INDEPENDENT AUDITOR'S REPORT

October 14, 2024

To the Plan Administrator of the
Prime Coordination, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Prime Coordination, LLC 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the period then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PRIME COORDINATION, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

1. DESCRIPTION OF PLAN

The following brief description of the Prime Coordination, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for complete information regarding the Plan and its provisions.

General

The Plan is a defined contribution 401(k) plan which covers substantially all employees of Prime Care Coordination, LLC (the Company or employer) who meet certain eligibility criteria. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The plan was established effective April 1, 2023 to serve as a replacement for a separate plan sponsored by the Company. All plan assets within the previous plan have been transferred into the Plan on April 1, 2023, and has been reflected in the Transfer of Plan Assets line on the statement of changes in net assets available for benefits.

Plan Administration

Prime Care Coordination, LLC is the Plan sponsor. The Plan administrator is ADP, Inc and Reliance Trust Company serves as the Plan's trustee and custodian.

Participation

All benefit-eligible employees of the Company are eligible to participate in the Plan. Benefit-eligible employees who are 18 years of age or older may begin salary deferrals immediately upon hire. Benefit-eligible employees who are 18 years of age or older are eligible to receive the Company's contributions immediately upon hire.

Contributions

Active participants may make voluntary pre-tax and post-tax contributions in the form of salary reductions and any applicable rollovers from other qualified plans, subject to certain limitations of the Plan and the Internal Revenue Code (IRC) under Section 401(k). Eligible participants, who attain the age of 50 before the end of the Plan year, are eligible to make catch-up contributions, subject to certain limitations of the IRC. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan also provides for various employer contributions, including discretionary employer match and profit-sharing contributions. For the period ended December 31, 2023, the Company made discretionary match contributions equal to 3% of eligible compensation for employees who met certain eligibility criteria defined in the Plan document. There were no profit-sharing contributions to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, and allocations of Plan earnings/losses, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their voluntary contributions and actual earnings/losses thereon. Participants are fully vested in employer contributions and actual earnings/losses thereon upon completion of three years of credited service. The Plan has no partial vesting provisions.

Forfeitures

If a participant's employment is terminated, the non-vested portion of the participant balance will become subject to forfeiture in accordance with the provisions of the Plan agreement. Forfeitures of non-vested participant accounts can be allocated to offset plan expenses or to reduce future employer contributions. No forfeitures were used to offset plan expenses or to reduce employer contributions for the period ended December 31, 2023. Unallocated forfeited balances totaled \$29,695 at December 31, 2023.

Payment of Benefits

The Plan provides for payments of benefits upon reaching normal retirement age and has provisions for in-service, disability, death, and termination benefits for those participants who are eligible to receive such benefits. Participants can elect to receive benefits in the form of a lump-sum distribution or partial payments, as defined in the Plan document.

Hardship Withdrawals

Hardship withdrawals from a participant's account are permitted under certain circumstances. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Notes Receivable from Participants

Plan participants may borrow up to the lesser of 50% of their vested account balances, or \$50,000 reduced by the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans from the Plan on the date the loan is made. Loans are repayable over periods not to exceed five years, except in the case of a loan taken for the purpose of purchasing a primary residence. All loans bear interest at the prime rate plus 1%.

Administrative Expenses

Administrative expenses of the Plan are paid from Plan assets.

Plan Termination

Although the Company has not expressed any intent to do so, it has the right to terminate the Plan subject to provisions set forth by ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Changes in the current value of investments held during the year, including realized gains and losses on assets bought and sold during the year, are reflected in the statements of changes in net assets available for benefits as net appreciation or depreciation in the fair value of investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis.

Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures* provides a framework for measuring fair value. The Plan uses various valuation techniques in determining fair value. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's estimate about the assumptions market participants would use in pricing the asset or liability, developed based on the best information available in the circumstances.

Accounting principles generally accepted in the United States of America establish a fair value hierarchy. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation does not entail a significant degree of judgment.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Mutual funds: Valued at fair value based on quoted prices in active markets.

Stable Value Funds: Fair value is valued at the NAV per unit by dividing the total assets of the fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and included in the determination of unit values. These contracts contain certain restrictions on the Plan participants' ability to cash out their contracts and thus are not fully-benefit responsive contracts.

The Plan's investment in stable value funds is comprised of guaranteed insurance contracts established between the Plan's participants and the Plan's custodian. These contracts guarantee the participants' principal and a minimum interest rate. In addition, participants have the opportunity to earn amounts in excess of the guaranteed rate. The investment is included in the financial statements at NAV which approximates fair value.

There were no changes in the methods used to measure fair value at December 31, 2023.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements (Continued)

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based on the terms of the Plan document.

Benefits Paid to Participants

Benefit payments are recorded when paid.

Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Reliance Trust Company, the trustee and custodian of the Plan, as of and for the period ended December 31:

	2023
Investments	<u>\$ 2,580,753</u>
Notes receivable from participants	<u>\$ 39,005</u>
Net appreciation in fair value of investments	<u>\$ 138,785</u>
Interest and dividends	<u>\$ 85,466</u>
Interest on notes receivable	<u>\$ 1,333</u>
Schedule of Assets (Held at End of Year)	Schedule I

4. INVESTMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 2,515,439</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 2,515,439
Stable value funds, NAV ^(a)				<u>65,314</u>
				<u>\$ 2,580,753</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. INCOME TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service, dated October 6, 2020, as to the custodian's prototype plan's qualified status. The Plan opinion letter has been relied upon by this Plan. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

6. PARTY-IN-INTEREST TRANSACTIONS

Reliance Trust Company serves as the Plan trustee and custodian and ADP, Inc. is the Plan's Third-Party Administrator. The Plan administrator is ADP Inc. Consequently, transactions between Reliance Trust Company, ADP, Inc. and the Plan qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

7. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the period ended December 31, 2023.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 14, 2024, which is the date the financial statements were available to be issued.
