INDEPENDENT AUDITOR'S REPORT

Sheppard, Mullin, Richter & Hampton LLP
Retirement and Savings Plan Committee
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sheppard, Mullin, Richter & Hampton LLP Retirement and Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITOR'S REPORT (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulation for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for the Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sheppard, Mullin, Richter & Hampton LLP
Retirement and Savings Plan
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Sheppard, Mullin, Richter & Hampton LLP Retirement and Savings Plan (the Plan) provides only general information of the Plan. Participants should refer to Plan documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all non-union employees and individual partners of Sheppard, Mullin, Richter & Hampton LLP (the Firm) who have completed the required qualified service, as defined below, other than non-resident aliens who receive no U.S. source income. The Plan also covers an employee of any professional corporation that is a partner (Participating PC). It is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

Contributions

The Firm contribution for partners who have not attained at least age 40 by December 31, 2023, is four percent of eligible earnings (up to the Internal Revenue Code section 401(a)(17) limit of \$330,000). The Firm contribution for partners who have attained at least age 40 by December 31, 2023, is \$43,500 regardless of the amount of his or her eligible earnings. The Firm contribution for eligible staff members is 7.50% of their total compensation for 2023, plus an additional 5% of compensation that exceeds the Taxable Wage Base for that year. Firm contributions for 2023 are available to those who have completed two years of qualified service before July 1, 2023. Non-partner attorneys are not eligible to receive the Firm Contribution. In addition, beginning with the earlier of the entry date following the completion of 90 consecutive days of employment, or the entry date following the completion of one year of service, participants may make the following types of contributions to the Plan: 1) contribute up to 75% of their eligible earnings directly to a deferred income account under Section 401(k), and/or as an after-tax Roth contribution (maximum aggregate combined contribution of \$22,500 for 2023); and/or 2) rollover eligible funds from another qualified plan. The maximum combined Firm and participant contributions (exclusive of rollover contributions) for any participant is \$66,000 in 2023. In addition, participants 50 years or older may make catch-up 401(k) and/or Roth contributions of up to \$7,500 in 2023.

Participant Accounts

The accounts of each participant are credited with the participant's interest in all contributions and the investment income of the Plan.

Vesting

All participants are 100% vested in their deferrals to their accounts, including employer contributions.

Payment of Benefits to Participants

A participant's benefit is the sum of the amounts credited to that participant's account. A participant may generally receive or elect to receive benefits in a lump-sum or another optional form.

Sheppard, Mullin, Richter & Hampton LLP
Retirement and Savings Plan
NOTES TO FINANCIAL STATEMENTS (Continued)

1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Each participant may obtain loans against his or her account balance, up to \$50,000 or 50%, whichever is less, of his or her vested account balance. Interest on loans is 1% over the rate published in the Wall Street Journal as the prime rate that is in effect on the first business day of the month. Outstanding loans have interest rates between 4.25% and 9.50%, maturing through December 2028. Each loan is secured by the participant's vested interest in the Plan.

Investment - Self-Directed Brokerage Account

Under the investment policy established by the Plan Administrator, participants can direct how their investment is invested under the Charles Schwab Personal Choice Retirement brokerage account. This account allows participants greater investment flexibility in their investment choices. Certain investments, such as options, are prohibited by the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting.

Valuation of Investments

Investments are stated at fair value. Mutual funds and investments included in the self-directed brokerage account are reported at fair value based on quoted market prices. The common collective funds are valued at net asset value per share (or its equivalent) of the funds, which is based on the fair value of the funds' underlying net assets. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Investment fees charged to the Plan for investments are deducted from income earned and are not separately reflected.

Notes Receivable from Participants

Loans to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan's loan procedures.

Sheppard, Mullin, Richter & Hampton LLP
Retirement and Savings Plan
NOTES TO FINANCIAL STATEMENTS (Continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits to Participants

Benefits are recorded when paid.

Plan Expenses

Administrative expenses of the Plan are generally paid from the Plan. For the year ended December 31, 2023, the Plan recognized administrative expenses of \$364,193.

Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Risk and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

3. CERTIFICATION BY TRUSTEE

T. Rowe Price Trust Company, the trustee of the Plan, has certified that the following information included in the financial statements and schedules as of December 31, 2023 and 2022, and for the year ended December 31, 2023 is complete and accurate:

- A. Investments as included in the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022
- B. All information pertaining to investment income and investment expenses-fees in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023
- C. Schedule of Assets (Held at End of Year) - December 31, 2023

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and common/collective trust funds sponsored by T. Rowe Price Trust Company, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest. Notes receivables from participants also qualify as party-in-interest transactions. Fees paid by the Plan for T. Rowe Price RPS INC. administrative services amounted to \$105,648 for the year ended December 31, 2023.

Sheppard, Mullin, Richter & Hampton LLP

NOTES TO FINANCIAL STATEMENTS (Continued)

5. FAIR VALUE FINANCIAL INSTRUMENTS

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments in Level 1 include listed equities and other securities held in the name of the Plan, and exclude listed equities and other securities held indirectly through commingled funds.

Level 2 - Pricing inputs, including broker quotes, are generally those other than exchange quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies.

Level 3 - Pricing inputs are unobservable for the investment and include situations where there is little, if any market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. Investments that are included in this category generally include privately held investments and partnership interests.

The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total

(1) Class includes investments in stable value common trust fund and common/collective trust funds. Stable value and common/collective trust fund units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by the Plan. Under the terms of the Declaration of the stable value Trust, the Plan is required to provide 12 months' advance written notice to the trustee prior to redemption of trust units. Additionally, under the terms of the Declaration of the common/collective trust funds, the Plan is required to provide 30 days advance written notice to the trustee prior to redemption of trust units. Stable value and common/collective Trust units are generally issued and redeemed only on a valuation date and at the net asset value per unit computed on that date. There were no unfunded commitments within these classes of funds.

6. TAX STATUS

The Plan obtained its latest determination letter on April 7, 2016 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions.

7. SUBSEQUENT EVENT

Subsequent events have been evaluated through October 14, 2024, the date the financial statements were available to be issued. The Plan Administrator has determined that there were no subsequent events and transactions that require recognition and disclosure.
