets and based on audited financial statements adjusted for account level fees. The NAV is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

December 31, 2023

Investments:

Investments at fair value	<u>\$ 8,850,097</u>	<u>\$ 8,413,064</u>	<u>\$ -</u>	<u>\$ -</u>

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using NAV per share practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following tables set forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as of December 31, 2023 and 2022:

Notes to Financial Statements

Note 5. Notes Receivable from Participants

A participant may borrow the lesser of \$50,000 (less the highest outstanding loan balance in the previous 12 months) or 50% of his or her vested account balance, with a minimum loan amount of \$1,000. Loans are repayable through payroll deductions over periods ranging up to five years, except for loans to purchase a primary residence, which have a 10-year maximum term. The interest rate is determined by the Plan Administrator taking into consideration the interest rates being charged on similar loans by independent commercial lenders. As of December 31, 2023, interest rates on outstanding notes receivable from participants ranged from 4.25% to 9.50%. As of December 31, 2023 and 2022, total notes receivable from participants were \$185,069 and \$120,012, respectively.

Note 6. Income Tax Status

The Plan through its adoption of a volume submitter plan has received a copy of an opinion letter issued to ADP LLC from the Internal Revenue Service (IRS) dated October 6, 2020, stating that the volume submitter plan is qualified under Section 401(a) of the Code and that any employer adopting this plan will be considered to have a plan qualified under Section 401(a) of the Code. The Plan Administrator believes the Plan is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and is tax exempt.

Note 7. Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets available for plan benefits as reported in the financial statements to the Form 5500 as of December 31, 2023 and 2022:

	2023	2022
Net assets available for plan benefits per the financial statements	\$ 10,332,977	\$ 8,970,109
Adjustment to reduce participant loans by 2023 deemed distributions	(26,465)	(24,215)
Net assets available for plan benefits per Form 5500	<u>\$ 10,306,512</u>	<u>\$ 8,945,894</u>

The following is a reconciliation of net increase in net assets available for plan benefits for the year ended December 31, 2023 per the financial statements to the Form 5500:

Net increase in net assets available for plan benefits per the financial statements	\$ 1,362,868
Change in adjustment of participant loans to Form 5500 value	<u>(2,250)</u>
Net increase in net assets available for plan benefits per Form 5500	<u>\$ 1,360,618</u>

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Notes to Financial Statements

Note 9. Party-in-Interest Transactions

The Plan issues notes receivable from participants, which are secured by the balances in the participants' accounts, which constitute party-in-interest transactions.

Note 10. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the rights of each affected participant to the amounts of his or her accounts at such time shall become fully vested and non-forfeitable.

Note 11. Subsequent Events

The Plan has evaluated subsequent events through October 15, 2024, the date the financial statements were available to be issued.
